

And Jeff Wasn't Far Wrong at That

Drawn for The Bee by "Bud" Fisher

DAY OFF FOR CREIGHTON

Squad Will Rest Up Saturday in Preparation for Coyotes.

STAND GOOD CHANCE TO WIN

Indications Are that Catholics Have a Bright Outlook for a Victory Over University of South Dakota.

Next Saturday will be an off day for the Creighton varsity eleven, as no game will be played on that date. Tarkio college of Tarkio, Mo., was scheduled, but called off the engagement through fear of injury to its players so near to Thanksgiving. Creighton has been negotiating with Cotner and Baker universities for the date, but it has been decided to allow the men to rest for the Thanksgiving game. The Creighton squad already has a number of cripples and no further chances of weakening the squad before Thanksgiving will be taken.

The final and only other game on the Creighton schedule will be the crucial test of the year with the South Dakota Coyotes on Creighton field, Thanksgiving. This will be the third annual contest between the two schools. On both former occasions the northwesterners won by decisive scores, last year's victory being a walkaway. This year, however, Creighton hopes of a victory are far brighter. The locals have a team acknowledged to be the best which has donned the blue and white colors in many a day. The Creighton record up to yesterday's game with Omaha university was: Creighton, 7; Kearney Normal, 7; Creighton, 6; West-Jean, 7; Creighton, 13; Marquette, 6; Creighton, 10; Bellevue, 6; Creighton, 6; Haskell, 7. The cancellation of the St. Louis game probably robbed the blue and white of another victory. Creighton has scored a total of 106 points against her opponents' 7.

Outlook is Good.

The cripples on the Creighton team, Young, Coady, Hanley and Brennan, who have been giving Coach Miller and Trainer Kelly some worry, are all expected to be in the pink of condition by Thanksgiving, and Creighton will undoubtedly be able to present her strongest lineup. Last year the team was weakened by the loss of Captain Miller, and to this is partly attributed the large score rolled up by the Coyotes.

On the other hand South Dakota has not a player such good foot ball as former. It has met defeat at the hands of Notre Dame and Minnesota. This latter team was beaten by Nebraska and the Haskell Indians barely nosed out a victory over Creighton after virtually tying Nebraska. A comparison of these scores shows that Creighton should at least push the Coyotes.

The Creighton management has sent a list of possible officials for the Thanksgiving game to Vermilion, but they have not yet been ratified by the South Dakota management.

Preparations are already being made for a record turnout to the big game, as it will be the only big game in Nebraska on that date. A number of the boxes have already been disposed of.

Omaha Gun Club to Shoot for Turkeys

The Omaha Gun club will hold its annual shoot at the club grounds on the east side of the Douglas street bridge on Sunday, November 23. Prizes of turkeys, geese and ducks, all dressed and ready for the oven, will be given to the winners of all shotgun and rifle events. All events at targets will be at fifteen yards.

COLORADO AGGIES WIN FROM WYOMING ELEVEN

PORT COLLINS, Colo., Nov. 16.—The Colorado Aggies overpowered the University of Wyoming eleven yesterday, scoring 31 to 0. Cross, the Aggies' captain, making five touchdowns, four of which were from the thirty-yard line and two of the four on short end runs. Sorenson, the Aggie quarterback, made two touchdowns on short end backs. Kinsey, the Aggie end, secured one touchdown on a long forward pass by Strong and Strong bucked the center for fifteen yards and a touchdown. Shafer kicked seven goals.

MOVE TO HAVE NOTRE DAME TEAM PLAY CREIGHTON

At a meeting of some of the older members of the Creighton alumni, held last night, a move was set on foot to bring the Notre Dame foot ball team to Omaha on November 29 to play the Creighton team in a post-season match. The faculty will be asked to help defray the expenses should there be a shortage after the contest. Dan Butler, who attended the meeting, says there is a fine chance of getting the famous team to come here, and it undoubtedly would prove to be the greatest local game of the year.

The Game in Tennessee.

TECUMSEH, Neb., Nov. 16.—(Special.)—The Tecumseh High school reserves and the Tecumseh High school foot ball teams played a game in this city yesterday. The score was 7 to 5.

Final Improvement of Motorcycle Now Being Waited Upon

"The final improvement to make the motorcycle comfortable and convenient for the rider is the step starter, enabling quick starting with both wheels on the ground," said Victor H. Room, Harley-Davidson dealer in Omaha.

