## CAPTAIN AND MATE OF BARK TIED IN BERTHS

LEWRS, Del. Nov. 10. The bark Mang Reva, which cleared from Philadelphia October 9 for San Francisco, returned to the Delaware breakwater today because the crew had mutinied, acording to Captain Townsend, commander of the vessel. Upon the arrival of the bark the captain asked for the assistance of the United States authorities.

When the bark arrived Captain Townsend sent a letter to the ship's agent here asking assistance. The letter did not give the cause of the mutiny, but the captain said he was Ill when the break came and that he and the mate were tied in their berths. They were tater released to pavigate the ship on a promise that they would return to the
