RENTS REDUCED

We wish to announce that on November I there will be a big reduction in the rents of the Helen Apts. This building, which is just being completed, is located at 25th and Harney Sts. It is a fireproof building, being of reinforced concrete construction, and every care has been taken to make this a safe and homelike pince to live, and with this reduction it will be the most reasonable priced apartment house in the city. Building is open at all times and we invite your inspection. Man will be there today from I to \$130 o'clock. Don't fall to take advantage of this opportunity.
