By FRED S. HUNTER. LINCOLN, Neb., Oct. 18.—(Special Telegram.)—Early this morning the last solitary cloud disappeared and a clear sky broke over Nebraska field to bring the stinging of the first Minnesota gridiron battle in Lincoln in thirteen years. Both Minnesota and Nebraska were in fine shape for the big contest with no crannies on either team.

All of Minnesota's twenty-five warriors were ready to enter the crucial contest, but Cameron and Shields, two of the Cornhuskers' best linemen, have only been in foot ball two or three days since their recent injuries. The coaches of both teams held short conferences with their men and offered plenty of counsel and some scolding. A small army of assistant graduate coaches were on hand to assist Stiehm in whipping the powerful Cornhusker machine into shape.

Each individual player has his own coach to show the boys how to beat the hated Gophers. Among the old graduate coaches who returned to assist Stiehm were Harvey, Westover, Temple and Hornberger, in addition to Dudley, the regular assistant coach.

Game Starts at 2:45. At the last minute it was decided to start the big battle at 2:45 instead of 3 o'clock. Coach Williams desired to start at 2:30 o'clock in order to allow sufficient time for his team to catch the 6 o'clock train, but Stiehm refused to call the game before 2:45 o'clock because the big Omaha delegation was not scheduled to arrive before 1:45 o'clock. The minute the gates were opened at 1:15 o'clock the immense crowds that have been waiting patiently swarmed into the stands and by 2 o'clock it appeared as if every available seat was taken, but several hundred more squeezed into standing room before the game started. Over 11,000 people crowded the huge stands to see the biggest game of the year. Enthusiasm ran high among the rosters. Billy Kavan, an Omaha boy, led the Nebraska section while Ralph Johnson, all decked out in white pants and a red and gold blazer, supervised the efforts of the 220 faithful Gopher supporters.

The big university band of seventy pieces furnished brass harmony for the occasion, while the South Omaha band instilled enthusiasm into the Omaha bunch. Promptly at 2:30 o'clock the Nebraska team entered the field and was followed a second later by the Minnesota delegation. The teams ran through their signals for several minutes and then congregated in a bunch to listen to the last few words of advice from the mentors.

Gophers Win Toss. Minnesota won the toss at 2:45 and chose to receive the ball at the east side in order to overcome the disadvantage of the sun, which blinds the players when it sets later in the afternoon in the west. The game started fast and snappy, with both teams fighting hard and consistently. Minnesota worked the shift and line backs almost exclusively in the first quarter and marched the ball down the field to the three-yard line, but Nebraska held and Howard kicked fifty yards into safe territory. Nebraska did little beyond kick to safety in the first quarter, and it appeared as though Minnesota had the speediest offensive team. Rutherford

GOPHERS RETURNED LOSERS Victory of 1892 is Duplicated by the Cornhusker Squad.

WARRIORS NOW OWN THE TOWN Dr. Williams Said He Had Not Expected Defeat—Stiehm is Too Happy to Talk—Forward Pass Effective.

By JAMES E. LAWRENCE. LINCOLN, Oct. 18.—(Special Telegram.)—Nebraska triumphed over the mighty Gophers here this afternoon by a single touchdown and goal, 7 to 0, duplicating the memorable victory of 1892. The Cornhuskers outkicked, outgamed and outplayed Dr. Williams' pupils, except for a few minutes at the opening of the game, when the Gophers by a series of line plunges carried the ball to Nebraska's three-yard line.

Then the Cornhuskers' defense stiffened superbly and three times the Gopher backs were hurled back and Nebraska secured the ball. With Howard standing back of his own goal posts, he pointed out of danger to the center of the field and Beck nailed the runner in his tracks. With the score standing 7 to 0 against them, the stalwart Gophers made one final bid to score. Seizing the ball in the center of the field, Shaughnessy plunged through the line until he had placed the ball on Nebraska's three-yard line. The Minnesota offense crumbled, the ball was fumbled and Halligan, who saved the day on three occasions by his recovery on punts, dropped on the ball. Howard went back to his post to punt. The pass was low on the ground and Howard could do nothing more than to boot it on the ground. Halligan again flashed by and recovered the faulty punt on Nebraska's fifteen-yard line.

The referee's final whistle saved the rosters further agony. First Half Even. For the first half of the game the teams battled on even terms. Recovering from their first few minutes of nervousness, the Nebraska linemen fought like demons and spilled Williams' pet formations before they had time to form in deadly expedition. The strength of the Nebraska defense took Minnesota by surprise and paved the way for a number of costly misplay which led to a Cornhusker victory.

