

RETAILERS ELECT OFFICERS

Henry A. Thompson Made President and James Metcalfe Secretary.

ACTIVITIES ARE DISCUSSED

Members Go Over Unfinished Business and Find Several Issues Before Them Which They Will Urge to a Finish.

At a meeting of the Retailers' association of Omaha at the Paxton hotel last night, officers and the board of directors were elected for the ensuing year. Henry A. Thompson, of Thompson-Belden company, was elected president; Charles R. Sherman, of Sherman-McConnell drug company, vice president; A. S. Peck, of King-Peck clothing company, treasurer, and James W. Metcalfe, secretary. The board of seven directors included, C. E. Brown, of C. H. Brown & Co.; H. H. Hoopes, of A. Hoopes & Co.; J. H. Hueske, of Hueske Hardware company; C. H. Courtney, of Courtney & Co.; W. G. Brandt, of Orchard & Wilhelm company; T. E. Redmond, of J. L. Brandeis & Sons, and Robert Rosenzweig, of Drexel shoe company.

The association decided to hold the monthly meetings in the new offices, 1124-1131 City National Bank building, from now on. Reports were read from the various committees. The membership committee reported that it had secured the addition of the representation of sixty-two firms in the association. This additional representation means that practically every big store and nearly every smaller concern of repute is a member of the association.

The credit bureau committee announced that rapid progress was being made in investigating the credit of the customers of Omaha retailers. Up to date 7,500 customers have been investigated with regard to credit, ability, promptness and willingness to pay. These have been carefully recorded and the records will be used by all members of the association for protection from bad accounts. The work will be continued until the credit of all customers of Omaha retailers will have been rated.

Censorship is Active. The censorship committee reported considerable activity. Five hundred and sixty-eight applications for copies of approval of various advertising and donations were received and passed upon. All advertising and donations by retailers must be passed upon by the association. The retailers found that it was necessary, as people were constantly asking for contributions for advertising programs and elsewhere in which no returns on the investment were received. The censorship committee will put a stop to all such abuse.

A report was read by the railroad committee. The committee announced that several of the railroads had promised to alter the time of arrival and departure of trains in and out of Omaha so that out-of-town shoppers will be given the greatest amount of time in Omaha. The committee also reported that the railroads took particular pains to claim credit for the proposed enlargement of terminal facilities in Omaha. The railroads asserted that they are acting in good faith concerning the enlargement of the depot and will do all in their power to have the enlargement started as soon as possible.

REV. FRANK WARD ASSUMES BAPTIST CHURCH PASTORATE

Rev. Frank Ward was officially installed last night as pastor of the Olivet Baptist church at 324 Grand avenue. A program of music and addresses was arranged. Rev. Mr. Ward succeeded Rev. George McDougal, who resigned some months ago. He formerly was connected with the Baptist church at Shellburg, Ia. Among the speakers were Rev. H. E. Hess, pastor of the First Memorial Methodist Episcopal church; Rev. J. E. Neard, pastor of the Central Park Congregational church; Rev. C. H. Hurrell, pastor of the Baptist church; Rev. W. F. Howell, pastor of the First Baptist church; Rev. J. E. Ebersole, pastor of the Immanuel Baptist church; Rev. W. R. Hill, pastor of the South Omaha Baptist church; Rev. George McDougal, Rev. E. B. MINORITY MEMBERS BARRED FROM TARIFF CONFERENCE

WASHINGTON, Sept. 12.—With the minority members of the conference committee barred from the proceedings, the democratic majority in charge of the final work on the tariff revision bill began today its work of adjusting conflicts between the senate and house. At the end of the short afternoon session the democrats had completed work on the amended schedule of the bill and representatives Underwood and Senator Simmons predicted that the progress toward a complete agreement will be speedy and harmonious. The democratic conferees will not call the minority conferees until they have settled all phases of the tariff dispute.

APPEAL CASES FROM THE POLICE COURT ON MOON

City Prosecutor Fred Anhauser announces that September 22 and such days afterward as shall be needed will be taken up with the hearing of appeal cases. More cases have been appealed during the last year than any year in local police court history and considerable time is expected to be devoted to the hearings.

