A Difficult Approach

Mrs. E. V. Arnold on Left, Mrs. W. G. Silver on Right.

THE Omaha Women's Golf club has started auspiciously with fifty active members, all of whom are golf enthusiasts, and who represent the different country clubs of the city. Mrs. F. J. Despecher was elected the first president of this association and Mrs. Daniel L. Dougherty the secretary and treasurer, and both were active in starting this desirable organization.

Some interesting local tournaments will be held and after some of the players have proved their metal they will represent the Omaha Women's Golf club at Sioux City and other neighboring clubs. It is planned to have a tournament with the Sioux City Women's Golf club some time next spring, and it is probable that most of the local players will be needed, as the Sioux City association has 117 members, but not all are active members, as in the case of the Omaha Golf club.

The club was entertained at the Council Bluffs Rowing association Friday, when Mrs. F. J. Despecher was hostess. The next meeting will be Friday at Happy Hollow, when many of the members plan to spend the entire day playing golf, while others will spend only part of the day. The following Friday the club will play the Field club course. A week ago the club met at the Country club, with Miss Kimball as hostess. Miss Kimball offered a trophy for a putting and approaching contest, which was won by Mrs. Bruce Moffatt, who has recently come to Omaha from Kansas City to reside. Among the players from this club who have played

in large tournaments in other cities are Mrs. E. H. Sprague, Mrs. Bruce Moffatt, Mrs. W. T. Burns and Miss Kimball. The members of the club include:
