## MINE DEAL OUT IN COURT

Suit Brought at Fremont Over Sale of Stock.  
ALLEGED VEIN PAINTED ON ROCK  
Former County Attorney Cook of Dodge Defendant in Action with Others in Case Filed by Stockholders.

FREMONT, Neb., Sept. 20.—(Special)—A suit was commenced in the district court of Dodge county today by Chris Matthis in his own behalf and as assignee of sixty-five other stockholders to recover from Joseph C. Cook of this city, Roy R. Cook of Jarbridge, Nev., and W. S. Cook of Arlington 22,617.50, the amount alleged to have been paid by such stockholders for stock in the True Fissure Gold Mining company and the Great City Consolidated Mining and Milling company on account of representations alleged to have been made by the defendants. The petition alleges that T. J. McCormick, P. J. Swearingen and G. R. Hainszuzama, residents of Nevada and Idaho, respectively, secured control of certain unpatented mining claims in Elko county, Nevada, and displayed samples of high grade quartz represented as coming from them in the office of J. C. Cook, then county attorney. Many people in eastern Nebraska relying on representations made bought stock, believing there were large quantities of similar ore in sight in the mine. Visitors at the mine were shown valuable ore on the dump, an alleged vein being pointed out to them. The petition also alleges that the ore brought to Fremont and displayed by defendants did not come from the True Fissure property, that there was no vein except a thin streak of quartz not carrying working value and that the mine was "salted" by placing good ore on the dump and in the tunnel and painting a place in the tunnel walls with some gold solution.

## PASTOR OF SWEDISH MISSION CHURCH GOES TO CHICAGO.

REV. C. A. TURNQUIST.

## BEWARE OF BUSINESS SNARES, SAYS BISHOP

(Continued from Page One.)  
Bishop E. E. Crippen, G. W. Ayers, E. B. Crippen, T. A. Hull, P. H. Smith, E. F. Gates, G. A. Luce, N. M. Somerville, T. M. Ransome, J. F. Harper, J. P. Carter, R. J. Callow, F. A. C. Crown, W. G. Fowler, J. H. Smith, K. P. Kilbourn and J. E. Griffith.  
They can only hold this relation for five years and then they must take one of three relations: Be made effect, superannuated or located, which is to drop from the ministry.  
Henry Trezona, C. E. Campbell, F. C. McVay, Elmer Wilton, E. L. Wolff and G. L. Goodell will be made effect and placed in the pastorate. One was placed on the superannuated list, E. W. McMillen.  
Those asked to drop from the ministry and take a location are:  
D. C. Hopsen, E. S. Fox, O. F. Chesbro, G. H. Wise, F. E. Kirby, J. B. Davis, S. J. Medley, John D. Walker, J. P. Carter, R. J. Callow, F. A. C. Crown, W. G. Fowler, J. H. Smith, K. P. Kilbourn and J. E. Griffith.  
G. W. Hawley and G. E. Van Hagen have withdrawn from membership and E. Z. Stanbaugh also withdrew to join the Congregational church.  
The following men were received into the conference on trial:  
Rev. Harold J. Armitus, Frank Williams, John Wesley Williams, W. H. Gardner, Michel Pickeral, Frank E. Sallor, John T. Greene, R. E. Martin, L. Williams, G. W. McCree, R. C. Smith and George A. Morley.  
Next Meeting at Fremont.  
Fremont was selected as the seat of conference for the next year's session. It is rumored that the Walnut Hill church, Omaha, will have a new pastor. It could not be learned where the Rev. William Boyers is slated for.  
The bishop announced the following transfers:  
Harry E. Haas from the Indiana conference; Frank E. Fontz from the Iowa conference; S. R. Williams from the Arkansas conference; G. W. McCree from the Colorado conference.  
These were transferred out:  
C. E. Carroll to the Colorado conference and J. R. Spitzer to the Iowa conference.  
Englishmen at Luncheon.  
About noon about thirty native born Englishmen who are members of the conference took luncheon at the Commercial club. Just before the meal they sang the blessing in good old English style, which brought applause from the business men who were eating in the regular dining room.  
Rev. E. D. Bartie, D. D., was chosen toastmaster and Rev. Frank Williams of Royal, Neb., led off the toast list with a short talk on "The English Class Leader."  
Rev. W. S. Sanders of Archer, Neb., on "The English Local Preacher"; Rev. Dr. M. B. Williams on "Canadian Methodism"; and Rev. John Calvert of Crest, Neb., on "English Americanism." Rev. G. F. Francombe of Havlock spoke of the organization. Following this an organization was perfected for fellowship and social time with a get-together luncheon at each conference. The following officers were elected: President, Rev. Dr. Bartie; vice president, Rev. Dr. Williams; secretary; Rev. G. F. Francombe; treasurer; Rev. G. H. Phillips.  
Preachers' Wives Meet.  
The Conference Preachers' Wives' association met in the Sunday school room in the afternoon, with Mrs. W. B. Alexander of Wahoo presiding.  
At the evening session Dr. M. B. Williams presided and Rev. Harry G. McCain of Topeka, Kan., spoke in the interest of temperance from the subject, "The Question of the Century," and Prof. H. F. Carson, superintendent of the Nebraska Anti-Saloon league, spoke in the interest of his work.  
The Lincoln churches will have the visiting preachers supply the pulpits tomorrow. St. Paul's Methodist church will have Dr. Edward Hishop in the morning; Trinity Methodist, Dr. C. W. McCaskill; First Presbyterian, Dr. M. B. Williams; United Brethren, Rev. G. M. King; at the University Place church S. Earl Taylor, a layman from New York, general secretary of the Foreland Missionary society, will speak both morning and evening.  
The business of the conference is getting well under way and it looks now as if the conference may adjourn late Monday night.

