

MORE WOODMEN INSURGENT

Beward Camp Declares for Return to Fraternal Principles.

NELSON ALSO FAVORS CHANGE

Camps in Aurora and Fairbury Instruct County Delegates to Work for New Set of Head Officers.

SEWARD, Neb., Feb. 8.—(Special).—Seward camp No. 44, Modern Woodmen of America, held its regular meeting on Friday evening and elected delegates to the county convention of Woodmen to be held April 1 for the purpose of electing delegates to the state convention.

Resolved, That it be the sense of this camp that our delegates elected to the county camp use all possible effort toward the election of delegates to the state camp who will put forth their best efforts to again place Woodcraft on the foundation upon which it was originally founded, and that they put forth all their efforts toward electing such delegates to the state camp as shall bring about such results, so that we shall again be recognized not only as a mutual organization, but also as a fraternal one, and that in order to accomplish this purpose we believe it will be for the best interests of the membership that a change be made in the office of head council, and we further resolve that it is our judgment that the delegates elected to the state camp should further use their best endeavors to adjust the rates that all the membership will be best satisfied.

Nelson Favors Change. NELSON, Neb., Feb. 8.—(Special).—At a meeting of Elk Creek camp, Modern Woodmen of America, here a full delegation of insurgent delegates was elected to the state convention. A resolution favoring a change of head officials was passed. The delegates are: W. C. McHenry, R. Greenwood and J. A. Demill.

Fairbury Also Insurgent. FAIRBURY, Neb., Feb. 8.—(Special).—The Fairbury camp of the Modern Woodmen of America held a spirited and enthusiastic meeting Friday night, and a bitter fight was waged on the matter of increased rates.

The anti-Talbot faction of the Fairbury camp was victorious in the meeting and elected ten delegates in sympathy with their views. The Fairbury delegates were instructed to vote for a delegate to attend the state convention who would be in favor of not over a 25 per cent increase in rates. A number of spirited speeches were made at the meeting.

Aurora Also Anti-Talbot. AURORA, Neb., Feb. 8.—(Special).—At its regular meeting, February 5, Hawthorne camp No. 66, Modern Woodmen of America, elected to its county camp twelve delegates, all insurgents. These delegates are pledged to E. E. Wood, county treasurer, for delegate to the state camp.

BROKEN BOW PUBLIC SERVICE CLUB ELECTS

BROKEN BOW, Neb., Feb. 8.—(Special).—At the annual meeting of the Public Service club of this city officers were elected for the coming year as follows: President, E. H. Purcell; vice president, E. P. Fieser; board of directors, E. H. Purcell, E. P. Fieser, J. S. Molyneux, E. P. Walter, J. G. Van Cott, A. E. Anderson, A. H. Souder, E. F. Bush, G. A. Kiffin, C. L. Mullins and Has Anderson. The members of the club feel much elated over the unusual interest taken in the work accomplished by them during the last year. Fine club rooms have been established and furnished and a campaign for the best interests of Broken Bow has been started that bids fair to equal any commercial club work in the state of Nebraska.

The people of the town have organized a home league, which is attracting considerable attention. The meetings occur twice a month and the subjects handled are not only of interest, but in many cases of vital importance to the local public, one of all being an educational nature. The subjects are discussed by men who have come in contact with them and the information is always first hand.

A prairie fire starting on the farm of Lawrence Ullom, in the north part of the county, destroyed about seventy-five tons of hay, four farms suffering the loss. A stretch of country three miles in extent was burned over and the fire was only extinguished by the united efforts of the neighbors in vigorously back-firing.

Ladies! Look Young Darken Gray Hair

Use Grandma's Sage Tea and Sulphur Recipe and nobody can tell. Brush it through hair

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, waxy and searagry, just a few applications of Sage Tea and Sulphur restores its appearance a hundred-fold. Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wynett's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, the natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.—Advertisement.

DEATH RECORD.

Mrs. B. F. Reed. HEAVENLY CITY, Neb., Feb. 8.—(Special).—Mrs. B. F. Reed, wife of one of the best known farmers of the Sappa valley, died at the family home early this morning, aged 84 years. She leaves a family of three children.