The third quarter brought on an exchange of punts and the ball was finally put into play in Minnesota's territory. Nebraska's line withstood the onslaughts of the Gopher backs twice, then a forward pass was spoiled by Rutherford. On the fourth down Minnesota attempted to punt, but the ball sailed high above Tolleson's head and Halligan had recovered it.

MORMON ELEVEN BEATS COLORADO COLLEGE TEAM

COLORADO SPRINGS, Colo., Oct. 18.—The University of Utah defeated Colorado college here this afternoon in a fiercely contested game by a score of 7 to 6. Travers, the Mormon fullback, tried a punt which was fumbled by Balch, after six minutes of play, Utah kicked goal. At the latter part of the quarter, after the ball had been rushed by the Tigers to Utah's ten-yard line, Bowers caught a forward pass and went over for a touchdown. Kramer missed the goal, leaving the score 7 to 6 in favor of Utah. The remainder of the game was marked by hard playing by both teams, which appeared to be evenly matched, but no further scores were made.

TIGERS BLANK SYRACUSE

Princeton's Aggressive Play Scores Thirteen Points to Nothing.

CASTLE'S PUNTING STRONG Average is from Five to Ten Yards Better Than that of Baker for Princeton—Penalties Are Frequent.

PRINCETON, N. J., Oct. 18.—Syracuse proved to be a good defensive eleven against Princeton today, but poor on the aggressive, and Princeton won a 13 to 0 victory over the New York state team. The visitors showed a healthy mixture of trick plays, but the team failed to put most of them into action against the Tigers for consecutive gains. Castle's average punting for Syracuse was five to ten yards better than that of H. Baker for Princeton. The Princeton attack was based upon Streit's line plunging, which was above his standard today. H. Baker's open field running and a few forward passes, most of which failed. Lambertson and Brown, at ends or Princeton, covered the punts perfectly. Streit scored both touchdowns. Frequent penalties, in which Princeton was the offender more often than Syracuse, robbed Princeton of two touchdowns. The ball was brought back on the field for a pounce the Tigers had carried it across in two instances because of illegal work by the Princeton players.

MAROONS BEAT IOWA ELEVEN

Hawkeyes Show Strength, Holding Chicago in Last Half.

SCORE, TWENTY-THREE TO SIX Gray Star for Midway Aggregation, Scoring Two Touchdowns, While Gross, Substitute Quarter, Shines for Lakers.

CHICAGO, Oct. 18.—Chicago beat Iowa in their annual game, 23 to 6, here this afternoon. The game was played for the biggest crowd that ever witnessed a battle between the two teams. Iowa showed unexpected strength and after the first half held Chicago on even terms. Gray was the star for the Maroons, scoring two of the touchdowns. Captain Norgren and Fullback Pierce also showed well in the struggle, making consistent gains through the visitors' line. Chicago relied on straight foot ball for its victory. Only three times forward passes were resorted to.

QUAKERS BLAN KBROWN TEAM

Pennsylvania Victorious on Franklin Field, Twenty-Eight to Nothing.

SCORES EARLY IN FIRST PERIOD Ball Worked Down to Opponents' Twelve-Yard Line on Fake Forward Pass, Minds to Marshall.

PHILADELPHIA, Oct. 18.—Reversing the results of their two previous contests, Pennsylvania defeated the Brown foot ball team on Franklin field today by 28 to 0. The home eleven outlasted the Providence team in all departments of the game. Pennsylvania scored early in the first period. The ball was worked down to Brown's twelve-yard line, where on a fake forward pass Minds handed it to Marshall, who ran for a touchdown before Brown could fathom the play. The second touchdown also came in the first period. Captain Young going around Brown's right end for the score after Pennsylvania had carried the ball almost to the goal line.

HARVARD GOAL LINE CROSSED

Crimson Suffers Indignity First Time This Season.

HOLY CROSS ELEVEN DOES IT Visiting Aggregation Defeated by Score of 47 to 7—Frequent Changes in Lineup of Both Teams.

CAMBRIDGE, Mass., Oct. 18.—For the first time this year a foot ball foe crossed the Harvard goal line today, but while the Holy Cross team accomplished this feat, through a muffed punt, they were overwhelmed by 47 to 7. The game was scarcely a minute old when Freedley let a Holy Cross punt go through his fingers. Donovan, the Holy Cross full back, gathered up the ball and dashed across the line. Brawley kicked an easy goal. For the remainder of the game the visiting line was ripped open, circled and overpowered by the Harvard backs.

Mahan kicked two goals from the field, one from the fifteen-yard line and the other from the thirty-five-yard line. Toward the last of the game Hardwick made two runs of forty-five and twenty-five yards each and Colledge followed by taking a well thrown forward pass for a touchdown.