A Marked Similarity.

"If twelve persons were to agree to die together every day, it would be in exactly the same order around the table," distinctly stated the professor. "It would take them 1,000 years at the rate of one dinner a day, and they would have eaten more than 24,000 dinners, before they could get through all the possible arrangements in which they could place themselves."

"Yes," smiled Uncle Pepp. "That would be nearly as many years as a small boy rearranges himself during a long vacation."

MEXICANS SLAY AMERICAN

Texas Deputy Sheriff Put to Death by Band of Smugglers.

FIFTEEN TAKEN PRISONERS

John Lind Interested in Rumors that President Huerta Intends to Resign at an Early Date.

LAREDO, Tex., Sept. 12.—Deputy Sheriff Ortiz, who with Sheriff Buck of Dimmitt county, was captured by a band of Mexican ammunition smugglers near Carrizo Springs, Tex., today, was put to death, according to advices received here tonight. Buck, it is reported, has been released.

Buck and Ortiz were members of a posse which intercepted a band of fifteen men making their way from Carrizo Springs toward the Mexican border. Hopelessly outnumbered and short of ammunition, the posse attempted to retreat after exchanging shots with the band, but the sheriff and his deputy were taken prisoners.

Rumors Interest Lind.

VERA CRUZ, Mexico, Sept. 12.—Persistent rumors current here that General Huerta really intends to resign from the presidency at an early date are interesting President Wilson's personal representative, John Lind. Lending support to these rumors are two stories, apparently from an authentic source. One is to the effect that an American, calling on the provisional president, asked him what he intended to do. General Huerta smiled and replied that one of his eyes had been troubling him greatly of late. Then he laughed and added that if that eye became worse he might have to leave the country and have an operation some time early in October. As a matter of fact General Huerta underwent an operation for cataract several months ago.

Other Yarn by Britton.

The other story was told recently by an Englishman, who quoted General Huerta as saying: "Well, it is quite possible that by the end of the week or soon after I shall no longer be president."

Iowa News Notes.

LOGAN—Miss Mary Swanger was married to Frederick Hollenbeck at the Methodist church of Logan yesterday at high noon. Rev. M. C. Cable officiating. Bride and groom will make their future home east of Logan.

LOGAN—With John A. Murray appearing for the defense and Ross Laubach appearing for the state, according to present arrangements, the prosecution of Rogers, Purcell, McQueen, Gibb and Dale, indicted by the grand jury as follows will begin tomorrow: George Rogers, grand larceny; Bradley Clothing store at Missouri Valley; Alvin Durell, residing officers at Mondakinn; E. W. Dale, grand larceny; Gibb, grand larceny; James Sales, piano tuner, obtaining \$50 under false pretenses.

IDA GROVE—The Odd Fellows of this section held a big picnic in a pasture here with 20 present from all over the county. An immense table 120 feet long was built for the picnic dinner. W. H. Pitkin of Sioux City delivered the principal address.

IDA GROVE—During a thunder storm the large barn on the A. Harper farm, near Battle Creek, was struck by lightning and burned to the ground. One Mackinn, a farmer, had two mules and a valuable horse struck by lightning and killed in the same storm.

IDA GROVE—Because of the long dry spell farmers say the small streams are all but dry and water is becoming scarce. This section has been visited by enough showers to make the corn crop canned and the towns are becoming short of water.

IDA GROVE—At a meeting of the board of supervisors the new \$1200 concrete arch bridge across the Maple river, built by the Marsh Engineering company of Des Moines, was accepted. The bridge is 215 feet long and has two eighty-foot arches. The bridge will be opened next week.

IDA GROVE—Word comes from California that Asa Lund, a former Ida county young man, is lost in the mountains in the vicinity of San Gabriel canyon. He left Panama, Cal., on a motorcycle August 22 and rode to a camp in the canyon, left his motorcycle there and went into the hills with a rifle, blanket, canned and smoked food. No trace of him has been found since that time. His father was once supervisor of Ida county.

