By MELIFICIA. Wednesday, February 11, 1914.

UNIQUE surprise was sprung by the program committee at the dinner given last evening at the University club by members of the Thimble club. The program bore the head, "Thimble Club Vohd-vel," and the following inscription:

"A thimbleful of foolishness,
Some remnants just for fun;
A thread or two of highbrow stuff,
And then our show is done."

The entertainment included:
Episode No. 1—Mlle. San-Cee-Doollittle, direct from Paris, in a highly skillful bout with a defenseless piano, proved to be Miss Gretchen McConnell.

Event No. 2—Albak, world-famous magician, exhibiting for the first time in Omaha, was none other than Albert Daniel Klein.

Epoch No. 3—Mme. Swing-ezy, international authority on the clubs of the North American aborigines, was an illustrated lecture by Miss Bess Dumont.

Catastrophe No. 4—A farce-comedy in one act, entitled "The Burglars," boasted the following cast:
Maria.....Miss Leading, otherwise Miss Mary Philipp
Josiah.....Hercules X Kewsmo, known to his friends as Frederick McConnell

Kitty.....Ima Koon, in reality Miss Marion Carpenter
Toby.....U. R. Black, who was Mr. Roy Sunderland

Catalym No. 5—Well known comedians:
Heeza Fake.....Ralph Sunderland
Freeza Lake.....George Edgory

Finale: Getalimpse moving pictures were comic valentines rotating on a wire.

Rainey's Pictures to Be Shown School Children for 2 Cents

Paul J. Rainey's African hunt, six full reels of the greatest animal pictures ever taken, will be shown at a special school children's matinee this afternoon at the Krug theater for the nominal price of 2 cents for all children 12 years of age and under, and 5 cents for children over that age. The showing of the pictures will be accompanied by a fascinating descriptive lecture by Prof. Gay W. Greene. The matinee will commence at 2:30 o'clock and will close at 7 p. m. Six full reels will be run through twice.

BROWNING DROPS CHECK IN POSTOFFICE LOBBY

Even busy business men are afflicted with being absent-minded, as was shown when H. M. Browning, who has charge of the street car advertising in Omaha, opened a letter in the postoffice lobby and carelessly laid a check for \$200 on the writing desk and walked away. In a few minutes, however, he returned to the postoffice, but the check had disappeared. Payment has been ordered stopped and the person who took possession of the bit of paper will be none the richer.

NEW CIRCULATION RECORD MADE AT PUBLIC LIBRARY

The largest circulation that ever was recorded at the public library on a regular day occurred last Saturday, when 1,300 volumes were issued to patrons. Miss Edith Tobitt, the librarian, is elated over the record, as it indicates an increasing patronage of the institution. She says the average circulation for January of this year shows a good increase over previous months.

MORE AID FOR THE TAYLORS

Poor Family is Still Being Helped by Charitably Inclined.

HELP NEEDED FOR NEW HOUSE

Fund is Rapidly Growing, but \$125 is Still Needed to Purchase a Home for Mother and Children.

Relief donations for the poor Taylor family, north of Benson, continue to come in from readers of The Bee. More money was received yesterday making the total for the purpose of securing another home for the sufferers over \$175 promised or collected.

George W. Mason of South Omaha sent \$5. "Cash" gave \$3, Fannie Reichenberg, \$1; "H. E. K.," \$1.75 and there were also a number of smaller remittances from anonymous donors. J. G. Happel of Wisner sent \$5 for clothing or coal.

So many people have phoned Richard Burrell offering food, warm clothing and other necessities that he will collect another load of goods for the Taylors today. When the Taylors boys loaded up their old wagon with goods sent in Tuesday, they were delighted with the generous assortment and hustled into warm coats and mittens found among the collection.

Money in Mittens.

A package for little 4-year-old Dorothy contained a warm coat and a pair of mittens. When she put on the latter she found a 50-cent piece rolled up in the end of one. Mrs. Chase, the crippled grandmother, was lady in need of a pair of blankets and a comforter, and these have been offered by a woman who telephoned Mr. Burrell. His phone number is Webster 438, and he will be glad to call Thursday wherever donations are offered. Coal and horse feed are now particularly needed.

