"It creates a single-handed administrative establishment instead of the five separate establishments seen in the Des Moines plan. This administrative unity makes for harmony between municipal departments, since all are subject to a

Serious Diseases Follow.

The kidneys get clogged up, the same as the howels do. Then they become sluggish, and only filter or strain out a part of the waste or poisonous matter, all the rest remaining in the blood and poisoning the system

As soon as you notice the first indications of backache, pains in the sides, or aches around the kidneys, or if the urine is light and pale, dark colored, loudy, thick, or has an offensive odor, burns, is scalding or irregular in passage, take a little Croxone three times a day and end these troubles before they become more serious.

There is no more effective ramedy known for the prompt relief and cure of kidney, bladder troubles and rheumatism, than Croxone. It soaks right into the kidneys through the walls and lining; cleans out the clogged up pores; neutralizes and dissolves the polsonous urio acid and waste matter that lodge in the oints and muscles, and cause those terrible rhumatic pains, and makes the kidneys filter the poison from the blood and drive it out of the system

A few days' use of this new scientific preparation is often all that is ever needed to end the worst backache, or overcome the most annoying urinary disorders.

REBELS GET MILLION PESOS IN LOOT BY ROBBING TRAIN

MEXICO CITY, Nov. 12 .- The rebels last night began a campaign directed against traffic between the capital and Vera Cruz. The first efforts were highly successful for they seized silver bullion and currency estimated at value of nearly one million pesos.

A train was held up on the main line of the Inter-Oceanic railway, about 100 miles from Mexico City. The engine and train crew were beaten, but the passen gers were not mistreated, although they were robbed of all their valuables.