"With the step starter the motorcyclist can start his engine when standing on either side of the machine or while sitting in the saddle. He can be sure of starting the motor every time.

"This convenience adds considerably to the pleasure of motorcycling. Everyone knows that the most experienced chauffeur of the most expensive automobiles occasionally will kill his engine in traffic. The rider of a motorcycle with a step starter suffers no inconvenience if required to make a quick stop and finds it necessary to shut off his engine.

Army Has No Trouble Defeating Villanova

WEST POINT, N. Y., Nov. 16.—Playing grid-iron foot ball throughout, the Army eleven had no trouble in defeating Villanova yesterday, 35 to 0. The cadets showed much improvement in offensive tactics.

Rich End Merrillat, who played a star game, twice scored touchdowns on long forward passes. Right Halfback Hobbs' fine running with the ball and spectacular kicking was a big factor in the Army's victory. Hobbs once intercepted a forward pass and ran sixty yards for a touchdown.

Villanova gave the Army a scare in the third period when the ball rested on the cadets' five-yard line after a series of well-executed forward passes. The visitors, however, found the Army's line too much for them at this point and Left End J. Reap's attempt at a field goal went wide. The Army lost much ground through penalties for off-side and holding.

PENNSYLVANIA STATE HOLDS NAVY TO TEN TO NOTHING

ANNAPOLIS, Md., Nov. 16.—Pennsylvania State held Navy to a 10 to 0 score yesterday, and the game was not one in which Navy supporters can find much comfort. State was the stern eleven this season to nearly equal Navy and the midshipmen when met by real opposition did not show as well as it was hoped they would.

In the line bucking, Navy shoved Fullback Harrison across for a touchdown in the first period and Right Guard Brown kicked goal. Brown was called on for a placement goal in the second period. After state held for downs inside the ten-yard line. In the fourth period, the visitors five times held for downs inside their own one-yard line. These rock-ribbed defenses were the best exhibitions seen here for a long time.

DEFEAT FOR HASTINGS SECOND TEAM BY HARVARD

HARVARD, Neb., Nov. 16.—(Special.)—Harvard High school foot ball team yesterday beat the Hastings High school second team, 28 to 0. On the first down Harvard fumbled. Theobald, Hastings' left end, recovered the ball and raced twenty-five yards, being down on Harvard's one-yard line. Klein carried the ball over. This was the only time during the game that Hastings had a chance of scoring.

OPEN STYLE OF PLAY AIDS IN DEFEAT OF MORMON TEAM

LOS ANGELES, Nov. 16.—An open style of play, intermingled with ball passing which savored much of rugby, helped Occidental college to defeat the University of Utah, 20 to 14, yesterday.

HAWKEYES IN FINE SHAPE

Iowa Varsity Team Finishes Ames Game in Good Condition.

LINING UP FOR NEBRASKA

Practice for Next Saturday's Game with Cornhuskers Will Begin Today—Will Start for Lincoln Thursday.

IOWA CITY, Ia., Nov. 16.—(Special.)—Iowa's "point-a-minute" scoring machine with the state championship safely tucked away, will begin preparations tomorrow for its last, and with one exception, its hardest test of the season. The defeat of the Ames team by the largest score ever made in the history of the two schools, was not unexpected here, but the students realize that Nebraska will be a far different problem when it comes to the Hawkeyes and Cornhuskers line up next Saturday at Lincoln.

Open Work Victory.

A review of the Ames game shows that the victory and the size of the score alike due to the wonderful open field work of the Iowa backs. Dick was at his best, slipping through the Ames line, diving off tackle, or going around the ends for gains of from five to fifty yards. His longest run, a fifty-yard dash from the center of the field for a touchdown, was a great piece of open field running. Penningroth featured with a forty-yard sprint, being stopped only when he went out of bounds. McGinnis made long and consistent gains. He punctured Wormhoudt, the Aggie weak spot, twice for twenty-five-yard gains, which took him across the goal line. Gross was as slippery as ever in his running back of punts and dashes through the Ames line.

Cornell Eleven Downs Lafayette Aggregation

ITHACA, N. Y., Nov. 16.—Cornell's reorganized eleven proved too much for Lafayette yesterday and the men from Pennsylvania were downed, 19 to 1. With the exception of considerable careless fumbling, Cornell's new team worked well, seeming more powerful on offense.

