Leverenz Holds League Leaders to Four Scattered Hits.

ERRORS GIVE ST. LOUIS LEAD

Graff Makes Fine Impression at Third Base for Visitors, Fielding Position Well and Showing Up Strong at Bat.

PHILADELPHIA, Sept. 18.—Leverenz held Philadelphia to four scattered hits today and St. Louis won, 5 to 0. Battery and fielding errors by Shawkey and Shang gave the visitors their first two runs, while they bunched four hits with a pass in the ninth and scored three more runners. Graff, formerly of Birmingham, N. Y., made a fine impression at third base for St. Louis. He fielded his position well and made two stunges and drew a pass in four trips to the plate. Score: Philadelphia, 0; St. Louis, 5.

Yanks Stay in Seventh. NEW YORK, Sept. 18.—New York retained its one point hold on seventh place today by defeating Chicago in the third game of the series by a score of 6 to 3. The game was won by the fourth inning when the locals scored four runs and drove Russell off the slab. Three passes, singles by Malsell, Tolson and singles by DeBrager and Russell accounted for the rallies.

Ed Walsh pitched the last four innings for Chicago. It was the first time he had appeared in the box in two months. He gave a good account of himself, New York counting only once off him. In the seventh Williams singled, took third on an infield out and scored on Gilbooley's single.

McHale pitched a steady game for New York and kept Chicago's hits scattered. Weaver scored in the first, when he doubled, took third on an infield out and stole home. Collins counted in the fourth on a pass. Chase's sacrifice and Chappell's double. Collins also scored in the sixth. After forcing Lord to the second on Chase's out and scored on Lord's single. Malsell in five times up hit a double and three singles and drew a pass. He also stole two bases. Score: Chicago, 3; New York, 6.

Red Sox Trim Naps. BOSTON, Sept. 18.—Errors by Cleveland largely were responsible for Boston's 3 to 4 victory today. The locals bunched hits in the sixth inning and with the assistance of a wild throw by Cleveland runs crossed the plate. Cleveland made two runs in the sixth on four singles, tying the score. In Boston's half of the seventh, with two out, single hit to Johnson, but James failed to touch first base when he took the toss. Engine started to steal and continued to third on a wild throw by Carlich. Leibold threw past third base in an effort to get the runner and the winning tally counted. Score: Cleveland, 3; Boston, 4.

THREE VETS IN AMES SQUAD

Coach Williams Has Good Bunch to Draw From.

RESERVES ALL HUSKY PLAYERS

First Game of Season Will Be Against Grinnell, with the Gophers Reserved for Later Date.

AMES, Ia., Sept. 18.—(Special.)—Last fall, before he left Ames to give his services to the University of Iowa, Jack Watson prophesied that this fall Ames would have a world-beating foot ball machine. If Iowa State falls short of its former trainer's prediction it will not be because of a lack of material. The outlook at the onset of the foot ball season is brighter than it has been in a good many years. Watson last year said the reserves, which are recruiting the 1913 squad almost wholly, were the best bunch of foot ball men he ever had seen on the Cyclone field.

Head Coach Clyde Williams is building his first pick of the varsity around only three veterans. The line will hinge on Reeve, the powerful tackle, who was the defensive mainstay of the front wall of the lineup last year, and Captain Cowan, at end. Bill Brennan, the third of the seasoned men, is apt to fill the shoes of the heady little quarter. Hurst, who closed his foot ball career last year along with Burge, Juhl, Hunt, Scott, Crawford, Nagel, Vincent, Weyrauch and Pfund.

Williams will not give his squad much, if any, scrimmaging before the start of the week's first game. Most of those who thought their chances were good enough to warrant them coming back early before college opened came back a week or so early. They have been practicing lightly, booting the ball, teasing the flying dummies, etc., for a week or more; but Williams thinks they are a little too tender to let them loose on the scrubs till Monday.

Practice will start Monday in earnest for the opening game of the heavy schedule with Grinnell at Grinnell a week from Friday. While Grinnell ought not to be considered as a foot ball weakling by any means, the coaches do not entertain a great deal of fear over the first game. Usually Ames' first game has been with Minnesota, but this year Williams will have a chance in the Grinnell game to see whether and where changes in the lineup should be made, and make them and be in better shape to mix with the Gophers at Minneapolis.

