

THOMAS TALKS BUT LITTLE

Storm Center at Kearney Mildly Discusses Situation.

PLEASED BY OTHERS' COMMENT

Expressions from Public and Private Sources Concerning Action of State Normal Board Are Most Complimentary.

(From a Staff Correspondent.)

LINCOLN, Oct. 26.—(Special.)—President A. O. Thomas, recently ordered to vacate as head of the Kearney Normal school, was in Lincoln last night and this morning went to Beatrice, where he spoke before the State Christian Endeavor union.

Dr. Thomas was the guest of the Lancaster Bar association last night at the annual dinner of that club given at the Linden hotel and was greeted on every hand with expressions of good will and regrets for the action of the board in his removal.

"I am feeling pretty good," said the president. "I tell you these expressions of good will and confidence are worth more to me than any position I might hold. Of course, I regret to leave the school, if I do have to go, but the success of the institution will always be very close to my heart and I hope it will continue to advance along the lines I have tried to make it move.

Not a Personal Affair. "I wish everybody to understand," said Dr. Thomas, "that this is not a personal affair, as far as I am concerned. I would not do anything to harm the progress of the school, and I certainly will not encourage anything that will tend to harm it. I am proud of the school, its students and its faculty."

Dr. Thomas said that his friends were pushing him for the presidency of the State Teachers' association, but he was not in the race from his own efforts.

"Since this matter of my removal from the school has come up I have been urged to allow my name to be used," said he, "but I cannot tell now. As far as eligibility is concerned, I have had an offer which will keep me in active school work if I desire to remain in, or I will not be to step out of the race because I am not engaged in school work."

Not Member of Club. Regarding the fight made against him by the Schoolmasters' club, Dr. Thomas said:

"I have never applied for membership in the Schoolmasters' club and have never asked anyone for the opportunity of joining. I have many good friends in the club and I might also say that I guess all my enemies belong to the club by appearance."

DEATH RECORD.

Mrs. Louis Utterbeck. TORJ, Neb., Oct. 26.—(Special.)—Ella Bullock-Utterbeck died Saturday morning. Besides the husband she leaves five children, all under 7 years. Funeral services will be held Monday at 1 o'clock at the Christian church.

HYMENEAL

Pittsford-Pogelstrom. WAHOO, Neb., Oct. 26.—(Special.)—The marriage of Dr. Pritchard of Omaha and Miss Ina Pogelstrom of this city will take place Wednesday at the bride's home.

A Great Mistake. It is to neglect a cold or cough. Dr. King's New Discovery cures them and may prevent consumption. 50c and \$1.00. For sale by your druggist.—Advertisement.

TORTURED BY UGLY ITCHING ERUPTION

Doctor Recommended Resinol. Half of a 50c Jar Cured It. Baltimore, Md.—"My little daughter was taken with a very small spot on the back of her hand. It grew larger and caused her more trouble. When she would scratch it, it would bleed and get very ugly looking, so I doctor'd it myself for about a year, and at last it broke out on both knees, and when she would go to bed she would scratch, and was so tortured and suffered so from the itching, that I took her to our doctor, who recommended Resinol Soap and Resinol Ointment.

Improved with first application. I sent for samples and after the first application the itching and inflammation was improved, and I kept it up night and morning, and by the time the sample was gone she complained very little, so I got a fifty-cent jar, and before that was half gone the trouble had entirely disappeared." (Signed) Mrs. Maude Schmechel, 2737 Presbury St., Nov. 5, 1912.

Nothing we can say of Resinol equals what others say as Mrs. Schmechel says of it. If you are suffering from itching, burning skin troubles, pimples, blackheads, dandruff, itches, boils, stings, horn corns, or piles, try Resinol Ointment and Resinol Soap. The nearest druggist sells them, or write to Dept. 26-B, Resinol, Baltimore, Md., for a free sample.

IN OMAHA TO ESTABLISH A HAYNES AGENCY

Fire Breaks Out in Central City Hotel While Guests Sleep

CENTRAL CITY, Neb., Oct. 26.—(Special Telegram.)—Fire broke out in the furnace room of the Haynes hotel at an early hour this morning doing damage to the office and furniture to the extent of \$4,000.

A Haynes proprietor of the hotel, was awakened by some one pounding on the office door. On coming from the upper floor where he was sleeping he was met by a large volume of smoke and flames. He immediately rushed to the telephone and the fire department soon had two streams of water playing on the building.

As soon as Hays had notified the central office of the fire he immediately awakened all the guests and in a very few minutes had the building cleared.

The fire originated from a defective smoke pipe directly under the office and it was thought for a time that the building would be gutted as a high wind was blowing.

All the floor flats under the office are nearly burned in two and this part of the hotel will have to be closed until repairs can be made. Hays expects to open the hotel in the morning from the other side of the building.

The loss is covered by insurance.

BOARD OF AGRICULTURE BUILDS FOR THE FUTURE

(From a Staff Correspondent.) LINCOLN, Oct. 26.—(Special.)—Since the state fair was temporarily located in Lincoln, the State Board of Agriculture has paid out in earnings in the way of permanent improvements approximately \$170,000. The property thus acquired now belongs to the people without 1 cent of expense to the taxpayers. During the year 1911 the State Board of Agriculture has paid for the following improvements out of the earnings:

Paving walls about machinery hall. Building the west bleachers. Laying stone walks. Excavating and filling draw on the new east tract and fencing said tract. Paving Seventeenth street north of the Burlington track. Sewers on Barker avenue and through center of machinery section. Two curbside of cinders for surfacing. Extra balcony in new agriculture-horticulture building.

This is a record that few state fair associations have equaled and attests the loyalty of Nebraskans to their big exposition.