## MIGRATORY BIRDS PLENTIFUL

Hunters Report Chickens and Yellowlegs Here in Numbers.

## FISHING IS ALSO OF THE BEST

Many Famous Catches Have Been Made in Nearby Waters—Charlie Metz's Ranch a Mecca for Omahans.

The fall hunting season, which opened on September 15, and which will close this year December 15, if the Weeks-McLane bill receives the signature of the president, is proving a fine one from the numerous reports that have come in from different sections of the state.  
Notwithstanding these favorable conditions, however, and the fact that all shooting under the new law will be confined to that in the fall, the gunners so far have not been overly active. This may be accounted for by the long-continued summer weather and the fact that the new state game law has so curtailed the rights of chicken hunters that they are not nearly so numerous as they have been in past years. It costs too much money to go chicken shooting now, when the law only allows ten birds daily to the gun and only ten in one's possession at any time. This, the sportsmen claim, is an unjust hardship, and they will unite in an effort to have it changed back to twenty-five a day and twenty-five in possession.  
There is never much duck shooting indulged in here, and yet it is in this month that the locally bred birds are the most plentiful, the easiest to be got and in the best condition. But October and November are considered the best time for ducking months, and the average duck is in the hurry just now to get out. He is perfectly satisfied to experiment with the chicken, the jackknives and yellowlegs, all of which are plentiful in favorable localities.  
Many Yellowlegs.  
Dan Chase, the well known shot and sportsman residing down toward Papillon, says that there has been an unusually big flight of yellowlegs, willet and dowitchers along the bars of the Platte this fall, and he has made several fine bags. He also says that the stubble fields are still alive with turtle doves, which birds are protected, however, since the first of the month, and must not be molested again until next July. Dan says they have "backed" and will shortly leave for the warmer climes of the south. The dove and upland plover season is open from July to August 31, and so far as the doves are concerned, the hunters also claim that the law is unreasonable, and should be kept open until November 31.  
Bill Falk, the Calhoun hunting sage, reports that the upland plover increased in his way on the newly plowed fields until a few nights ago, when they all got up in a bunch and left the country.  
Speaking about the good shooting this fall, reports from all directions say that the chicken have not been so abundant for ten years or more, and that it is no trick at all to get the bird. In a few moments' shooting in localities where the birds are plentiful.  
Hass Fishing Great.  
As to the fall bass fishing, like the hunting, it is also said to be unusually fine, and many famous catches have been made at all the nearby waters. There is much complaint from the true anglers just now about the wholesale manner in