Holy Cross had a fine chance for three more points by capturing the ball on the twenty-five-yard line on another Freedley miff, but the goal from placement went wide. The Harvard team showed more dash and foot ball knowledge than in any previous game this season, and while Freedley proved an uncertain factor in the back field, he seemed to instill plenty of life into the play.

Both teams made frequent changes in the lineup. Three Holy Cross players were so badly used that they had to be carried from the field. Line up and summary: HARVARD: O'Brien, L.E. ASSISTANT COACH OF THE CORNHUSKERS

In the last half, both teams played a more open game, and play was in Marquette territory. Once Creighton carried the ball to the Marquette three-yard line, only to be held for down. For Marquette the splendid line plunging of Doyle, Prescott, Wahler, and Vater gave the Creighton roster a thrill. Prescott's punts were high and far. For Creighton, the work of Morey Miller once again displayed excellent judgment, tackled brilliantly, and tore off spectacular runs. The tackling of Schowalter, Brennan, Black, Coady, and the line plunging of McCarthy, pleased Creighton rosters.

First Score by Walworth

Before the game began, 1,000 Creighton students, who had previously paraded the business district, filed onto the field, gave their yells, and stood with bared heads, while a funeral dirge was played over a mook casket draped with the Blue and Gold of Marquette.

Walworth opened the game, kicking north to Doyle. On the first play, Marquette fumbled, and a Creighton man was on the ball. Young, a tackle, playing his first game in two years, ploughed through the line for twenty yards, almost breaking the way. Young's work was good, but he was taken out in the last quarter, after having been kicked in the head.

Creighton at once carried the pignak to the Marquette danger zone, and Walworth made the first score, by drop kicking from the seventeen-yard line. Soon after Walworth repeated his performance from the twenty-five-yard line, after having one attempt blocked. Marquette carried the ball steadily up the field on plunges by Doyle, Wahler and Prescott. Not a pass was tried, and the quarter ended with the ball in

CREIGHTON VICTOR IN LAST MOMENTS

Spectacular Run by Walworth, Right Halfback, Defeats Marquette's Strong Eleven.

THIRTEEN TO SIX FINAL SCORE Tied Score Changed with Only Three Minutes Left to Play.

GAME HARD FOUGHT STRUGGLE Losing Team Held Wisconsin's Machine to Eleven Points.

NE WPUNTER'S WORK IS GOOD Walworth Makes Two Drop Kicks and Unexpected Touchdowns, and Miller Kicks Goal—Two Straight for Locals.

A spectacular run through a broken field by Walworth, the sturdy right halfback of the Creighton eleven, turned a tied score into a victory for the Blue and White yesterday, and Creighton beat Marquette, 13 to 6.

With but three minutes to play in the last quarter and the crowd awaiting the whistle blown, even with a draw, with the team which held Wisconsin to thirteen points, Walworth took the ball on his own thirty-yard line, darted around his own left end, aided by splendid interference by Coady and Miller, sped down the left side line, circled into the midfield, and single handed eluded the eager Marquette tackles who lunged at him. He placed the ball down square behind the crossbar, and Miller kicked goal a moment later.

Walworth was the bright star of the entire game. He was chosen to do the punting by Coach Miller, who has been developing him to take the place of Jap Tammen, the renowned drop-kicker of last year. It was his good right toe that enabled Creighton to score its other six points, for he booted two perfect dropkicks, one from the fifteen-yard line and the other from the twenty-five-yard line. The first came after but three and one-half minutes' play in the first quarter, while the second followed six minutes later. Walworth also did well in carrying the ball, ripping and fighting his way through the Marquette line for big gains. On the defense he backed up the line in fierce style.

Second Creighton Victory

This is the second successive game in which Creighton has defeated Marquette, last year's contest being won by a score of 20 to 6. The two previous engagements, Marquette was victor. It was a recent defensive work and the ability to peg over the final punch when needed made Creighton a victor. Time and again, in the first quarter, was the Blue and White line endangered by the Northerners. The line, which was reputed weak, held when danger neared, and Marquette could not carry the pignak across. Both teams stuck to straight foot ball in the first half, the visitors apparently confident of winning, while Coach Miller held his new plays in reserve. Marquette proved the better ground gainer in the period, and by the use of close formations and shifts, carried the ball for substantial distances. They were guilty of repeated fumbles, however, and could not crush the Creighton forwards. Fumbles recovered by Creighton men twice put Creighton in striking distance in the first quarter, and each time Walworth booted a dropkick.

In the last half, both teams played a more open game, and play was in Marquette territory. Once Creighton carried the ball to the Marquette three-yard line, only to be held for down. For Marquette the splendid line plunging of Doyle, Prescott, Wahler, and Vater gave the Creighton roster a thrill. Prescott's punts were high and far.
