JOHN BULL AND HIS INSURANCE

Results of Great Britain's Entry Into the Field of Medical Treatment.

The medical benefits and trade changes due to the British medical insurance act, which became effective January 1, 1913, is the subject of an official study by American Consul Halstead at Birmingham.

When one considers the many thousands of cities, towns and villages in the United States, the wonder is not that so many of them have adopted the system.

Three Hospitals offer healing to the sick, and should they die, their bodies may be placed upon a Bier.

His who wishes to tempt Fate will find two in his journey. Those of domestic privacies may toil in two kitchens, or at the time at the Grill, Gridiron, Smoke Oven, or at the range.

Four Loves exist for the lover, twenty Friendships for the less ardent. There is one Rapture and seventeen Hopes.

Who should ever be sad when there is Music of the Harp or Violin? Resources are Bountiful, and Joy, Prosperity and Tranquility prevail.
