LINCOLN, Neb., Oct. 11.—(Special).—The sixteen University of Nebraska students who were awarded places last Thursday in the Intercollegiate Debate Seminary by Dean W. G. Hastings, Prof. J. M. Moxey, Prof. G. O. Virtue, Prof. G. A. Stephens and Prof. George N. Foster, began preparations yesterday for the university's two-annual intercollegiate forensic contests—with Minnesota at Lincoln and with Iowa at Iowa City on December 19 on the proposition that "Immigration into this country should be further restricted by means of a literary test."

Iowa picked its team last May. Nebraska will pick hers in November from the members of the seminary.

Of the sixteen winners of the honor of membership in the seminary six were valedictorians of their high school classes and two are members of Phi Beta Kappa, the honorary scholarship fraternity. Lincoln High school has three representatives, Sargent has two, Omaha has one.

Lutherans Discuss School Finances and Mission Work

WACO, Neb., Oct. 11.—(Special).—On the second day of the annual sessions of the Nebraska district of Lutheran Missions Rev. E. Eckhardt of Battle Creek lectured on the financial system of this church body, showing the needs of the Nebraska district in particular and of the other twenty-two districts of the joint synod in general.

As the fourteen seminaries and colleges of the synod furnish rooms and tuition free to their students the fund for this purpose requires \$200,000 annually. All missions, home and foreign, of the general body require \$1,000,000 annually. For storm and flood relief of Nebraska, Ohio and Indiana over \$60,000 was contributed to the general fund of the synod; \$10,000 of this amount was raised within Nebraska. The latter's home mission fund carries an annual budget of \$2,000. The total annual running expenses of the general body are \$2,500,000 besides the expenses of each one of the twenty-three districts.

Prof. Weiler, director of the Lutheran Teachers' seminary at Seward, reported on conditions there as most favorable and nearly ideal for the training of teachers and for Christian education.

Rev. F. Pfaffenhauser of Chicago, president of the joint synod, reported that over 1,500 students are preparing for the ministry or the vocation of teachers in the fourteen synodical institutions, and are instructed by 100 professors.

In the home mission fields 60 workers care for 1,000 congregations and mission posts. The English work is pushed aggressively, all graduates preaching in English as well as in German. Besides this the gospel is preached in fourteen languages through the efforts of Missouri synod in this country. Also deaf-mute, colored, immigrant, foreign missions are supported by its members, also home missions in Brazil, Argentina, Uruguay, New Zealand, Australia, Germany, London and Canada. The active interest of the lay delegates and the mission festival here next Sunday are special features of this convention.

WIFE OF BISHOP OLDHAM SPEAKS AT BEATRICE

BEATRICE, Neb., Oct. 11.—(Special).—The number of delegates in attendance at the Topeka branch convention of the Woman's Foreign Missionary society of the Methodist church was increased to nearly 300 Friday. The principal speakers were Miss Amy Holland, a missionary from India, and Mrs. Platt of Wichita, Kan. At the close of the afternoon session the delegates were given automobile rides about the city.

The program in the evening was in charge of the young people's department, with Mrs. Freeman of Kansas City, Kan. in charge. A playlet, "Voices of a Women," the purpose of which was to bring out attention to the eagerness of the heathen women for the gospel, and the duty of the more fortunately situated to help send it to them, was given.

Mrs. Oldham of New York, wife of Bishop Oldham, gave an address on the subject of "Young Womanhood in India." The birth of a girl is regarded as a calamity by a family in India, and the child is soon disposed of as a wife.

NEW YORK MAN ASKS ABOUT ESTATE OF JOHN O'CONNOR

BEATRICE, Neb., Oct. 11.—(Special).—Dennis Connor of New York has written County Clerk Peurdek asking for information in regard to the estate of the late John O'Connor of Hastings, who died at that place leaving a large estate with no known heirs. Mr. Connor stated that his mother had a brother by the name of John O'Connor, who left a little town in Massachusetts about fifty years ago. Later he learned that he had been in trouble in California, and had left for Nebraska. Since then they have received no word from him. Mr. O'Connor, who died recently at Hastings, left an estate valued at \$100,000, and numerous people have been at Hastings in the hope of establishing some claim to the estate.

No-Score Game at Oxford.

OXFORD, Neb., Oct. 11.—(Special).—In a well played game of football, the Oxford High school team and the McCook High school team tied by a score of 0 to 0.

The two teams were very evenly matched and both played well. Both teams used the punt often, Oxford being slightly superior in this, and also the forward pass. Oxford also made some good gains on line bucks and end runs. This is the third game Oxford has played, having lost one and won one before. The next game will be with Cambridge at Cambridge October 24 or 25.

Falls City Team Wins.

PAWNEE CITY, Neb., Oct. 11.—(Special).—The last base ball game of the season to be held on the home grounds was played this afternoon between the Pawnee City High school ball team and a team from the Falls City High school, the visitors winning by a score of 11 to 7. Further Details of Damage by Storm in Custer County

of its path was from a quarter to three-quarters of a mile. The damage done from Gothenburg to Buffalo falls, some fifteen miles south of Callaway, cannot at this time be learned. At the edge of Buffalo falls it is reported that the buildings of a Mr. Bookstool were entirely blown away, as were also buildings of a Mr. Hel-nuth. A late report last evening stated that one person was badly injured at one of these places. At the Leslie Johnson place, about seven miles southeast of Callaway, all of the buildings were blown away, and the family saved themselves by running to a nearby canyon when they saw the storm approaching.

At the place of ex-County Surveyor Van Antwerp, just south of Leola, all buildings except the barn and dwelling were wrecked, and the windows were nearly all blown out of the dwelling. Sixty-five acres of shookey corn was blown away, as was also several stacks of alfalfa. At the Ed Nicholson home some ten miles east of Callaway, one of the finest orchards in Custer county, was entirely ruined by the trees being twisted and uprooted. Here a valuable race horse was picked up and carried for a distance of a mile and a half. When found its leg was broken and it had to be killed. Another horse was also found with its leg and hip broken and it had to be killed

also. Where this animal came from or to whom it belonged is not known. News Notes of Edgar. EDGAR, Neb., Oct. 11.—(Special).—Mrs. C. F. Glazier died at the Lincoln sanitarium of Bright's disease last Monday afternoon. The body was buried in the Edgar cemetery after a funeral ceremony at the home. Dr. Anderson reported a case of scarlet fever south of town early this week. It was the eldest child of Mr. and Mrs. Jay. The Burlington oil house, containing several barrels of engine and signal oil, caught fire Monday and, owing to the fact that it is outside of the limit of the fire hose, nothing could be done to save it. MRS. M. A. PIKE ASPHYXIATED IN HER HOME AT ALBION. ALBION, Neb., Oct. 11.—(Special Telegram).—Mrs. M. A. Pike, aged 25, was found dead in her home here last evening by her son, S. V. Parrott.