As the family will be well provided for temporarily when Thursday's load of provisions, clothing and bedding is collected, people interested in the case are now especially trying to secure money to assure the Taylors of another place to live when they have to vacate their present shack March 1. If kindly disposed citizens will all join in making contributions to the fund, the problem will easily be solved, and Mrs. Taylor and the large family will not be homeless or forced into some institution where their numbers and condition will make it still harder, both for themselves and the institution.

A few checks for \$5, \$10 or \$25, and the kind remittances of smaller sums, will put a permanent roof over their heads and give them all a chance to live and regain the health which all have lost from suffering and exposure. Even quarters and half dollars added to the house fund will help raise the total to the required \$300 mark. They should be addressed to "Taylor Fund, care of The Bee," and will be acknowledged.

Backache and Rheumatism Vanish Away.

Men and women having backache, rheumatism, stiff and swollen joints are honestly glad to know that Foley Kidney Pills are successful everywhere in driving out these ills. That is because Foley Kidney Pills are a true medicine and quickly effective in all diseases that result from weak, inactive kidneys and urinary irregularities. Rev. C. M. Knighton, Havana, Fla., writes: "I suffered intense pain in kidneys and back, but after taking Foley Kidney Pills all my pains disappeared, and though I am 55 years old, I feel like a young man every where.—Advertisement."

SUGGESTS WAY TO THAW PIPES WITHOUT DANGER

Assistant Fire Chief J. W. Simpson advises all householders who are forced to wrestle with problems of thawing frozen water pipes to wrap them in cloths soaked in hot water. "Heat applied in this manner will dispense with the possibility of bursting the pipes, and will be much quicker in effect than any other method."

TOP LOAD OF HOGS BRINGS BIG PRICE AT SOUTH OMAHA

A top load of hogs was sold on the South Omaha market today, thirty-nine of them averaging a weight of 284 pounds and bringing a net price of \$5.55. There was no "dock" on the entire shipment.

Mrs. Paul and Her Son Admit That the Charges Are Untrue

Statements signed in the presence of witnesses by Mrs. Nellie Paul and her son, Clarence Risley, asserting that the charges which they have made against Arthur Brandeis are false were introduced in evidence and read in court in the trial of Mrs. Paul's \$300.00 suit against Mr. Brandeis.

The statements are in the handwriting of Mrs. Paul and her son and are dated November 8, 1912. The signatures were witnessed by Irving F. Baxter and R. C. Hunter. The statements follow:

"I, Clarence Risley, do hereby say and declare that all charges made by me of immoral conduct and practices against Arthur Brandeis are untrue and false, and I hereby wholly withdraw any and all such charges.

"CLARENCE RISLEY."
"After reading the foregoing statement signed by my son, Clarence Risley, I do hereby withdraw any and all charges made by me against Arthur Brandeis and acknowledge that such charges were untrue and that I have no claim against him whatever.

Locked Grips Must Carry First-Class Postage Rates

The custom of out-of-town shoppers making their purchases here and then sending a suitcase full of their parcels home by parcel post is growing in popularity here. However, some people fail to realize that locking the suitcase means that the package is sealed, and instead of becoming a parcel post package it is transformed into a letter, and may be carried only at the rate for first-class matter, which is 2 cents for each ounce or fraction thereof. Considerable trouble has been experienced by postal authorities over this situation. Purchasers who desire to send their purchases home by parcel post may insure the package for the amount value of its contents, but locking the suitcase really makes the rate prohibitive. When suitcases are locked and posted for transportation through the mails they are generally held at the Omaha post office and the addressee notified that the postage must be paid at the first-class rate, or the key forwarded so the suitcase may be unlocked, and so transported through the mails as parcel post matter, the rate on which is approximately a cent a pound for the towns within a radius of fifty miles of Omaha.

Missing Girl Found at Hotel with Man

June Tagerewski, 17 years of age, Twenty-fifth and Hickory streets, who has been missing from her home since last Friday, is being held by the juvenile authorities along with A. L. James, with whom she was found at the Mid-West hotel on Dodge streets, between Seventh and Eighteenth, registered as man and wife. Upon trial in police court on a charge of vagrancy, it was developed that the girl was under age and that prosecution of the case was accordingly turned over to the proper authorities.