LOGAN—Miss Jessie Childs, daughter of Mr. and Mrs. A. J. Childs, residing east of Logan, was married to Lyman Rhoads of Medella, Minn., at the home of the bride's parents last evening at 8 o'clock. Rev. M. C. Cable of the Methodist Episcopal church, Logan, officiating. Made Constock of Logan played the wedding march. Mrs. Rhoads, mother of the groom, Medella, Minn., and Mr. and Mrs. Daisy of Omaha, were among the guests from a distance. The bride and groom will be at home at Medella, Minn., October 1.

MISSOURI VALLEY—Notwithstanding the rainfall of about three-quarters of an inch over Harrison county since the fair opened here, the sun shines today and a good attendance is expected. There is a fine lot of hogs and cattle on exhibition. The Duroc-Jersey hogs lead in number. Red Polts in cattle. The draft horses are exceptionally fine and contrast strangely with the Shetland ponies. From the fact that the fair has been extended to include Saturdays, when fasted in the products of the farm will have attractions otherwise.

CORRECT APPAREL FOR MEN AND WOMEN

Widow Will Marry Farmer, if Climate and Farm Suit Her

The Omaha widow who decided to "take a chance" with the South Dakota farmer concluded that before the knot was tied she would go up to Trip county and look the ground over. She told Rev. Charles W. Savidge, who brought the couple together, that she was not sure she would like the South Dakota climate.

The farmer began correspondence with the parson some months ago. He asked if the preacher could arrange a wedding with some desirable widow. He said he did not care if she had not a nickel to her name; that if she wore a skirt and was suitable, he would like to get married.

So, yesterday the couple went to South Dakota. If the climate agrees with the widow a marriage will result.

JEWELS STOLEN IN IOWA CAPITAL ARE RECOVERED

Detective Eddie Morgan recognized a trifling bit of jewelry in a pawnshop on North Sixteenth street several days ago and promptly connected it with the list of stolen articles taken from the home of Morton Clarke of Des Moines last week. He searched all the other pawnshops on the street, and with his list of stolen articles in his hand he found on checking up that he had recovered over \$50 worth of the \$70 worth of jewelry taken. The only missing article is a \$200 diamond ring. Morgan was able to get a good description of the man who pawned the stuff and the police expect to have him under arrest today.

Thick, Glossy Hair All Dandruff Gone

Girls! Try It! Hair gets soft, fluffy and luxuriant at once—No more falling hair.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderrine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its luster, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots furnish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderrine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

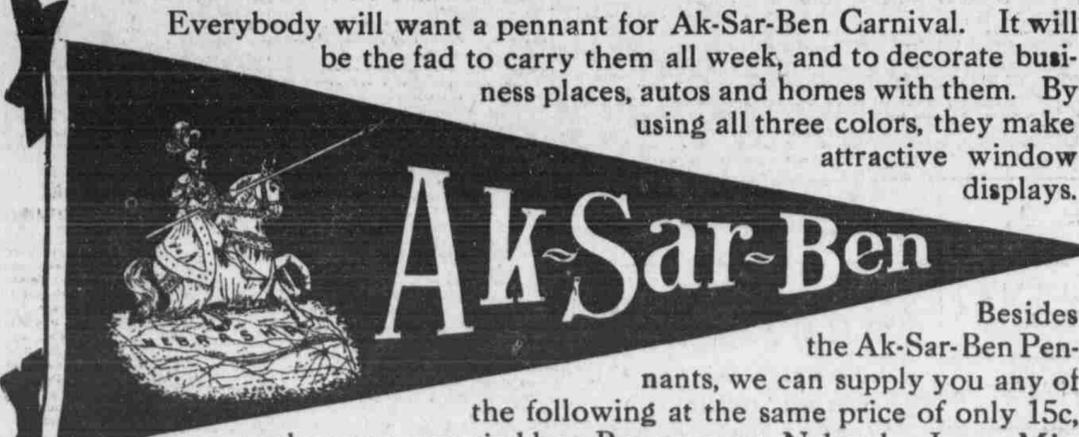

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderrine. If eventually why not now?
