DEMAND REMOVAL OF CHASE
Colorado Federation of Labor Commissioners Submits Report to Governor Ammon on Conditions in Coal Strike Zone.

CHICAGO, Jan. 21.—A stay of mandate in the cases of the alleged dynamiters convicted at Indianapolis and whose application for new trials recently were denied, was granted by the United States court of appeals here today.

The cases of thirty of the defendants were appealed and new trials were ordered for six of them. Today's mandate has the effect of staying sentence in the cases of the remaining twenty-four until the supreme court of the United States passes on an appeal. Application to this court for a writ of certiorari will be made by Attorney E. N. Zoline for the defendants on February 7. He will plead:

First—That inasmuch as all of the defendants were alleged to have been linked together in the charge of conspiracy to transport dynamite, all of the defendants should have been granted new trials, instead of only six of them.

Second—That the defendants were doubly punished; once for conspiracy to transport dynamite, and again for the actual transportation of the explosive.

Third—That Orville McManigal and Edward Clark, having pleaded guilty to a felony, were incompetent witnesses and should have been tried separately.

Fourth—The offenses charged were barred by the statute of limitations at the time of the indictments.

Fifth—No federal offense was proven.

Sixth—That decisions of courts of appeal conflict in similar cases.

Coal Miners Will Aid Copper Men.
HOUGHTON, Jan. 21.—The striking copper miners in the Calumet district probably will have the financial support of the United Mine Workers during the remaining days of their fight for recognition of organized labor, according to H. G. Street, who was sent here by the Mine Workers to investigate the situation.

"Labor needs to win this strike," said Mr. Street today, "and I believe it will win. I have never seen men more determined than the strikers. Their families are being well cared for by their unions and they don't appear to have the slightest thought of giving in."

Mr. Street declared that it was apparent that the citizens were not in sympathy with the strike because most of them were in a measure dependent on the mining community. The fact that the strikers have held out so long in the face of this hostility, he said, indicates that they will remain steadfast.

As soon as he has visited all the locals in the copper district Mr. Street will proceed to Indianapolis to make the report on which he expects the United Mine Workers will decide to extend financial help to the Michigan strikers.

The United Mine Workers organization has none but coal miners in its membership. Metal miners make up the membership of the Western Federation of Miners, with which the copper country locals are affiliated. The former body already is supporting five strikes of its own, it is said.

Sheriff Cruise and his men have been unsuccessful in their efforts to find the three men who left a package containing fulminating caps and fuses in a train sent here Monday night. Union leaders declared today that they were positive
