MONEY EARNED LONG AGO

Union Pacific Earnings Show Profits of an Old Deal.

ADDS TO THE ROAD'S SURPLUS

Local Officials Do Not Understand How it is Put on the Books as Earnings for the Last Year.

Local officials of the Union Pacific are not surprised over the report from New York to the effect that the company's annual report will show a profit of not far from \$6,000,000, but they are surprised that the report should intimate that this sum has been made out of any transactions of the last year.

According to officers of the road the credit of \$6,000,000 profit accrued out of sales of Northern Pacific and Great Northern shares, was a deal that was put through and consummated more than ten years ago and long before the death of Mr. Harriman. How it should get on the company books in New York and made to appear that it was the result of the transactions of the present year, they are unable to understand.

TRANSIENT INCOME AT ELK HOTEL OVER \$1,000 A MONTH

Transient roomers, who have patronized the Elk hotel, 317 North Sixteenth street, since September 23, have been productive of an income of more than \$100 a month to the owners, according to a report of Charles E. Skinner, receiver, to the district court.

From September 23 to October 22, the receipts of the hotel were \$16,533, of which \$11,530 came from persons who were not regular roomers. During the next month the gross income was \$26,453, of which \$16,363 was paid by transients. From November 23 to December 14 those who made brief stays brought in a revenue of \$8,223.

PETITION IS MYSTERIOUS

Who is Circulating Prohibition Document is Quite a Puzzle.

SOME OPINION IS ADVANCED

Anti-Saloonist Expresses Suspicion that it is Not Unlikely of Questionable Origin and Not Good.

A petition seeking to initiate a state-wide prohibition law is being circulated at various points in the southern part of the state. Who is back of it is something of a puzzle. The prohibition party leaders in Nebraska assert they know nothing about it. The Women's Christian Temperance union pleads not guilty. The State Anti-Saloon League declares it is not responsible, and even expresses a more or less definite suspicion that it is being done by parties favorable to the liquor traffic as a game to block any other petition that might come up, as persons are not allowed to sign a petition for the same measure twice.

CHRISTMAS DINNER CHEAP

Prices of Most Articles to Be About Same as on Thanksgiving.

FRESH EGGS ARE CHEAPER

Turkeys May Be Cheaper Next Week if the Present Warm Spell Keeps Up—Geese and Ducks Very Scarce.

All the big retail stores and nearly all the smaller stores are preparing to lay in their Christmas supplies of eatables, and after examination it is found that most prices will remain about the same as at Thanksgiving time, but that the prices will probably average considerably higher than prices at Christmas time last year. Some few articles are selling lower than last year and some remain about the same, but the majority are quite a bit higher.

CHRISTMAS SHOW COMING TO BRANDEIS THEATER

Manager Joy Stephen of the Brandeis has one big load off his mind. He is going to have for Christmas attraction at the theater Robert Dempster in 'The Right Princess.' The company will come from Kansas City and will open at a matinee on Christmas afternoon. Mr. Dempster is a well known leading man who has played in Omaha on a number of times, and the play is a clever comedy by Clara Louise Burnham.
