

HASKELL MAY PROTEST ROSS

Indians Are Declared to Be Drawing the Color Line.

KENNEDY LOOKS FOR VICTORY

Coach of Redskins, After Witnessing Open Play of Nebraska, Says Indians Are Better at It.

LINCOLN, Neb., Oct. 23.—(Special.)—Coach Bert Kennedy of the Haskell Indians is planning to spring one which will show up his former proteges, the University of Kansas. Kennedy was replaced at Kansas by Arthur St. Ledger Moss, who assisted the fony leader of the Haskell Indians when the latter was in charge of the Jayhawkers. Kennedy has not forgiven the Jayhawkers and he plans on humiliating them.

According to word which reached Lincoln, Kennedy will join Kansas in protesting on the playing of Clint Ross, the big colored guard of the Cornhuskers. Kennedy's protest on behalf of the Indians is based on the color line.

It is a good joke and no one believes Kennedy would push the matter, but Kansas cannot fail to see the humor of the situation.

Kennedy seems confident of defeating the Cornhuskers. The Haskell mentor is not given to talking before games, but after witnessing the Minnesota battle last Saturday he declared the Indians would win. He bases his prediction on the belief that the game will be entirely open play and he says the Indians have it on the Cornhuskers in this end of football.

The Haskell Indians arrive in Lincoln tomorrow. Steinhilber has been giving his squad a brisk workout all week and every member is in splendid condition.

Last night the workout was against the Aggies team at the state farm, but the variety was able to type off touchdown after touchdown against the entire squad of thirty at the farm. The variety was then sent against a mixed team picked from the freshmen and reserves and a hot scrimmage for over an hour resulted decidedly in favor of the regulars.

The officials were agreed upon today for the Haskell game, including J. C. Steiner of the Kansas City Athletic club as referee; Johnny McOvorn, the former Minnesota star, as umpire, and G. A. McElrath, a Kansas City newspaper writer, as head linesman.

Murphy Denies that He Traded Off Bresnahan

CINCINNATI, O., Oct. 23.—President Charles W. Murphy of the Chicago Nationals, who is in Cincinnati, denied today that Roger Bresnahan had been traded to Brooklyn and would succeed William Dahlen as manager of that club. Murphy said there was absolutely no truth in the report.

CHICAGO, Oct. 23.—Because President Murphy of the Chicago Nationals could not be found today the story that Roger Bresnahan would be traded to Brooklyn to succeed Dahlen as manager could be neither confirmed nor denied. At the club office it was said that no trade involving Bresnahan or anyone else, in fact, was being considered. Rumor of the deal did not hint at what players or what other considerations the Chicago club was to receive for the catcher.

Bresnahan was signed as second catcher last winter, but took part in comparatively few games. His salary, reported to be \$10,000 annually, is considered by the club. It is said, too high for the services he rendered the team. Reports last summer of discord on the team when it was suffering from a losing streak included Bresnahan as leader of a small faction that was opposing Evers, but that as the season drew to a close relations between the two seemed friendly. President Ebbets of Brooklyn is on cordial terms with Murphy, and the latter, according to one story, may be seeking to strengthen his position in the coming National League meeting by selling Bresnahan to Brooklyn in exchange for Ebbets' further support there.

Evers' success as manager did away with one reason for Bresnahan's retention, it is stated, and he is credited that the latter was held in reserve to take the leadership in case the former failed.

University of Omaha Ready to Play Cotner

The University of Omaha football team will leave today over the Burlington to play Cotner university at Bethany Heights. Coach Morganthaler has put the team through the hardest week's practice of the season and is confident of holding Cotner to a close game. Last Friday Bellevue college defeated Cotner in a hard fought game by the score of 18 to 7, and Morganthaler is in hopes of repeating the same trick. The husky coach has been drilling his men in several new trick plays and formations, but does not expect to use them against Cotner.

The coach will give the team only light practice Thursday evening for fear of injuring some of the players before the game. Besides the coach and manager the following players will go along: Boyd Farish, P. Selby (captain), Gardner, Jorgensen, J. Selby, Slotky, Rhodes, Regeve, Rosen, Jenkins, Westerfield, McLafferty, Haaker, Parsons and Paisley. Some of the students plan on taking the trip with the team.