BELLEVUE PREPARES FOR FAST FOOT BALL SEASON

The most enthusiasm in years was in evidence at the initial practice of the Bellevue foot ball squad, Wednesday evening. Under the leadership of Coach Thron a light, but fast squad will certainly develop into a winning team if present indications amount to anything. The old men out in suits were Jones, Captain Halderman, Stookley, Ohman, Brandt and Quackenbush. Webb, the second all state center of year before last, is again out in a suit determined to make good his claim to first honors this year.

The new material though light is remarkably fast for green stuff. Zhulke of Bancroft, Dale of Rushville and Geally of Tekamah are expected to repeat their excellent high school records in college athletics. Barr, Wilson, Raceley, Morgan and Findley are showing up in scrappy style in spite of inexperience.

Two of the old men have not arrived yet, but will be on the job before the heavy signal practice begins. Litchen-walker of Omaha and Graham of Atlantic will add their experience and weight to turn out a winning team.

None of the early season laziness is apparent and under the leadership of an old Bellevue alumnus, who himself holds an enviable record in athletics, an excellent season is in prospect.

SOUTH DAKOTA SQUAD WEAR Candidates Return from Two Weeks in Training Camp.

VERMILION, S. D., Sept. 18.—(Special.)—Coach Henderson and the foot ball squad have returned to the university after two weeks of preliminary work at Richland training camp. At this writing the team does not look to be up to last year's caliber. Pat Coffey, Aldrich, Imray, Sheeks and other former varsity men will be missing from the lineup. Captain Brown at tackle and Cooley Ferguson, who will be switched from full to half, being the only veterans on the squad at present, although Meeter and Potts are expected back. Fry backfield, King center and R. Willy guard are former letter men working out. Constables are keeping several last year's stars off the field. Brooks, guard, who was kept out last season by illness, and Harvey from Fort Pierre, who suffered with blood poison last year, ought to make good. At ends McCormick from Wagner and Ed Hengel from Pierre seem to have the call. Brown, the half-miler, and Meade, who runs the quarter distance, are fast in a foot ball suit. There is an unusual amount of new material. Charles Rowe, former captain Watertown High, Paulson, a state high school full from the local high school and weighing 170 pounds, Tom Coffey, a brother of Pat's from LeMar, who is trying left half; Elwood Davis from Correctionville, who played quarter last year on the Iowa freshman team, and Cromer and Claude Manary, all-state high school and former tackle at Sioux Falls High, are after that position.

Foot Ball Made Special Study. MIDDLETOWN, Conn., Sept. 18.—Foot ball has been advanced to the dignity of a "special study" at Wesleyan university this year. The faculty announcement made at the opening exercises today include this statement and assigned Daniel Hutchinson of the University of Pennsylvania as special foot ball instructor, assisted by Dr. Fayer, professor of physical education. Under this faculty endorsement a winning foot ball team is expected. Hutchinson has begun driving the candidates hard in preparation for the game with Yale next Wednesday.

A Marvellous Escape. "My little boy had a marvellous escape," writes F. F. Bastians of Prince Albert, Cape of Good Hope. "It occurred in the middle of the night. He got a very severe attack of croup. As luck would have it, I had a large bottle of Chamberlain's Cough Remedy in the house. After following the directions for an hour and twenty minutes he was through all danger." For sale by all druggists.—Advertisement.

Natural Hitters. According to Manager Griffith, Joe Doehling is the most natural hitter on the team. Being a pitcher, Doehling does not have the same chance in practice ball as the regulars have, and yet he is one of the most dangerous hitters on the team.

WORLD'S RECORD BROKEN

Score of 74 Out of Possible 75 on 1,200-Yard Range Made

TEAM MARK FOR 200 RANGE

Officers and Inspectors' Match, an Individual Event, Won by Casey of Pennsylvania, with a Score of 99.