Crete High School Wins Game of Basket Ball

CRETE, Neb., Nov. 16.—(Special.)—The Crete High school won a game of basket ball from the Twentieth Century Athletic club here Friday night by a score of 23 to 16. The high school led in the game very easily. Their team work was effective and the Methodists were unable to break it up.

Comparative Scores Mean Little.

Although their team defeated Ames by a score somewhat larger than that made against Nebraska, the supporters of the Hawkeyes are not banking heavily upon that circumstance as a reason why they will defeat the Cornhuskers. Comparative scores mean little, and the Cornhuskers probably caught the Aggies on a better day than did Iowa. Any team which can defeat Minnesota is given all credit here, where the difficulty of this task is appreciated.

Thorpeans Battle Fiercely to a Win

In one of the fastest games on the local gridiron the Thorpeans Athletic club defeated the Halter Pharmacy team by a score of 13 to 12. Hart, Newton, Schatz and Levinsohn were the stars for the winners, while Walter Spellman was doing most of the work for the losing team. The Thorpeans will next play the Clearmonts for the city championship of the 20-pound class.

Creighton to Witness Game with Hawkeyes

The Alumni association of Creighton university will take the entire Creighton foot ball squad to Lincoln next Saturday to witness the game between the Cornhuskers and Iowa. This is an off day for the Creighton team and they will be given a treat.

Big Six Hurls Victory for Giants over the Sox

SAN FRANCISCO, Nov. 16.—Before a huge crowd, the New York Giants downed the Chicago White Sox yesterday by a score of 6 to 3. Pitcher Mathewson was in rare form except in the eighth inning, when the Sox made four hits that netted two runs. Score: R.H.E. Chicago.....0 0 0 0 1 0 2 0-3 12 New York.....1 3 0 0 1 0 0 2-4 10 Batteries: Scott and Daley, Mathewson and Moger.

They Make You Feel Good. The pleasant purgative effect produced by Chamberlain's Tablets and the healthy condition of body and mind which they create make one feel joyful. For sale by all druggists.—Advertisement.

Michigan Aggies Win From South Dakotans

LANSING, Mich., Nov. 16.—The Michigan Agricultural college eleven yesterday ended the most successful foot ball season in the history of the institution, by defeating South Dakota, 10 to 7. The conquerors of Michigan and Wisconsin were forced to their limit to triumph over the powerful warriors from the north.

Michigan Agricultural college started the game with a score, scoring a touchdown in the first period and another in the second, but failed to kick either goal. South Dakota braced in the third quarter and showed a clever offense, finally pushing the ball across the "Aggies" goal. The goal was kicked and the period closed without further scoring. Michigan Agricultural college made its last touchdown during the closing minutes of play and added a point to its count by kicking the goal.

Earlier in the season, Notre Dame defeated South Dakota, 20 to 7. Both Notre Dame and Michigan Agricultural college claim the western foot ball championship.

Ross' Friends Rally to Him

Colored Guard Great Attraction in the Kansas Game.

Mud Kept the Score Down

Kansas Completely Outclassed by Cornhuskers and Almost No Kansas Money Was to Be Had at Any Odds.

(From a Staff Correspondent.) LINCOLN, Nov. 16.—(Special.)—The good sermons preached in Lincoln churches this morning did not wholly take away from those who listened thoughts of the foot ball game which was played in Lawrence yesterday between the Jayhawkers and the Cornhuskers and people coming from church at noon were just in time to encounter many of the pilgrims who had gone to the Sunflower state to see Nebraska, wallop the representatives of the state university there.

Will M. Maupin enjoyed telling about the reception given Ross the big Nebraska colored guard.

"Ross was the whole show down there," Maupin said.

"You couldn't see him anywhere, but there was a crowd around him and the colored people there could not do enough to show him that they appreciated the way he had won out in preventing Kansas drawing the color line.

"There were about 1,500 colored people at the game. They had come in from Topeka, Kansas City, Wichita and other towns and every last one of them was rooting for Nebraska and Ross.

"Every player was so covered with mud that you couldn't tell whether he was white or black and if Kansas had drawn the color line after the game started every man would have had to leave the game. You would see a player make a tackle and strike the ground and plow along, while the mud slid away from him in all directions.

"Had our boys been able to get any kind of a foot hold it would only have been a question of the number of touchdowns made.

"Penalties played hobs with us. Some of our penalties were always fifteen yards, while Kansas was only given five or so. That was what caused Captain Purdy to get out of the game. He made some remark to the referee about the seeming unfairness of his penalties, and the referee didn't like it and waved him to the side lines."

