Insurgents Retire from Tampico Sunday Morning.

HUERTA REGARDS CITY SAFE War Department Announces that It is Preparing to Recoupy the Territory in Vicinity of Torreon.

MEXICO CITY, Dec. 15.-The rebel loss in the battle between the federal troops and the constitutionalists for posses sion of the seaport of Tampico is estimated at 1,000 men, according to a telegram received today at the ministry of the interior from the governor of the state of Tamaulipas.

The last shot in the battle was fired at report given out at the War office today. Federal cavalry then pursued the retreating rebels for some distance, afterward returning to Tampico and reporting that the rebels had dispersed, some of them going toward Victoria and oth- pits. ers in the direction of Tuta and Xlootancati, in the state of Tamaulipas.

The rebels were demoralized and short of ammunition, the official report said. Regard Tampteo as Safe.

The War department is of the opinion that Tampico is safe against further attack, and with this assurance an active campaign is to be begun by the federals in the region about Torreon. It was anneed today that an effort to retake Durango, which has been long in the posression of the rebels, is to be made at once. The recapture of Durango was the object of the ill-fated expedition, the destruction of which by the rebels pre-cipitated the fall of Torreon several

months ago.

Telegrams from Torreon today indicate
the local authorities deposed by the rebels have been restored to office and the public service is being reorganized. Water Supply Cut Off.
