

HANGER'S PAROLE REVOKED

State Board of Control Calls Him Back to Prison.

ENMITY AGAINST HIS WIFE

Sought to Aid Man Who Was Charged with Assaulting Her and Hanged Held It Violation of Parole.

(From a Staff Correspondent.) LINCOLN, Sept. 6.—(Special.)—The State Board of Control has decided to revoke the parole issued to William Hanger, an Omaha convict who was sent to the penitentiary for assault on his wife. In July of this year Hanger was granted a parole, the conditions being that he should keep away from his wife and not in any way molest her or the children, which by the court were placed in her care.

Soon after his parole was granted Hanger read in an Omaha paper that Mrs. Hanger had such an Omaha man for an assailant and he at once went to the man and offered to assist him in any way he desired in his fight against the assault charge.

The matter was brought to the attention of the pardon board and a hearing was had in which the board now revokes the parole, Magri and Falcott voting in favor of the revocation and Taylor against. Taylor denies the right of the board to cancel the parole. The courts have decided that the mother is the proper custodian of the children and the pardon board has no right to go against the order of the court. They also claim that Hanger has broken the terms of his parole in interfering with Mrs. Hanger and her children which was especially set forth in the parole that he should not do and therefore having broken that agreement there is nothing else to do but to recall the parole.

Open New High School. Deputy State Superintendent Robert L. Elliott was at Dodge yesterday where he assisted in the dedication services held on the opening of the new high school building in that town. Mr. Elliott says that the building is a model in every way. It is built of brick with maple floors and oak finishing and cost about \$40,000. Professor Buck of the state university and Superintendent Clements of the Fremont Normal were also present at the dedication.

Auditor is Ill. State Auditor W. B. Howard, who is ill with a bad case of ptomaine poisoning caused by eating ice cream, is still confined to the house, but is getting along as well as could be expected.

Work Caused by New Law. The auditor's office is beginning to feel the effects of the new bond law which compels every bond of every nature to be registered with the bond clerk. This brings in a great deal of inquiry; this morning ten of the fifteen letters in the morning delivery of mail pertaining to the bond proposition. The addition to the list of bonds required to be registered takes in all Omaha, South Omaha and Lincoln bonds and bonds of all irrigation companies.

Asks Saunders' Return. A requisition was issued by Governor Morehead this morning asking Governor Foss of Massachusetts to return to Omaha Ernest W. Saunders, wanted in Omaha for obtaining money under false pretenses. He represented to Preston B. Myers of that city that he had money in the Omaha National bank and was successful in getting a check cashed for \$50. He is being held in Brockton, Mass., by the chief of police of that city.

Ponca After New Depot. The Ponca people have applied to the State Railway commission asking that body to compel the Minneapolis & Omaha

Railway company to build a new depot at that station, claiming that the present station building is entirely inadequate to take care of the traffic and that it is out of date.

Phone Hearings. The hearing in the Hooper-Fremont telephone case, in which the Bell people are asked to make physical connection with the Hooper company, will take place at Fremont September 15. The hearing in the Blair telephone case will also be held at the same time.

FREMONT GETS READY FOR BIG FEATURE SHOW

FREMONT, Neb., Sept. 6.—(Special.)—Preparations for the Big Four fair, the best show, poultry exhibit, dog show and agricultural fair are nearly completed.

Forty tractors are already on the ground ready to show the farmers what can be done plowing, harrowing, discing and seeding all kinds of ground on the Coad farm northeast of town next week. A temporary building covering the full width of Military avenue between the curb lines from Main to Broad streets, two blocks, has been put up for poultry and agricultural exhibits. A lot of the prize birds exhibited at the state fair arrived here this morning.

The dog show will occupy a big tent at Main and Military. A big lot of local dogs have been entered, and the out-of-town entries will be large. Otto Fohl, manager of the show, was at Minneapolis this week and some of the prize winners exhibited at the show there will be here Tuesday, when the show opens. Accommodations for about 40 have been provided for.

