Acid Test for the Players' Fraternity

The Sporting News finds in the case of Pitzer Roy Mitchell against Umpire Silk O'Loughlin, "the acid test of the result" of the efficacy of the "fraternity" of the players in furthering their interests. If the facts are as stated, the Sporting News seems to have some ground, though maybe not final, for its assumption. As to the facts, Mitchell says O'Loughlin called him a "dirty yellow cur," and told him he made unfair decisions against him to anger the player so he would have occasion for ordering him off the field. O'Loughlin denies the statement, and the question becomes one of veracity between the player and umpire. Manager Stovall of the Browns, in seeking evidence for the player, asked Catcher Ed Sweeney of New York, who was in a position to hear what O'Loughlin said, as the remark was made while the pitcher was at bat, to testify. Instead Sweeney said that he had "a tin ear" as both sides are "fraternities" members. The News thinks this may indicate how hard the players of different teams would stand by each other under the impulse of fraternity ties as against their own clubs. If it is typical, then so much the worse for fraternity prospects. One thing seems certain, a player's loyalty to his club takes precedence over most everything else and is some times carried to the questionable extreme of dishonesty. Here is a case. A Cardinal batter sends the ball into the Giants' right field bleachers and the ball comes back into the field, whether thrown by a fan or on a bounce the umpire is uncertain. He asks outfielder Burns of the Giants and Burns says a fan threw it, which deprives the Cardinals of a home-run hit and cuts off two runs. Later fans declare the ball rebounded off its own action and was not touched by a fan. Burns ought to have known. If he did and deliberately stated falsely, he did what every loyal to his team should not warrant. Base ball, to merit its title of the "squares of games," must not forsake common ethics.

Battle Creek Blanked. BATTLE CREEK, Neb., Aug. 31.—(Special Telegram.)—Norfolk outbatted Battle Creek today and won the game by the score of 1 to 0. The winning score came in the ninth on two clean hits. This is Battle Creek's first shutout in three seasons.

Naps Beat Hollys. By a score of 11 to 6, the Naps defeated the Hollys. The Naps landed on the Hollys' pitcher in the first inning for four runs. The Naps profited by the errors of the Hollys. Conway and Tommy Grinnel were the star hitters of the Naps, each getting six hits. Gorgan was a star of the game in his backstopper for the Naps. This is the third time, Jody has led to an amateur championship in five years.

Fifteen Thousand Futurity Event is Taken by Pennant

SARATOGA, N. Y., Aug. 31.—Pennant won the \$15,000 futurity at six furlongs today after a desperate drive to ward off Southern Maid and Addie M, who finished second and third, respectively. The result was in doubt until the last few strides. The time was, 0:13.5.

Both Pennant and Southern Maid came far behind in the stretch and had no chance to catch Pennant. Pennant had probably beaten Pennant. Bringhurst took the lead in the first few strides, followed by Forum and Early Rose, with Addie M. close up. The trailers were Pennant, Southern Maid and Anytime, and they were widely separated from the leaders.

Turning out of the back stretch, Bringhurst had a commanding lead on Forum and Early Rose, but as they swung for home, Pennant entered the argument and Forum and Early Rose dropped back, beaten, a furlong from home. Pennant challenged Bringhurst and the two had a duel for a sixteenth of a mile, when Pennant began to draw away. Then Southern Maid tried to atone for her slow beginning with a wonderful burst of speed. She was taking two strides to the winner's one in the last fifty yards.

Borel went to the whip on Pennant and the colt answered gamely, holding a length's advantage at the close. Addie M. was only beaten half a length for the place.

Scribner Battles Four Hours, Unable to Beat Opponent

DENVER, Colo., Aug. 31.—(Special Telegram.)—The feature of the matches in the annual tennis tournament of the Denver Country club was the battle royal between Arthur H. Scribner of Omaha and A. B. Bowen of Denver in the semifinals for a final qualification. The players showed brilliant form and contested nip and tuck for four hours before an enthusiastic crowd.

The battle was finally declared a draw, being called on account of darkness. Scribner won the first set, 14-13 and 6-4. Bowen won the next set, 6-3 and 6-4. Both then contested every point and take with grim determination to win. Scribner's hard, close-in drives across the net frequently taxed Bowen's ability to the limit, and upon two occasions the Omaha player's attack nearly swept Bowen off his feet. However, the Denver racket man met each emergency with wonderful dexterity and clever foot work for position, which at times gave him an advantage. The match was the most brilliant demonstration of tennismanship of the day. The match will be played off to decide which shall enter the finals.