A New-Type Six

Less Price—Less Weight—Less Fuel Cost Than Fours

This new car—the HUDSON Six-40—brings out many innovations. The engine is a type first developed in Europe—a small-bore, long-stroke motor. And Europe, which deemed the Six too wasteful, now acclaims this Six as the coming type of car.

It has made possible for the first time an economical Six—far more economical than Fours.

This new HUDSON Six-40 weighs 2,980 pounds. That's 400 pounds less than last year's HUDSON "37." It consumes one-fourth less fuel. Yet the HUDSON "37" was a four-cylinder car, shorter, less roomy, less powerful.

Compared with other Fours in this class the difference is greater. Some same-class Fours weigh 40 per cent more and consume one-third more fuel.

Price \$1750

And this HUDSON Six-40—a quality Six—far under-sells any Four in its class. So a man who now buys this-class car pays more for a Four and more for its upkeep than this HUDSON Six-40 costs.

This means, beyond doubt, the doom of Fours above \$1,500.

For several years no Four has been salable at a price which would buy a good Six. Eighteen high-class makers now build Sixes exclusively, and 54 of them build Sixes for best.

Now comes a modest-price, high-class Six—a light-weight Six—an economical Six. And the price is less than many thousands of men have every year paid for Fours.

The Six is smooth-running. It has overlapping strokes. It is flexible, economical of tires. Riding in a HUDSON Six is much like constant coasting.

Men who find this out will not buy Fours at anywhere near this price.

A New Body Type—New Features

The design and equipment is almost the same as the new HUDSON Six-54. And that is considered the handiest car of the year—a really distinguished car.

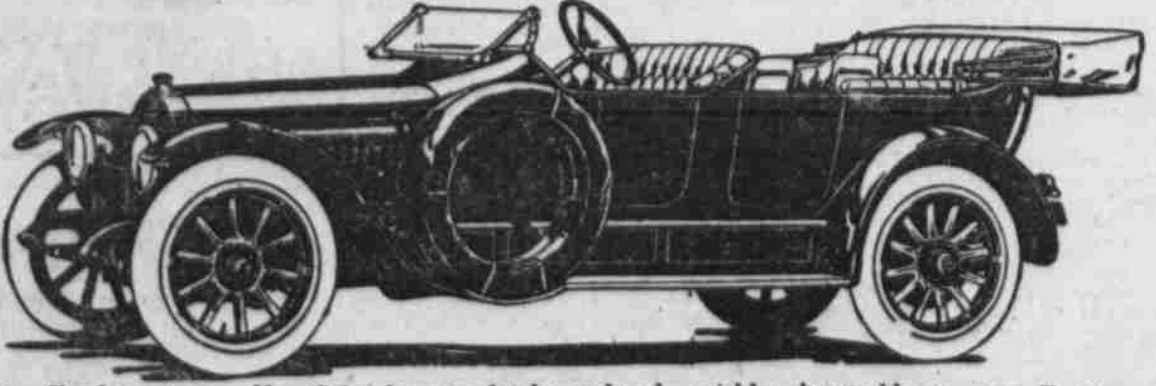

An ideal streamline body of the coming type. Hand-buffed leather upholstery. It has the convenient new "One-man" top with quick-adjusting curtains attached.

Two disappearing tonneau seats. Gasoline tank in the dash. Extra tires ahead of the front door. Concealed hinges, concealed speedometer gear. Dimming searchlights, the Delco patent system of electric starter and lights.

Six months ago there was no car at any price which offered so many attractions.

This new Six-40 is today the most interesting car on the market. The demand for it is breaking all HUDSON records. You may, when you see it, want an early delivery. If so, we urge that you come and see it now.

54 of the 79 Automobile exhibitors at the 14th National Automobile Show held in New York Jan. 3 to 10 this year, displayed six-cylinder cars. Eighteen showed Sixes exclusively. That emphasizes the dominance of Sixes.

Also Roadster type. Also Cabriolet completely enclosed, quickly changeable to open Roadster.