Wausa Institute in Success. WAUSA, Neb., Feb. 8.—(Special).—Despite the unfavorable weather, the second annual Wausa Farmers' Institute, which closed Friday night, was a great success. The opera house was packed to the doors at every session. The exhibits in the various departments were much larger and of better quality than those of last year. W. P. Snyder of the North Platte experiment station and E. P. Brown of Davey, Neb., were the speakers for Thursday. Miss Aural Scott had charge of the women's department. Prof. Gramlich, who was to have had charge of the coat show, failed to arrive and the show will now be given early in March. Fred Duhr had the prize 100 ears of corn, the same selling for \$9.50 at the close of the institute.

Teachers' Meeting. AURORA, Neb., Feb. 8.—(Special).—County Superintendent Jackson held the annual Hamilton county teachers' meeting Saturday. The forenoon was given over to discussion of problems with which the teacher has to contend. Superintendent A. H. Waterhouse, Prof. R. W. Eaton, A. A. Reed, Miss Edith Lathrop, Luther P. Mumford were present and addressed the teachers. A school officers and patrons meeting was held in the afternoon. Miss Lathrop was present and conducted a discussion on rural school problems and "The Unit Plan" of management.

Farmers' Institute. NEWMAN GROVE, Neb., Feb. 8.—(Special).—The University of Nebraska, working with the Farmers' Institute association of Newman Grove, held a successful short course and institute here this week. The meeting opened with a very able address by George Coupland, regent of the state university. Lieutenant Governor McKelvie spoke Tuesday evening on "Community Interests."

The ladies auxiliary was a marked success, both in attendance and work accomplished. Miss Daniels and Mrs. Davison both demonstrated their ability in the art of good cooking, also to interest women in their work.

Sick Headache. Sick headache is nearly always caused by disorders of the stomach. Correct them and the periodic attacks of sick headache will disappear. Mrs. John Bishop of Roseville, Ohio, writes: "About a year ago I was troubled with indigestion and had sick headache that lasted for two or three days at a time. I doctored and tried a number of remedies, but nothing helped me until, during one of those sick spells, a friend advised me to take Chamberlain's Tablets. This medicine relieved me in a short time." LINCOLN CONTESTS REMOVAL

Does Not Want Fort Omaha Made State Militia Headquarters.

COMMERCIAL CLUB IS ACTIVE

Government Pays More for Supporting Troops Than Does the State and Will Control the Removal Plans.

(From a Staff Correspondent.) LINCOLN, Feb. 8.—(Special).—The announcement that state headquarters of the Nebraska National Guard might be moved to Fort Omaha has caused the Lincoln Commercial club to sit up and take notice and yesterday Adjutant General Hall met with the executive committee of the club in order to acquaint them with the condition of things as they now exist.

It appears that the War department has been paying considerable more for the support of the guard in this state than the state has and feels that it ought to have something to say regarding the headquarters and the accommodations for taking care of government property. The government appropriates in the neighborhood of \$200,000 per biennium for the Nebraska guard, while the state's appropriation is only about \$80,000.

When General Hall was ordered by the state board to pick up his army and move it to the fourth story of the state house the general kicked, but to no avail. There is no vault room in the new headquarters and the place is crowded. Instead of having a private office to himself, General Hall and his stenographer have to camp out in the reception hall and instead of the subordinates guarding the general, the general acts as guard for the subordinates, which is unilitary and unsatisfactory, at least to the general.

The War department demands that the state give the guard accommodations equal to that of any other department of the state. It has no desire to take headquarters from Lincoln, but as it has apartments at Fort Omaha which are unused, and which are equipped with everything needed for military headquarters it simply offers the state the use of those quarters free in order that the property of the government may be safe and well taken care of.

PARLIAMENT OPENS AFTER LONG RECESS

(Continued from Page One.)

nobody. The out and out radicals would abolish the chamber altogether, but that is hardly to be seriously considered. The plan most favored is a mixed plan of election by constituencies and nomination of the House of Commons on a plan of proportional representation.

There are temperance and education reform, both of which have been promised by the government. Both are highly controversial and a lot of time would be required for them. If they come up at all it would likely not be until an autumn session, especially since the educational problem brings up the whole question of denominational education and the old fight between the Church of England and the Nonconformists.