There will also be the usual number of free shows during the week and a carnival outfit on lower Park avenue for those whose tastes are not inclined to agricultural exhibits, tractors, poultry or dogs.

Tuesday will be Mid-West Implement and Nebraska and Iowa Grain Dealers' day and a free watermelon feed will be served by Omaha Implement dealers. Wednesday a big delegation from Omaha is expected. The streets are already decorated with the official colors—red, white, blue and green.

The tractor exhibit and demonstration will be the largest ever held in the west and is already attracting the attention of farmers and ranchers throughout the eastern part of the state.

CUSTER COUNTY FAIR WILL OPEN TUESDAY

BROKEN BOW, Neb., Sept. 6.—(Special.)—The Custer county fair will open here Tuesday of next week and continue through Wednesday, Thursday and Friday. As has always been the custom with the fair association, elaborate preparations have been made in order that the affair may be a success. Notwithstanding the dry weather that has prevailed lately, the county is making some fine agricultural exhibits. These include a fine quality of corn. The stock exhibits and other features will probably surpass last year's effort, while the racing program will be far above the average.

The horses that are coming here are entered through the Central Nebraska circuit and it is by reason of this that the management has been able to secure a grade of racing stock that has never before been handled on this track. Besides the afternoon attractions on the ground, there will be a carnival up town each night of the fair.

The Broken Bow public schools were opened this week with a very satisfactory enrollment. At the high school, the students number 144. The north side ward school has 194 enrolled and the south side ward school 253. Prof. S. H. Martin is superintendent.

SEWARD COUNTY'S SKUNK FARM IS IN OPERATION

SEWARD, Neb., Sept. 6.—(Special.)—Frank Woods, proprietor of the "Smoke House," the leading tobacco store here, has sold his share of the business to his brother Ed. Woods. Frank has been in the business for twenty-seven years.

The skunk farm at Ulta, owned by Goodbird and Harvey Woodworth, is now in business. Six skunks are the nucleus for the business. The animals are to be raised for their fur. By a simple operation the scent bag is removed, overcoming the objectionable feature of the animal.

FARMERS NEAR OHIOVA ARE PUTTING UP SILOS

OHIOVA, Neb., Sept. 6.—(Special.)—A local implement dealer has set up and sold fifteen corn binders the last few weeks. This fact indicates that the farmers in this section are cutting their corn and either stacking it or putting it up in silos. A large number of silos are in the course of construction and many more will be built the coming winter in preparation for next year's corn crop.

Fairbury News.

FAIRBURY, Neb., Sept. 6.—(Special.)—Jefferson county farmers are busily engaged in cutting their corn with harvest machines and filling their silos. Fairchild Bros., near Endicott, are filling four large silos and will feed 350 head of cattle.

While enjoying a chicken dinner Mrs. A. White had the misfortune to get a bone lodged in her throat. A physician was hastily summoned and managed to dislodge the bone.

Advice comes from Troy, Kan., that Dr. Warren Ferry of this place is slowly recuperating his health and has good prospects of living. He was in a precarious condition for several weeks.

Superintendent A. L. Caviness and wife have returned from a vacation trip in Michigan. The Fairbury schools open Monday and Mr. Caviness begins his fourteenth year as superintendent.

News Notes of Alliance. ALLIANCE, Neb., Sept. 6.—(Special.)—Patrick Fleharty, a farmer from near Curly, Neb., who is in St. Joseph's hospital suffering from injuries received by riding off a load of hay onto a pitchfork, is in a very critical condition and but slight hopes are held out for his recovery.

Work on the new court house and the Central school building is progressing rapidly and the contractors are hopeful of having both buildings enclosed before the first of December.

Plenty of mallard, teal and chickadees around the lakes in the vicinity of Alliance and the hunters are having their usual season's sport.

Believing Himself About to Die, Tells of Crime Years Ago

LINCOLN, Neb., Sept. 6.—On the strength of the confession of a man who thought he was about to die, Sheriff William H. Jones of Nemaha county, has gone to Vallejo, Cal., to arrest Joseph Kopf on the charge of having murdered Julian Bahaud, a wealthy Frenchman, who lived alone in a cabin, one mile south of the town of Julian, Neb., fourteen years ago.