## which fingerling bass are being taken and carried away by irresponsible fishermen up at Carter lake.

The law says that all bass under eight inches in length, when hooked, must be returned to the water, but there are a few of the habitual loiterers about this famous public who ever put any back. They take everything they catch. A bass is a bass, to them, whether it is one or a dozen inches long.  
The bassing in the sand hill lakes up in Cherry county and elsewhere is also reported excellent, and the anglers are congratulating themselves accordingly, as the summer fishing has been the poorest in twenty years. This is accounted for, undoubtedly, by the long siege of excessively hot weather we have had and the total absence of rainfall.  
Where They Are.  
Charlie Metz, with a few St. Louis friends, is enjoying the week in the chicken fields and with the blue wing teal up on his beautiful private preserve north of Cody in Cherry county.  
Tom Flynn is back from the Hyannis country, where he had a week of dandy shooting. He says the hills are full of birds.  
John A. Kuhn and party will be the guests of Mr. Charles Metz at Merganser Lodge, Mr. Metz' domain, the first week of October. In November John Weaver, Albert Cahn and Sandy Griswold will be Mr. Metz' guests for a week, for the last flight of the northern ducks.  
R. L. Cantwell and E. Bruce Works are the guests of Henry W. Murphy on his ranch north of Seneca. They are enjoying good chicken shooting. Mr. Cantwell has with him his famous brace of imported English setters, said to be the two best dogs in the United States. And, of course they are having capital sport. J. M. Gillan, with a couple of friends, leaves tonight for ten days' ducking excursion north of Dunning. Mr. Gillan has a rancher friend out there.

## Eskimo Boy Named For Woodrow Wilson

WASHINGTON, Sept. 20.—Of the many children named after President Woodrow Wilson, probably none can boast the hardihood of a little Eskimo boy, who was carried a mile in a temperature of 30 degrees below zero, to be christened.  
Rev. Dr. Charles L. Thomsen, secretary of the Board of Home Missions of the Presbyterian church, wrote in a letter received by President Wilson today that "A baby endowed with that name who at two weeks of age could stand such a trip should do well in the world."  
Mr. Thomsen enclosed a report from Rev. D. W. Cram at Fair Barrow, Alaska, the most northern mission of the church, in which Dr. Cram wrote:  
"Doubtless there are many other little Woodrows scattered throughout the country by this time, but if this one at the farthest north doesn't hold the record for the earliest public christening, climatic conditions taken into account, I am very much mistaken."

## Creighton High is Preparing to Be Ready for Comers

Creighton High school took the field during the past week and is making preparations for a ball machine to uphold the athletic prowess of the students of that department in the college game. Sidney Foley of Omaha has been selected as coach by the athletic board, and took charge of the squad Friday.  
During the earlier part of the week Bill Brennan of the varsity had charge of the high school boys and drilled them in the rudiments. When Foley took charge the men were prepared for light signal work and he immediately began teaching them plays for their first game next Saturday with Omaha High. Although the time is short Foley hopes to get the youngsters into shape, for this battle.  
The material this season is much better and there is a much larger number of candidates, and if enthusiasm and hard work count for aught, the prep students will pile up a string of victories.  
There are forty candidates in the field, among them Hellenar, Durhurst, Langdon, Franklin, Masser, Connors and Kane. All cops of last year's machine. Reifenscheid, who acted as captain of the squad, while Langton will attend to the duties of manager. Kane, star of the team, who played quarter last season; McCarthy, ex captain, and Powers, now on the varsity squad, are among the missing, but Foley expects to develop equally good men.  
Franko, Gronowey, Carroll, Powers and Harko are likely looking men for places on the team. Franko and Carroll are center, Gronowey and Carroll are quarter, Bowers and Harko in the outside, McCarthy looks like a good man at guard.  
The tentative schedule includes games with Council Bluffs High, the Nebraska School for the Deaf, Nebraska City High and Omaha High.  
The game with Omaha High will be played on the Creighton field next Saturday afternoon. This will be the second meeting of the two teams, Creighton having won a score last year and holding it to a score of 12 to Omaha hopes to register a victory this year.

## Sulzer Denies that He Recognized Glynn as Chief Executive

ALBANY, N. Y., Sept. 20.—Governor Sulzer denied today that he had recognized the right of Lieutenant Governor Glynn to perform the duties of acting governor.  
Governor Sulzer's action yesterday in transferring certain criminal business to the attention of Mr. Glynn, said his counsel, had no bearing on the question of Sulzer's present status.  
The statement of Mr. Taylor that Governor Sulzer had not recognized Mr. Glynn came as a great surprise to the office of the acting governor. With the receipt of the communication from the governor's secretary it was believed right of Mr. Glynn to exercise the functions of governor had been recognized.  
During this morning Executive Legal Assistant Owen L. Potter, thinking Mr. Glynn had been recognized, offered his services to the acting governor. Other attaches signified their willingness to take orders from Mr. Glynn.

## Girls Rescued from Burning Building

ST. PAUL, Minn., Sept. 20.—Fire caused by spontaneous combustion in the basement of the Louis F. Dew building today threatened the destruction of the structure. The janitor was burned, probably fatally, fighting the fire, which swept up the elevator shaft. Forty-five girl employees were helped down fire escapes and ladders by the firemen. It was declared that all the 20 employees had been accounted for.