SEAGIRT, N. J., Sept. 18.—Two more world's records were broken on the ranges of the New Jersey state rifle association today. A new score of seventy-four out of a possible seventy-five on the 1,200-yard range was made in the Spencer match by Captain W. H. Richard of Ohio, who on Monday shattered the world's record for consecutive bull's eyes on the 300-yard range. A team representing the District of Columbia in the Dryden trophy match set a new team mark today for the 200-yard range, with seven-inch bull's eyes, when they totaled 395 out of a possible 400, an average of forty-nine and three-eighths per man.

Captain Richard won over Captain J. E. Snow, marine corps, and Sergeant Cedric B. Long of Massachusetts, who were tied for second place, with seventy points each. Major W. S. Price of New Jersey made the next highest score, sixty-nine.

The officers' and inspectors' match, an individual event, was won by Captain K. K. Casey of Pennsylvania, with a score of ninety-nine, lacking but one point of a possible one. He scored a possible on the 1,000-yard range and forty-nine on the 600 yards. Lieutenant Drum of the marine corps was second, with ninety-seven.

The Massachusetts riflemen won the Dryden trophy match with an aggregate score on the three ranges of 1,142. Other scores were: New York, 1,140; District of Columbia, 1,135; New Jersey, 1,122; marine corps, 1,120; United States cavalry, 1,115; United States infantry, 1,121.

INSURANCE TOPICS COME UP BEFORE COMMISSIONERS

(From a Staff Correspondent.) LINCOLN, Sept. 18.—(Special.)—Insurance topics are to be considered at tomorrow's meeting of the state tax commission according to announcement by Chairman Grosvenor. A number of insurance men are to appear before the commission and make suggestions relative to changes which should be made in the existing law and to present methods of insurance company assessment which will be along the lines adopted by other states where the subject has been given considerable review.

At present foreign insurance companies are taxed in counties, towns and school districts upon the gross amount of premiums received on business written in the various subdivisions. Such gross receipts are taken as an item of property of equivalent value. Agents render the list and are personally liable for the tax. All foreign life insurance companies as well as accident companies pay a 2 per cent levy into the state treasury at the time of making their annual report to the state insurance department. Fraternal and mutual companies operating on the assessment plan are exempted from this provision. Foreign surety companies organized in other states are liable for the same tax. Domestic companies are not liable to the state tax, but pay to the various subdivisions in which they do business. In this they are allowed an offset for their reinsurance and cancellations.

CROCKER'S BRIGADE HOLDS ITS REUNION AT CLARINDA

CLARINDA, Ia., Sept. 18.—(Special Telegram.)—The seventeenth biennial reunion of Crocker's Iowa brigade was held in Clarinda yesterday and today. Two hundred members of the brigade are present, some being accompanied by their wives and coming from fourteen states, Washington and Florida being the two extremes. They have owned the town for two days. Every business house is decorated in their honor and the citizens are keeping open house to entertain them.

Rev. W. C. Williamson, himself an old soldier, made the welcoming address and Colonel H. H. Root of the Thirteenth Iowa brigade, president, responded. The biennial address was given by D. W. Voris of Cedar Rapids Wednesday evening. Colonel W. P. Hepburn also addressed the brigade Wednesday evening. This morning the brigade and visiting soldiers, 230 strong, with fifty women of the Woman's Relief corps and Grand Army of the Republic circle, headed by the Fifty-fifth Iowa infantry band and followed by 200 school children, paraded the principal streets of the city. In the afternoon a procession of forty automobiles gave the visitors a ride to various points of interest in and near the city. In the evening Governor George W. Clark, Judge Walter I. Smith and Fred E. White addressed an audience of 1,000 at the armory.

Omaha University Squad Practicing

The University of Omaha foot ball squad has started practice in earnest

With only ten days off to put the team in condition to meet Wesleyan, Coach Morganthaler is putting the team through hard paces and is confident of making a good showing against the Methodists.

There is a large amount of material on hand and the coach has already started to pick out the promising players. The outlook is that some of the old men will be hard pushed to keep their position. The hardest schedule ever undertaken by the school confronts the team and it is hoped the squad will make a better showing than it did last season.

So far enough men for two squads have turned out for practice, while last season the team was considerably handicapped due to a shortage of players. The team will have adequate arrangements to scrimmage against Fort Omaha, high school and Creighton. Coach Morganthaler is confident of turning out a good team and if no bad luck overtakes the team the school will have one of the strongest teams in its history.