Governor Morehead issued the requisition for Kopf's return three days ago, but it was kept secret in order that the mission of Sheriff Jones might not be made public. Fuller Shallenberger, now living at Burlington, Kan., is the man who made the confession to Sheriff Jones and County Attorney Ferneau of Nemaha county, and he admitted, these officials say, that he was connected with the crime, but name Kopf as the principal. Shallenberger believed himself to be afflicted with an incurable disease when he made the confession.

Gerber to Succeed Hurd as Engineer

(From a Staff Correspondent.) LINCOLN, Neb., Sept. 6.—(Special Telegram.)—C. H. Gerber, assistant engineer in the physical valuation department of the State Railway commission, will succeed E. C. Hurd as chief engineer when the latter retires at the close of the month. The new engineer will draw a salary of \$1,000 a year, which will be \$50 in advance of his former salary as assistant. Mr. Hurd has been drawing \$4,900 a year, but the bulk of the work of appraising railway properties has been completed and the department will endeavor to cut expense as much as is possible.

Two of the clerks, Mr. Edgren and Miss Woods, will leave the department, and it is probable that further reductions will be made as the work is finished. E. J. Kates will take the position made vacant by Mr. Gerber's promotion.

Two Paroled Convicts Make Their Getaway

(From a Staff Correspondent.) LINCOLN, Neb., Sept. 6.—(Special Telegram.)—Two paroled convicts, James Lillie, sentenced from Gage county for highway robbery, and Robert Day, sent up from Cheyenne county for burglary, have escaped from the places where they were working on farms near the city and have not been apprehended, though trace of them has been gathered at St. Joseph.

The men were paroled on request of Chaplain P. C. Johnson who, for the third time, has been made the victim of misplaced confidence within a short period.

WILBER BOY SAVES TWO GIRLS FROM DROWNING

WILBER, Neb., Sept. 6.—(Special.)—Stanley Tachovsky, 12 years old, yesterday performed one of the prettiest acts of heroism. Henrietta and Lily Dejni were swimming just south of the mill near the bath house, in the Blue river in the afternoon, with no one around except Stanley and another small boy, when they noticed the girls going down and coming up and knew they were in deep water. Realizing they were drowning, Stanley ran into the water some 150 feet away and pulled them out, clinging to each other, after they had gone down three times. The older of the girls was about 13 and the younger 9 years old.

EDGERTON AND MOREHEAD FILLING MANY DATES

(From a Staff Correspondent.) LINCOLN, Neb., Sept. 6.—(Special Telegram.)—Assistant Deputy Attorney General Frank Edgerton will go to Nebraska September 12 to make an address before a farmers' picnic at that town. It is now neck and neck between Edgerton and Governor Morehead which is the better speaker and who can get in on the most picnics. Edgerton is practicing up for the campaign for the nomination for the office of attorney general on the republican ticket, while Governor Morehead is preparing himself for a red-hot debate in an attempt to wrest the congressional nomination in the Democratic party from Congressman Maguire, who is some speaker himself.

NORTH NEBRASKA PEOPLE WANT NEW INSANE HOSPITAL

NORFOLK, Neb., Sept. 6.—(Special.)—The Norfolk hospital for the insane is so crowded that not another male patient can be admitted, and yet the State Board of Control has taken no steps whatever, so far as known, to build the new building for which the last legislature appropriated \$20,000. North Nebraska people are at a loss to understand why no action is being taken.

Table Rock Pioneers Dead.

TABLE ROCK, Neb., Sept. 6.—(Special.)—Mrs. Mary J. Parker died at 5 a. m. Friday at the residence of her nephew, W. W. Cross. Her death came as a result of a stroke of paralysis some three weeks since. She is survived by a sister, Mrs. F. E. Cross, residing in Table Rock, and a brother living in the vicinity of Kansas City, Mo. Funeral services were held this morning. She was 39 years old.