Lake Forest Wins.

MONMOUTH, Ill., Nov. 16.—Lake Forest university defeated Monmouth college yesterday, 14 to 6, the visitors scoring a touchdown in the first and the fourth quarters.

Missouri Shuts Out Washington Eleven

ST. LOUIS, Nov. 16.—The University of Missouri foot ball eleven defeated the Washington team in their annual gridiron battle, the Tiger aggregation making nineteen points to none for the Myrtle and Maroon squad.

Missouri was penalized often for holding in the line, the arbiters setting back the visiting eleven eighty-five yards during the game.

Pittsburgh Wins from Washington and Jefferson

PITTSBURGH, Nov. 16.—Playing a whirlwind brand of foot ball, in which quickness had the better of strength, Washington and Jefferson college yesterday defeated the University of Pittsburgh, 19 to 6. Washington and Jefferson had previously held Yale to a tie 0 to 0 score, while the local university had defeated both Cornell and Carlisle. A drizzling rain fell throughout.

Columbus High Overwhelmed.

CENTRAL CITY, Neb., Nov. 16.—(Special.)—In a game replete with forward passes, end runs and fake plays, the local high school overwhelmed the Columbus High school here today by the score of 58 to 0. Only once during the game did the visitors have a chance to score, advancing to the five-yard line, where they were held. Clayton, Lutes, Wilder and Ayers scored almost at will. The last home game will be played next Friday with the David City team. Referee: Zeimer, Grand Island. Umpire: Daniels, Aurora.

Washington Defeats Oregon.

PORTLAND, Ore., Nov. 16.—University of Washington defeated Oregon university at foot ball yesterday, 19 to 7, and won the northwestern conference championship.

Not until the fourth quarter was the mastery decided.

When Chailey Smith, a powerfully built Washington junior, substituting at quarterback, shot a place kick between the Oregon goal posts from the twenty-two-yard line and broke up a 7 to 7 tie.

But "IP" is a Big Word.

"If I had Frank Baker on my team I would play him in the outfield instead of third base," said Manager Griffith of the Senators. The Old Fox thinks that Connie Mack has spoiled a fine fly chaser by making him play third.

Old Spirit Will Win.

Nebraska rooters are going to Lawrence in a special train. If the enthusiasm runs as high at Lawrence as it did at Lincoln when the Gophers were given a drubbing, Nebraska doesn't stand a chance to lose.

Connie Sticks to Old Love.

Connie Mack is getting to be somewhat of a foot ball fan. Connie likes the game, but says it is nothing compared with base ball.

FEW CHANGES IN STANDING

Clara Belles Move Up to First in Booster League.

STORZ TRIUMPHS ARE CHECKED

Only Three Teams Will Make Trip to St. Louis to Take Part in Midwest Tournament, So Decision Has Been Reached.

Few changes took place in the standings of Omaha bowling leagues last week. In the Omaha league the Luxus still lead with a three-game margin. In the Booster league the Clara Belles went into first place after defeating the Lays, who were leading. The Brodegaard Crowns still lead the Commercial league, although this has been out down by recent reverses.

The Gate City leaguers have at last stopped the fast Storz Triumphs and cut down their lead to two games. The Magic City rollers are having a close race. Three teams are fighting neck and neck for first place and two more have a good chance to overtake them. The smaller leagues are having close races, the enthusiasm and excitement in these being even greater than in the older and stronger leagues.

The Automobile league started last week, adding another league to Omaha's big list. Although somewhat late in starting they got away well. Only four teams started, but two more will be added next week.

City Association Today.

This afternoon the City Bowling association will begin activities by holding their first real meeting. The delay in getting started is due to the fact that several of Omaha's most active bowlers are not in accord with the idea of running the association on the same basis as last year. Under the old system the association was under the auspices of the American Bowling congress. Every team belonging to the local body was assessed \$1 dues by the national body. Last season forty-six teams were forced to pay \$1 each and receive nothing in return, except recognition from the American Bowling congress. President Rakein of the Booster league offers a suggestion as a solution of the above. He suggests that the association be organized locally by the same method as last year, but not be affiliated with the American Bowling congress.

Won by the Excelsiors.

The Excelsiors defeated the Sherman Avenue Merchants, 3 to 6, Sunday 100 Guinan score a forward pass for forty yards to a touchdown and in the last quarter got a safety. The stars were Guinan, Moger and for the Merchants, Penny and Duetcher.