Reform of Lords. The House of Lords reform bill and the education bill will be introduced rather with a view of fulfilling the prime minister's promises than in the hope that they will pass without recourse to the Parliament act. There will be no land legislation, Lloyd George's scheme not yet being ready to be embodied in a bill. Some liberal members, however, will at the instigation of the leaders introduce a number of measures embodying the government's policy, and these will go to a second reading with a view of testing the feeling of the house, and drawing the opposition views on the land scheme.

Home Rule. There is still much interest as to how the House of Lords will receive the home rule and Welsh disestablishment bills. The liberals contend that under the Parliament act no matter what the lords do the bills will become law on receiving the signature of the king. There are some unionists, however, who believe that as the act distinctly says they shall become law on the lords rejecting them for the third time, if the upper chamber simply refuses to consider them they cannot be rejected and therefore cannot become law. The House of Lords, however, would require a lot of urging to take that view, remembering as they would that the people have already endorsed the Parliament act and any attempt to evade it might have serious consequences for the unionist party. The government, therefore, is looking with confidence to a smooth passage for its two chief measures.

YOUNG LINCOLN BANKER IS DEAD OF PNEUMONIA

LINCOLN, Feb. 8.—Ira H. Hartford, member of the lower house of the Nebraska legislature from this county, one of the democratic leaders at the last session, died here at an early hour this morning of pneumonia. He was a personal and political friend of Secretary of State Bryan.

Mr. Hartford was 45 years of age. He was a graduate of the University of Nebraska college of law in the class of 1894 and after several years practice engaged in investment and banking lines. At the time of his death Mr. Hartford was manager of the Lincoln Savings and Loan association and cashier of the Lincoln State bank. He had been ill for ten days.

HEADACHES

Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month, and still others have headaches occasionally, but not at regular intervals. The best doctor is often unable to find the cause of many of these headaches, and in most other cases, knowing the cause, he does not know what will remove it, so as to give a permanent cure. All he can do is to prescribe the usual pain relievers, which give temporary relief, but the headache returns as usual, and treatment is again necessary. If you suffer from headaches, no matter what their nature, take Anti-Serum Tablets, and the results will be satisfactory in the highest degree. You can obtain them at all drug stores in any quantity, 10c worth, 50c worth or more. Ask for A-K Tablets.

SICK HEADACHES

Sick headache, the most miserable of all sicknesses, loses its terrors when A-K Tablets are taken. When you feel an attack coming on, take two tablets, and in many cases, the attack will be warded off. During an attack take one A-K Tablet every two hours. The rest and comfort which follow, can be obtained in no other way. Genuine A-K Tablets bear the K monogram. At all druggists. P. S.—A-K Salve for Skin Diseases.

Indigestion and Weak Stomach. Take Electric Bitters, it gives appetite, strengthens the digestive organs, lessens the work of liver and kidneys. 50c and \$1.00. All druggists.—Advertisement.

Federal Investigator Talks of the I. W. W.

WASHINGTON, Feb. 8.—A report on the conditions existing in the California hop fields at the time of the fatal riot at Wheatlands was made public today by Chairman Frank P. Walsh of the federal commission on industrial relations. The report, submitted to the commission by Carleton H. Parker, secretary of the California immigration commission, who was engaged as a special investigator, bitterly attacked conditions in the hop fields, setting forth that wages and living conditions there contribute to the strength of the Industrial Workers of the World. He says: "There is without doubt a definite and increasing danger in California in this propagandizing of the Industrial Workers of the World. Their solidarity is, I am sure, almost fatally underestimated."

Washington Affairs

Ground for the Lincoln memorial to be erected in the shadow of the Washington monument, will be broken next Thursday, the anniversary of Lincoln's birth. The commissioner of indian affairs has announced that appraisal of 45,000 acres of oil lands belonging to the Choctaw and Chickasaw tribes in Oklahoma had been completed, and the lands will be listed for sale as soon as due notice should be given. Federal regulation of stock exchange as proposed in the Owen bill under consideration by the senate banking and currency committee, is a radical invasion of state rights, in the opinion of officers of the consolidated stock exchange of New York, who appeared before the committee.

Did Child Wake Up Cross or Feverish?

Look Mother! If tongue is coated give "California Syrup of Figs" to clean the bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign his little stomach, liver and bowels need a cleansing at once. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food, which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "Fruit Laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle. Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." Counterfeits are being sold here. Don't be fooled.—Advertisement.