A Bloody Affair.

John D. Nesbitt, who lived between here and Pawnee City for many years, a leading citizen of the community, held in the highest repute by all who knew him, died at Long Beach, Cal., on Saturday last, having succumbed to a severe attack of pneumonia. Mr. and Mrs. Nesbitt had been out on the coast but a short time at the time of his decease. The body was taken to Hanover, Ill., his former home, for interment.

ing citizen of the community, held in the highest repute by all who knew him, died at Long Beach, Cal., on Saturday last, having succumbed to a severe attack of pneumonia. Mr. and Mrs. Nesbitt had been out on the coast but a short time at the time of his decease. The body was taken to Hanover, Ill., his former home, for interment.

Employment Bureau is Being Investigated By Commissioner Pool

(From a Staff Correspondent.) LINCOLN, Sept. 6.—(Special.)—Labor Commissioner Pool is having his troubles, and they are not caused by the hot weather. This time it is caused by an Omaha employment bureau which, according to a letter received from a bunch of men sent out by the bureau to Bennington, Neb., who claim that notwithstanding the bureau says there is no fee coming to them for getting the men work and advertise such, they sent a man out to the camp and took out \$1 each from the pay of the men. They also took out \$1 apiece from the pay of two men who were not sent out by the bureau.

Mr. Pool is looking into the matter and has told the men that if the employment bureau has exceeded its authority there will be something done. The letter gives the name of the bureau as the Freeland Employment company.

WESTERN LAND IN DISPUTE UP TO SECRETARY INTERIOR

(From a Staff Correspondent.) LINCOLN, Sept. 6.—(Special.)—D. S. Osgood, county attorney of Grant county, has intervened in the case from that county in which a quarter section of school land belonging to the state is involved. Some time ago Floyd White took the land as a homestead and secured an injunction before Judge Paul in the district court preventing the lessees of the land from gathering the crops thereon or cutting the hay. The case was taken before the land department, which decided that the land was school land. It has now gone to the secretary of the Interior for a final decision.

News Notes of Albion.

ALBION, Neb., Sept. 6.—(Special.)—The Boone County Agricultural society has completed a new building and repainted all the buildings on the fair grounds. The Albion Commercial club has extended an invitation to the Omaha and Lincoln Commercial clubs to visit the county fair here this month.

G. M. Peters, a prominent attorney of Chicago, is here on a visit and making a study of the game laws and birds of this section.

The little daughter of Superintendent Cowan was operated on today for appendicitis.

M. C. Bressler, a farmer of this county, waived preliminary examination and was bound over under a statutory charge.

Fullerton Notes.

FULLERTON, Neb., Sept. 6.—(Special.)—The September session of district court convened here this week with Judge Hollenbeck on the bench. Several important cases are to be tried. J. J. Sullivan of Omaha, Martin of Central City and other attorneys are in attendance.

The city council at its last meeting let the contract for the water extension to the Alamo Engine and Supply company of Omaha. The company took up the bonds at 5 per cent in payment for the work.

The Fullerton schools opened last Monday morning with a large enrollment of pupils. Superintendent Watson is at the head, with Mr. Russell as principal.

Aurora Will Teach Farming.

AURORA, Neb., Sept. 6.—(Special.)—The Aurora schools opened Monday with every teacher in her place and 183 pupils in the high school and 750 in the grades. A. E. Fisher is superintendent and Miss Katherine Hearn is principal. Aside the regular English-Latin course, there are the normal, commercial and agricultural courses. Aurora is one of the schools to profit by the new law.

HYMENEAL.

Bracke-Wanda. FAIRBURY, Neb., Sept. 6.—(Special.)—Fred Bracke worked a clever surprise on his friends in the city by going to Phillipsburg, Kan., and being married to Miss Lillian Wanda of that place this week. The wedding was solemnized at the home of the bride's parents, Mr. and Mrs. W. I. Wanda, at that point, and a number of friends and relatives of the contracting parties witnessed the ceremony. The bride was brought up in that place. The groom is a son of Charles Bracke of this city. Mr. and Mrs. Bracke left for Los Angeles, Cal., after the ceremony to make their future home.

