# Filings Are Under Different Classes

The lands on the Fort Niobrara millitary reservation at Valentine come under two classifications when it comes to the fillings. The land north of the Niobrara river, known as the hard land, will be subject to entry under the 189 acre home stead law, and that south, under the to the Northwestern railroad and can only be reached by that line.

The 160 acre tracts will be appraised by the government and the appraised price paid by the applicants holding the winning numbers, these payments to be made in three installments. The first payment is made when the land is filed upon, the second two years later and the third at the end of the following year.