CUDAHY EMPLOYEES BEAT MORRIS & COMPANY TEAM

West Defeats East in Tennis Play

NIAGARA ON THE LAKE, Ont., Aug. 31.—The international tennis tournament which ended here yesterday was a battle between the east and the west, with the latter the victor.

Griffin of California, a dark horse, won the men's open singles, the most spectacular event of the week. The closing contest between Griffin and Whitney of Boston was fast from start to finish and it was either man's game almost to the last stroke. The score stood, 5-6, 1-6, 6-4, 8-6.

The women's open singles did not bring so many surprises, but the winner, Mrs. Robert Williams of Philadelphia, who defeated Miss May Brown, the American national champion, in the finals, was not so stage a favorite. Mrs. Williams won, 6-4, 3-6, 6-4.

Johnston and Griffin of California won the men's doubles with Whitney and Seaver of Boston, 6-2, 6-1, 6-2.

In the mixed doubles, Miss Browne and Johnston, California, beat Mrs. Williams, Philadelphia, and Griffin, California, 6-4, 6-2.

Will Adams Loses to Ralph Powell in Junior Tennis Match

Ralph Powell successfully defended his title of champion junior tennis player of Omaha on the Field club courts Saturday afternoon, when he beat Will Adams in the challenge round, 6-10, 6-4, 6-1.

Adams played in as good form as he did the day previous, when he won from Russell Larson, but he was no match for the champion, who had an easy time of the first match, which he dropped, only after a hard struggle.

In the doubles challenge round, Adams and Adams beat Epstein and Caldwell in straight sets, 6-2, 6-1, 6-2. This match was the best of the afternoon and a large gallery watched the play. The Adams brothers had very little competition and won hands down.

AFAIRS AT SOUTH OMAHA

Elaborate Plans Laid to Make Trip to State Fair.

BAND TO HEAD DELEGATION

George Green's Players Will Parade Music When Magic City Delegation Reaches Capital City Next Friday.

Although the committee in charge of arrangements for South Omaha day at the state fair, September 8, have hardly had an opportunity to get fairly started toward shaping their plans for making this the banner representation from the Magic City, the merchants, citizens and live stock interests generally have at this early date, taken an active interest in the movement, and hundreds have already signified their intention to accept September 8 a day and join in making it a fact.

It is a fact that South Omaha, never so than any other city, does a majority of its business with the people outside its boundaries, the rural residents of Nebraska coming in for the greater share, and the general sentiment prevails that there is no better place than the Nebraska state fair to meet the patrons of South Omaha's business enterprises, where business may be linked with pleasure, and both the merchants and the patrons profit by the meeting.

South Omahans will, each and every one, be decorated with a South Omaha pennant, which will be provided at the train, so all Nebraska will know where the contingent is from; they will be headed by George Green's band, playing the liveliest kind of music to let them know they are coming; and if the wishes of the committee be carried out and present indications count for anything, the ten special cars which will start from thirty-eighth and L streets, via the Burlington, will carry such a large and representative crowd of Magic City citizens as to make South Omaha predominate at the fair on September 6.

Deliver Injured. William Baker, 43 North Twenty-third street, a driver for Jackson-Pullman Coal company, was thrown from his wagon at Twenty-fourth and K streets and severely injured when a southbound car struck the vehicle. The wagon was demolished and the street car windows smashed by the impact. Baker was attended by a physician and sent to his home. His injuries are not serious, consisting chiefly of bruises.

Labor Day Proclamations. Mayor Hector has issued out his annual Labor day proclamation. All the city offices will be closed Monday and many of the union men will take part in the Omaha turnout. The unions in South Omaha, while organized, will not hold a public celebration.

The following is the proclamation of the mayor: The first Monday in September being set aside to be observed as a holiday dedicated to a consideration of the interests and welfare of that great majority of our citizens who toil with their hands for a livelihood and the prosperity of our country, and believing that it is fitting that we should all lay our respects to the great principles for which this day stands, and believing it incumbent upon us to do all in our power to promote the best interests of the American workman in all his endeavors to gain for himself and his loved ones a greater recognition of the debt we owe him as one of the pillars on which our national prosperity rests.

Now, therefore, I, Thomas Hector, mayor of the city of South Omaha, do hereby proclaim Monday, September 1, to be a holiday and call upon all of our people to refrain from their usual business activities on that day and keep and observe the same as a day dedicated and set apart to the interests of labor.