DEATH RECORD.

Mrs. Albert Davolt. STELLA, Neb., Sept. 6.—(Special.)—Mrs. Albert Davolt died this week at the home of her parents, Mr. and Mrs. Haines, residing on the Stella-Subert road. She was 72 years of age and is survived by her husband, a baby of 6 months and a child of 5 years. Rev. Mr. Blanchard preached the funeral, and burial was at Prairie Union. Mrs. Davolt died of tuberculosis, and the same disease not long ago caused the death of her twin sister, Mrs. John Alberts, of Nemaha City.

A Bloody Affair.

John D. Nesbitt, who lived between here and Pawnee City for many years, a leading citizen of the community, held in the highest repute by all who knew him, died at Long Beach, Cal., on Saturday last, having succumbed to a severe attack of pneumonia. Mr. and Mrs. Nesbitt had been out on the coast but a short time at the time of his decease. The body was taken to Hanover, Ill., his former home, for interment.

Mail Trucker is Crushed to Death at the Union Depot

Dominico Sansino, Fourth and Marcy streets, was killed yesterday at the Union passenger station. He was a mail trucker and as he was going about his duties one end of the truck he was pushing was hit by Rock Island train No. 13, coach No. 13, and he was caught in between the handle end of it and one of the iron posts of the shed.

He was picked up by other workers around the spot and died before medical attention could reach him.

Coroner Crosby took charge of the body and an inquest will be held. Sansino was a single man and about 30 years of age. He had been employed about the depot for the last four years.

D. E. THOMPSON TO VISIT HIS HOLDINGS IN MEXICO

LINCOLN, Neb., Sept. 6.—David E. Thompson, former United States ambassador to Mexico, who has just returned from a trip to Europe, said today he intended soon to start for Mexico, where he has heavy financial interests. Mr. Thompson said he had no fear for his personal safety and will study for himself the effect of President Wilson's policy of nonintervention and nonrecognition. He is particularly interested, he said, in knowing whether the railroad lines in Mexico, in which he is interested, are kept open for traffic.

Mr. Thompson said he was not in a position to discuss the relations between the United States and Mexico, but said he was acquainted with General Huerta, and regarded him as a capable man.

ECZEMA SPREAD ALL OVER BODY

Began on Cheeks With Pimples, Itched Badly. Caused Disfigurement. Had to Put Mittens on Him. Used Cuticura Soap and Ointment. Eczema Left Him.

Reston, Ohio.—"When my little boy was two weeks old he began breaking out on his cheeks. The eczema began just with pimples and they seemed to tick so badly he would scratch his face and cause a matter to run. Wherever that matter would touch, it would cause another pimply rash to spread all over his body. It caused disfigurement which I lasted. He had fifteen places on one arm and his head had several. The deepest places on his cheeks were as large as a silver dollar on each side. He was so restless at night we had to put mittens on him to keep him from scratching them with his finger nails. He could not sleep because I put those mittens on which would not allow him to scratch and then he would wake up and be cross. If he got a little too warm at night it seemed to hurt badly.

"We tried a treatment and he didn't get any better. He had the eczema about three weeks when we began using Cuticura Soap and Ointment. I bathed him at night with the Cuticura Soap and spread the Cuticura Ointment on and the eczema left." (Signed) Mrs. John White, Mar. 19, 1913.

Cuticura Soap and Ointment do so much for poor complexioned, red, rough hands, and dry, thin and falling hair, and cost so little, that it is almost criminal not to use them. Sold everywhere. Sample of each mailed free, with 32-p. book on the skin and scalp. Address post-card "Cuticura, Dept. T, Boston."

See Man who has shaved and shampooed with Cuticura Soap and will find it best for skin and scalp.

Brooked Teeth Straightened