## ITALIANS CELEBRATE THE CAPTURE OF ROME

ROME, Sept. 20.—An imposing demonstration in which about 20,000 people, including many red shirted Garibaldians and other veterans took part was held today in celebration of the capture of Rome by the Italian troops in 1870. A procession was formed and marched to the breach in the wall, by which the Italians entered. There the manifestants were met by the mayor of Rome, Ernest Nathan, who read a message from King Victor Emmanuel in reply to greetings sent by the municipality. His majesty telegraphed:  
"The virtue of the Italian people and the valor of the army have made Libya, Italy now calls for the first time all its children to the polls, including even the illiterate."  
The royal message was greeted with an outburst of enthusiasm, which is regarded by the authorities as very significant after the recent clerical and anticlerical disturbances.  
Chappell Business House Burned.  
CHAPPELL, Neb., Sept. 20.—(Special)—The Chappell Drug company's store building was discovered on fire this evening about 10:30, and it is thought that it originated from spontaneous combustion from oil in the cellar. This store is located in a frame row, and for awhile there promised to be a very costly fire for Chappell. It being the first fire here in twenty years. The volunteer fire brigade did good service and with the assistance of the waterworks men had the fire under control and extinguished before any great amount of damage was done to the building. The stock was saved entirely ruined by water. The loss will probably total about \$10,000, fully covered by insurance.

## STRIKE ON RAILROADS IN ENGLAND IS SETTLED

LONDON, Sept. 20.—The strike of the railroad men in the British Isles was ended today. Officials of the companies reached an agreement with the representatives of the men's unions on the basis of the reinstatement of all strikers, who agree to handle all the traffic, which the railroads are bound to carry under the law. Indications also point to a settlement of the motor omnibus trouble on Monday.

## Women's Federation Will Not Recognize Mrs. Pankhurst

NIAGARA FALLS, Ont., Sept. 20.—The Federation of Women's Clubs of America will give no official recognition to Mrs. Pankhurst, the militant British suffragist, when she arrives in the United States. This assertion was made today by Mrs. C. H. McMahon of the executive board of the federation, which is now in session here. She is a voter in the state of Utah.  
"We don't believe in militant methods to gain the ballot," said Mrs. McMahon, "but we do believe in political equality and we sincerely hope the day will come when all women in the United States will have the privilege of the ballot on an equal footing with the men."

## QUESTION IOWA PHONE RIGHT

Suit Brought Before Judge Dudley on Demurrer of City.  
FRANCHISE IN DES MOINES  
Controversy Arises Whether Streets of City May Be Classified Same as Highways of State on Which Line Operates.

(From a Staff Correspondent.)  
DES MOINES, Sept. 20.—(Special Telegram)—The first steps in determining whether the Iowa Telephone company has a right to operate in Des Moines without a franchise granted by the people were taken up today in district court. Arguments were heard by Judge Dudley on a demurrer filed by the city.  
W. T. Shaver appears as plaintiff in the action. He says the Iowa Telephone company has no franchise and is not entitled to operate in Des Moines without one. The company contends it has a right to use the streets of the city and is given this right by the state legislature, which allows it to erect poles on public highways.  
The company is also relying on a ruling of the supreme court, which has held that a street is a highway and that the law that gives it the right to erect poles on highways therefore gives it the right to erect them on city streets.

## AMES ROPESTER ENTHUSIASTIC

Squad Said to Be Most Formidable in History of School.  
AMES, Ia., Sept. 20.—(Special)—Ames looks up like a colossus on the 1913 Missouri Valley conference gridiron. The toughest-looking foot ball schedule an Iowa state college coach ever had is confronted by the most formidable-looking foot ball squad an Iowa state college coach ever had to work with. Ames foot ball hopes are as bold as aerobics this fall.

## FINE FIELD OF HORSES AT TECUMSEH RACES

TECUMSEH, Neb., Sept. 20.—(Special)—The program of the third day of the Northeast Kansas and Southeast Nebraska racing circuit, in connection with the Johnson county fair, had to be declared off here Friday owing to rain, the horsesmen leaving for Hiawatha, Kan., where the races in this circuit will be held next week.  
The string of horses which raced here this week was the best ever on this track, and by horsemen said to be the best ever brought together in Nebraska on a half mile track. There were thirty-six harness horses and a number of gallopers, representing some of the best racing blood in the middle west.  
The exhibits at the fair were not as good as in some years past, but were much better than would naturally be expected in a year of dry weather. Corn almost as good as ever shown was on exhibition, but of course this was secured from some late lowland fields and will be quite the exception this year. The county educational exhibit was splendid.
