STATE Y. M. C. A. MEN HERE

Hold Interesting Session, Followed by a Dinner.

BAILEY HERE FOR 25 YEARS

Robert Weidensall Also Attends the Meeting, He Being the Oldest Secretary of the International Committee.

An interesting meeting was held at the Young Men's Christian association building Thursday afternoon of the Nebraska state committee of the Young Men's Christian association. A number of out-of-town men were present, among whom were W. J. Hill of Lincoln, chairman of the committee; C. L. Richards, Hebron; S. D. Ayres, Central City; J. W. Good, Chadron; Frank Hammond, Fremont; J. H. Knowles, Fremont; J. R. Bader, Fremont; Henry Hockenberger, Columbus; F. A. Harris, York; Earl Lobb, Kearney; S. J. McCracken, Hastings; H. W. Kendall, Fremont; Dean Charles Fordyce, Lincoln; William Voight, Nelson; W. A. Luke, Lincoln; E. J. Simons, University Place; F. R. Schweitzer, Lincoln.

Among other business transacted was a resolution instructing the state committee to employ at an early date a secretary, who would give his entire time to the high schools of the state. Repeated requests have come from the leading school men asking the state committee of the Young Men's Christian association to employ a man especially to deal with high school students.

In the evening a dinner was served to both out-of-town and a number of local business men, the occasion being the twenty-fifth anniversary of association work by State Secretary Bailey. Mr. Bailey entered association work at Cambridge, Mass., in September, 1888. He served efficiently in Illinois for a number of years, and for the last twelve years has been the state secretary of the Young Men's Christian association of Nebraska.

Thick, Glossy Hair; All Dandruff Gone

Girls! Try it! Hair gets soft, fluffy and luxuriant at once--No more falling hair.

If you care for heavy hair, that glistens with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Dandergine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching scalp; the hair roots become loosened and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Dandergine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it--no dandruff--no itching scalp and no more falling hair--you must use Knowlton's Dandergine. If eventually why not now?--Advertisement.

HAS BEEN IN NEBRASKA Y. M. C. A. WORK FOR 25 YEARS.

J. P. BAILEY.

bridge, Mass., in September, 1888. He served efficiently in Illinois for a number of years, and for the last twelve years has been the state secretary of the Young Men's Christian association of Nebraska. All of the buildings, including that of Omaha, have been built during his tenure of office. Charles Goss of Omaha was treasurer, and in a happy way introduced Robert Weidensall. Mr. Weidensall is the oldest secretary of the international committee of the Young Men's Christian association, having begun work as a traveling secretary on the Union Pacific railroad in 1888. Following Mr. Weidensall, a short address was given by C. L. Richards of Hebron. George G. Wallace was then introduced, giving to Mr. Bailey congratulatory message in rhyme, and then presenting him in behalf of his friends with a very fine traveling bag. Mr. Bailey responded feelingly, speaking of the pleasure of the work during all of these years.

Social Service Board Will Ask for More Power

The social service board will ask the city commission to increase its powers by the passage of an ordinance defining specifically what it may and may not do. T. F. Sturges, chairman of the board, said: "We have been hampered in our work and because we have been without authority several things we ought to have done have been neglected. Among other things we will ask for an ordinance giving us power to censor moving picture shows. We also want greater leeway in dealing with public dance halls."

This board will meet next Thursday to decide definitely upon the requests to be laid before the city council.

SCHOOL CHILDREN TO GIVE DAVIDSON A PRESENT

Dr. W. M. Davidson, formerly superintendent of schools of Omaha, who is going to Pittsburgh from the superintendent of Washington schools, will be given a present purchased with money donated by 25,000 school children, who are giving a penny each under the direction of a local committee.

AN EXPENSIVE TURKEY DAY

Such is Outlook for the Celebration of Thanksgiving.

EVERYTHING GOING SKY-HIGH

Festive Bird and Its Usual Trimmings Reaching an Elevation Beyond the Average Man's Pocketbook.

When the time comes for the housewife to select her Thanksgiving menu and when the day comes for hubby to pay the bills accumulated thereby, there will be much wailing and gnashing of teeth in Omaha, for the Thanksgiving dinner is going to cost considerably more this year than it has in the past. Everything is going to take a jump toward the clouds and it looks very much as if there will be fewer homes in Omaha where a big turkey gobbler will occupy the prominent position at the head of the table. It is practically certain that there will be a scarcity of 50 cent table d'hôte dinners in the local cafes and restaurants.

Turkeys are going to swim around the 35 cents per pound mark unless warmer weather should prevail from now until Thanksgiving. In the event it does turkeys will probably be cheaper, but if the cold continues turkeys will be no less than 35 cents. Chickens are up 1 cent over last week and present conditions indicate that they will cost about 15 cents at Thanksgiving. Ducks will sell at 15 cents and geese at about 16 cents.

Trimmings Are Also Up. It is in the other choice morsels, however, that the prices have risen so precipitously. Cranberries are going to be higher this year. It was estimated that 50,000 barrels of cranberries were frozen in the Wisconsin frost this year and the price has jumped accordingly. Last year cranberries sold at 7 1/2 cents, but this year they will sell for 12 1/2 cents.

Nuts have taken a jump, too. It will be impossible to buy mixed nuts this year at a cent less than 30 cents a pound and it is probable that they will cost more. Brazil nuts, which sold for 9 cents last year, are selling for 16 cents today. English walnuts, almonds and all other nuts are likewise higher in price.

Pumpkin pie will be a minus quality. There are no pumpkins in any of the middle west states this year, which will necessitate the use of squash in place of the pumpkin. Squash has gone up 2 1/2 cents as a result. Popcorn will not be popped over the open fireplace to any extent either. Popcorn is selling at wholesale for 4 1/2 cents a pound, a 3 cent increase in cost price.

Other Meats Soaring. Lamb and mutton have gone up 2 cents in the last week, but beef has remained at its regular price. Pork is just the same as a week ago.

Eggs are climbing higher and higher into the air. Fresh eggs cost 35 cents a dozen wholesale, while storage eggs demand 70 cents and as winter advances they may be expected to climb further. "Believe me," said Al King, manager of Hayden's grocery department, "this is going to be some Thanksgiving. From the looks of things I can see where I will eat a pack of peanuts and try to make myself believe I am getting a sumptuous feed. Prices will be higher Thanksgiving this year than ever before. It is getting worse and worse every year and I suppose it will continue to get worse as time goes on."

ENLARGING POSTOFFICE NIXIE DEPARTMENT HELP UP

Relief to the nixie department of the local postoffice has again been thwarted by the sudden illness of Lee Olney, superintendent of construction and remodeling of federal buildings, who came here

Thursday to prepare plans for giving that branch of the mail room more space. Mr. Olney has been taken to the Methodist hospital and there is a chance that he may be confined to that institution for some time. Several physicians are attending him.

The local nixie, dead letter, department

handles and clears up the addresses of mail from 2,400 postoffices, and necessarily its business is tremendous. The quarters in which this work is being carried on are small and cramped for the heavy volume of inspouring letters, and unless another man is sent out from Washington to hustle the plans, it will

mean in face of the Christmas rush a very unpleasant situation.

A Pleasant Surprise follows the first dose of Dr. King's New Life Pills, the painless regulators that strengthen you. Guaranteed. For sale by all druggists--Advertisement.
