ISS ELLEN FITZ PENDLETON, president of Wellesley college, breaks all precedents for the most popular visitor in the city. Miss Pendleton is touring the country in the interests of Wellesley college, and spends today and part of Tuesday in Omaha. She is the house guest of Mr. and Mrs. Issac W. Carpenter, and after an informal talk on college life to the Browell girls this noon Miss Pendleton was honor guest at a luncheon given at Brownell Hall by Miss Euphemia Johnson. Between the hours of 3:30 and 5 the Association of Collegiate Alumnae received in her honor at the home of Miss Alice Buchanan. This evening the Wellesley Alumnae entertain her at a dinner party at the Loyal hotel, and Tuesday noon the University club gives a luncheon in her honor at the club. Even examinations give way before Miss Pendleton's approach, as the semester examinations at the Central High school will be postponed a half hour Tuesday morning to permit Miss Pendleton to address the girls of the school. Many Wellesley girls from neighboring cities have come in for these affairs.

Preceding the luncheon given in her honor by Miss Euphemia Johnson at Brownell Hall at noon, Miss Pendleton addressed the Brownell Hall girls on college life. The luncheon table had a decoration of tulips and other spring flowers and covers were laid for-

More "Bread and Butter" Questions

Answered **Prudent Housewife**

Question-Have you tried Armour's "Glendale"?

Answer-Yes; ever since Armourand Company came out in the papers and told us exactly what

Q.—What is your opinion of it? A .- We all like it. We find it pure and wholesome and satisfying, and it saves us a lot. Q.—How do you use it?

A .- In every way that we'd use butter-on the table three times a day; and for cooking and so on. Q.—But do you really like the taste? A.-Certainly; as well as good butter. It is

"crisp" and fresh and sweet; rich and palatable. Q.—How do you know "Glendale" is pure and wholesome? A .- The U. S. Government inspects and

certifies its purity. Armour and Company guarantee its quality. Q .- Would any family like "Glendale". as well as butter?

A .- Many prefer it. Call it "butter" and you'd think it was the best on the market. And it has the advantage of being always the same, not good oneweekand "off" the next, like most butter. Q.—How much do you save by using "Glendale"?

A .- The cost averages fully one third less than the market price of butter and makes my table money go that much farther for "extras."

Q.—How can I prove these answers? A .- Prove it as I have. Buy a pound. Taste it. Useit. Compare it in every way with the best of butter. Then see if you can tell the difference.

proves up this way every time. Therefore the leading dealers in this community have arranged with Armour and Company to have "Glendale" on hand for you all the year' round. They will have it always fresh, pure and wholesome. Their names will appear in this paper February 7

ARMOUR COMPANY

Sixty-Six Per Cent.

According to the last report of the Bureau of Labor Statistics the retail prices of the "principal articles of food" in forty industrial cities advanced sixty-six per cent. in fourteen years. The price of

Shredded Whea

in all that time has remained the same, and it is just as satisfying, strengthening and sustaining as it was fourteen years ago -a complete, perfect food, supplying more real, body-building nutriment than meat or eggs, costing much less and much more easily digested. Your grocer sells it.

Always heat the Biscuit in oven to restore crispness. Two Shredded Wheat Biscuits with hot milk or cream will supply all the energy needed for a half day's work. Deliciously nourishing when eaten in combination with baked apples, stewed prunes, sliced bananas or canned or preserved fruits. Try toasted Triscuit, the Shredded Wheat wafer, for luncheon with butter, cheese or marmalade.
