and was adopted. Mr. Walt said this morning that he prepared the bill two years ago for an appropriation for the monument of \$15,000. The bill passed the house and went to the senate. While in the hands of the senate, F. M. Hall of Linboln, Senator John Miller of Lincoln and Lientenant Governor Hopewell thought that the amount should be \$20,000 and the senate raised the appropriation to that amount. The bill went back to the house and Forty Thousand the house refused to concur in the raise by the senate and cut down the amount to the original sum of \$15,000. A conference committee of the two bodies finally agreed on the \$20,000 and it was passed at that figure.
