KEARNEY NORMAL DEFEATED

Grand Island Business College Lambasts the Teachers.

WINS BY NINETEEN TO SEVEN

Over-Confidence After Defeat of Denver University Set Into Slaughter.

KEARNEY, Neb., Nov. 3.—(Special Telegram.)—After a bar fight and interesting game, attended by a large body from the Grand Island school and the entire normal student body, the Kearney Normal team was defeated by the Grand Island Business college this afternoon with a final score of 19 to 7.

The touchdowns made by the Grand Island players were all made possible by the constant fumbling of the normal boys when their fake plays were broken up by the visitors.

Having the normal outclassed in today's game, the victory was easily won by the visitors who easily held the school teachers for downs.

The defeat of the Normal team puts a crimp in the championship ambitions of that institution. It is believed the beating of the Denver team last week made the boys a little over confident and they were prepared for the reception given them by the heavy squad of the business college.