Giants Defeat White Sox at Sioux City

SIoux CITY, Ia., Oct. 23.—The Chicago White Sox and the New York Giants, on their tour of the world, clashed in a game at Riverside park today, the Giants winning, 6 to 2. Frazee and Scott pitched, both being touched up in lively fashion. It was an ideal fall day, the thermometer registering around 70 with the sky clear. A large crowd saw the game. Score: R.H.E. Giants 6 2 0 0 2 0 3 7 4 12 1 Batteries: Chicago, Coot and Daley; New York, Frazee and Wingo.

DOANE LOSES HALF AND FINDS ANOTHER

CRISTE, Neb., Oct. 23.—(Special.)—Doane is again in trouble. Koster, the speedy right half, is unable to go into the game with Grand Island here Saturday. Koster is easily the fastest man on the team and the loss is keenly felt at this time. The injury he received in spraining his ankle in the game with Peru proved a bad one and it is thought he will not be in condition before the Wednesday game. Koster experienced a happy surprise last

night when Korman, last year's heavy end, showed up in uniform and ready to play. This perhaps solves the problem of a halfback to take Koster's place. Medlar will likely be shifted to half.

Fall of the Vale Defeats Hard Pine in a Pretty Race

WYMORE, Neb., Oct. 23.—Yesterday saw the finish of the first round in the national courseing future and the beginning of the second. It was hoped to finish the future this evening, but it may take a good part of tomorrow to come to the finish. A light rain last night put the track in better condition and today's events were fast. Decisions of the judge, P. J. Bresnahan, were objected to and he retired in favor of Fred Page of Friend, Neb., and Ray Virgin of Utes, Neb.

Interest today centered in the race between Missing Link, owned by Lynch & Hurst of Wyome, and Val Neversett, owned by E. M. Kellogg of Kansas. Missing Link won by a score of 8 to 4 and after three runs.

Another pretty race was between Fall of the Vale, owned by Stephens & Page, and Hard Pine, owned by Stephens & Page. Fall of the Vale won by 1 to 2.

Missing Link and Fall of the Vale are picked by courseing experts as likely candidates for the finals. Other prima favorites in the racing are Flying Footsteps, entered by William J. Matthews; Colonial Boy, by McKellop, Curran & Brown; Wandering Tom, by T. W. Quirk; Sweet Dreams, by Johnson & Turner; and The Peewees, by H. L. Salisbury.

The jackrabbits today showed much speed and cunning, and escaped the bounds in most instances on straight-away runs.

Following the future the national and all-age stakes will be called and are expected to occupy the remainder of the week.

EXCELSIORS AND THE ATHLETICS WILL MEET

The Excelsiors and Athletics, two of the strongest local amateur football teams, will meet at Florence park Sunday in what is expected to be one of the hardest fought games of the season.

Intense rivalry exists between these two teams, who have long yearned for each other's scalp, and the rivalry has been agitated by daily contact as the members of both teams reside in the same neighborhood.

Disapprove Base Ball and Other Pastimes on the Sabbath Day

The Omaha Woman's Christian Temperance union put its stamp of disapproval on Sunday base ball and entertainment of any kind on that day by a unanimous vote of the society at the home of Mrs. M. L. Stone Wednesday afternoon.

"Sabbath Observance" was the subject of the meeting, which was under the leadership of Mrs. Sarah Powell. The entire society protested against entertainment of any kind, saying that the authority for such a stand was taken from the Bible. Pleasure in worldly was the rest commanded by the Lord.

One of the active departments in the Woman's Christian Temperance union is the one in charge of the superintendent of Sabbath observance, and a paper along these lines was read by Mrs. Sarah Powell.

Mrs. Powell condemned the playing of Sunday base ball, saying that it had a bad moral effect on the community, as did all entertainments of any kind given on Sunday.

A complimentary vote was given the Presbyterian synod favoring the action which they had taken regarding the Sabbath as a holiday for the laborer.

WINCHESTER Rifle and Revolver Cartridges WIN U. S. GOVERNMENT ACCURACY TESTS

The U. S. Government experts, after a series of exhaustive tests, selected Winchester Rifle Cartridges for use by the picked riflemen of the World who are to compete in the International Matches of 1913. They also selected Winchester Revolver Cartridges, finding them the best ever tested under like conditions. All Winchester Cartridges are made by the same modern system, and of the same high grade materials as those which won the stamp of superiority from the U. S. Government experts. For that reason it pays to use Winchester cartridges in any make of rifle, revolver or pistol. Ask for Winchester make, the W brand, and the results will repay you for your trouble. They are Made By The Makers of Winchester Guns.