HAYNES AGENCY IS TO BE ESTABLISHED HERE

George E. Strout, general sales manager of the Haynes Automobile company at Kokomo, Ind., will arrive in Omaha this morning preparatory to establishing a Nebraska distributor for the Haynes car. The Haynes has not been represented in Omaha or Nebraska for several years and it is the purpose of Mr. Strout to close the deal for the agency with some prominent distributor.

State Alfalfa Crop Big Item in Yield

(From a Staff Correspondent.) LINCOLN, Oct. 26.—(Special.)—The 1913 alfalfa crop is a material item in the prosperity of the state. According to the figures of the State Board of Agriculture, the value of the crop is \$21,396,451. The average is 970,985, and Nebraska is easily the second state in the union in acreage and in perhaps first in the number of tons produced. Including the counties where dry weather prevailed to such an extent the average yield in Nebraska is 3.57 tons to the acre for 1913, according to the tabulations.

Table showing alfalfa crop statistics by county, including acreage and value.

FIRES HAMPER RESCUE WORK Smolders Believed to Exist in Many of the Chambers.

HELMET MEN CONTINUE SEARCH Mine Officials Believe It Possible Bodies of Superintendent and Capitalist Among the Unidentified. DAWSON, N. M., Oct. 26.—Momentary menace of fire in the workings of mine No. 2 of the Stag Canon Fuel company tonight confronted the government and mine rescue officials. Two fires today hampered the rescue work and took the attention of helmet men until they finally were smothered. Tonight special helmet crews, fully equipped with mine fire fighting apparatus, are stationed at the main highlines, ready to respond instantly to the first report of fire. Smolders, due to the explosion in which 28 men lost their lives, are believed to exist in many of the chambers. These smolders, it is feared, will burst into flames as soon as enough oxygen has been forced into the workings to permit combustion.

Exploration work today and tonight developed the opinion that two distinct explosions occurred Wednesday. From indications within the mine it appears that the major and first explosion occurred in chamber eighteen or nineteen. At that point the fall of rock and timber is heaviest, and the bodies in those chambers have been found to be the most mutilated.

MAKING PLANS FOR STATE SUFFRAGETTE CONVENTION

(From a Staff Correspondent.) LINCOLN, Neb., Oct. 26.—(Special.)—General Nels Patrick Hansen, chief engineer of the male department of the woman suffrage campaign, is working like a Trojan these days in hopes to make a showing at the woman suffrage convention, which meets in Lincoln November 6 and 7, which will jar the hat feathers.

General Hansen has been working for the last month circulating petitions through an army of circulators getting names enough to give the people of the state a chance to vote on the question of woman suffrage. He expects to have 5,000 from Lancaster alone when it comes time to turn in the petitions.

News Notes of Plattsmouth. PLATTSMOUTH, Neb., Oct. 26.—(Special.)—The Cass County Sunday school convention closed its sessions last night at Union with the election of officers for the ensuing year: President, J. D. Cross; vice president, D. R. Franz; secretary-treasurer, Mrs. Charles Noyes. Louisville. The convention was one of the best that has been held in the county and was largely attended.

Culls from the Wire

Charles C. Millington, president of the Herkimer National bank, and a former congressman at Herkimer, N. Y., died yesterday.

Wahoo Notes.

Wahoo, Neb., Oct. 26.—(Special.)—The Swedish Lutherans have under consideration the building of a parsonage. The old building will be either sold or torn down.

Hor & Leitgob have begun the construction of a new brick building for their tailor business.

Wahoo will no doubt in a short time commence grading. It is understood two streets that are never used will be vacated. These streets contain a great quantity of gravel, which when mixed with gumbo soil will make the finest kind of paving.

Miss Emma A. Thorpe, a granddaughter of the post, Longfellow, was married yesterday to Robert W. Knowles of New Bedford, Mass., at Chicago, Mass.

One man was killed and three others injured yesterday when an automobile in which they were ascending from Sycamore to Chamberlain, struck a big and overturned.

Rubber loses its strength

Elastic hosiery and bandages are useless, unless the rubber is new and the pressure firm. We sell such a quantity of this class of goods that there is no possibility of our elastic hosiery and bandages becoming old. When you buy "Brace Knit" you buy the best made. Every piece of "Brace Knit" elastic hosiery and bandage is guaranteed.

"Brace Knit" Elastic Hosiery and Bandages are made of the highest quality of rubber and the best quality of linen and silk mesh.

What we wish to emphasize particularly is, that a bandage or elastic stocking is not only uncomfortable, but it is useless, unless it is properly fitted to you.

Our expert men and women fitters are always at your service. They are trained through handling hundreds of similar cases.

The W. G. Cleveland Co.

Surgical and Invalid Supplies, 1410-12 Harney St. Telephone Doug. 1155. "Buy your surgical supplies where your physician buys his."

KEEP CLEAN

Your employees will be influenced to keep their hands clean, if you give them an individual towel. Our Individual Towel case gives each person a fresh, clean towel. It is the sanitary way. The towels are kept free from dust in the case above.

It is the latest word on the "keep clean" subject. The cost is very small. Let us give you a trial price. Omaha Towel Supply, 307 So. 11th St., Phone Doug. 523.

INCOME TAX RULES ISSUE

(Continued from Page One) commissioner, and give bond. These licenses first receiving foreign items for collection will withhold the 1 per cent tax and endorse that fact to subsequent holders or purchasers with withholding the tax. Failure to obtain license or comply with the regulation is made punishable by a \$5,000 maximum fine or one year maximum imprisonment, or both.

Nonresident foreigners are not subject to taxation on income from interest-bearing bonds if they furnish proper certificates.

Causes of Insomnia

The most common cause of insomnia is disorders of the stomach and constipation. Chamberlain's Tablets correct these disorders and enable you to sleep. For sale by all druggists.—Advertisement.
