This is the opinion penses on an inspection trip of eastern laid down after first consideration of the steps in the dances. P. H. Kelly their warrants before E. A. Smith had of Holyoke, Mass., secretary of the association, declared that the secured an injunction enjoining the pay-"Turkey trot,' the 'Horse trot' and the 'Grizzly Bear' were vulgar. "We ment of the money. The warrants rere will never recognize them," he said. "The dancing is from the hips up, deposited by Graff and Holovichiner in the bank to their credit and immediately instead of from the hips down, as is proper. It is not so much what the infterward before the warrants reached turkey trotters do with their feet; that does not count. It is the position the treasurer's office for payment Ure which leads to vulgarly."

> Holovichinor Issues Statement. Dr. Holovtchiner has issued the following signed statement regarding the ining dates at Happy Hollow club junction:

I have served on the Board of Education without any compensation whatever for nearly five years. I know positively that my service and work for the benefit of education and the schools of Omaha has cost me about \$1,690 a year, due to the neglect of my own private business and actual money spent out of my own pocket. If the courr should decide that, after the Board of Education has directed me to investigate the status of technical high schools in different cities, I should stand my own expense for that work, I shall cheerfuily abide by the decision of the court and return the \$156 apent for ten days travel in the cast. I shall even go further than that. I will not suffer Mr. Graff to spend his own money on a mission for the Board of Education, but will reimburse the school district treasurer out of my own funds the \$156 apent by him for the good of education and the school system of Omaha. Ire of More Water Users of This City

Frank Brown, hay and grain man of Omaha, living in Florence, says the board of directors of the Metropolitan Water district is attempting to force him to pay 50 cents per front foot for a water n ain he built recently at his own expense across two lots to serve a house on a third lot he owns in Florence.

Brown believes the water board has no laim on this main line and will, if necessary, contest the board's position in the courts. He is one of several property owners who are protesting against such by Water Commissioner Beecher Howell and his water board. C. H. George, 2431 Emmet street, has received a bill from Howell for the last three months for water at the rate of

\$1.59 per month, although one of the periods was for six weeks. He is a derstand why the board should charge a flat rate. When he appeared at the water hoard office and asked for an explanation he was told: "Your meter will be inspected if you

read and the bills were presented for one and then for two months. "It's an outrage," said Mr. George, "and if that is the sort of thing this water board is doing it's time for consumers to assert their rights."

George says the meter has not been
