

THE PRESENT SELECTION here of Spring Fashions is equal to the display usually made just before Easter, and includes many exclusive models and materials of which there is but one of a kind.

Therefore, it is none too early to choose styles for Spring. in fact, there are decided advantages in making selections now from this distinguished collection of the new modes.

Tailored and Semi-Tailored Suits Afternoon and Evening Gowns Limousine, Travel and Sport Coats Exquisite hand-made Blouses

Children's Coats Reduced

To Show All Cars That the show this year will be ibgger and better than any previous show is assured. This year every dealer in the

city joined the association so that there is not a car handled in Omaha which will not be displayed in some booth at the big event. All of the agents this year have special

exhibits which they secured from the factories. Many of the exhibits shown at the national shows at New York and Chicago have been shipped to Omaha intact. All displays will include a standard stock touring car of the latest model in addition to special displays of fancy roadsters, speed cars and the like. Most of the exhibits will include an open chas-Trucks in Basement.

In the basement the largest display of be held. The entire basement has been contracted for so there will not be an atom of space unoccupied. Previous to this year there has always been room left over in the basement.

The motorcycle exhibit will occupy the balcony corridor. Half a dozen brands of motorcycles and a cyclecar will atthe Auditorium.

Already visitors are flocking into the city while traveling representatives of firms and factory experts and heads have been here for several days making final arrangements. The show has been given more acknowledgement by the manufacturers this year than before and that is the perfect criterion of success in the motor world today.

PROGRESS BACKWARD

(Continued from Page One.)

dence the bull moosers have themselves reach the people. They have been well supplied with funds from some source and are able to get abundant newspaper lows has already given warning that the space, which they use without stint,

Their first conference, the one in January, was addressed by two or three state leaders and by two men from New York City, two from Illinois, one from Colorado and some other outsiders. It did not escape attention that each and every one of these except one of the state leaders dealt almost entirely with intercounty Young Men's Christian assothe alleged defection of Senator Cumwith one accord berated him, ridiculed him, called in question his sincerity and resentations of him. The one who didn't and Sac counties. Following a banquet attack him is an avowed candidate for in the pariors of the Methodist Episcopal the bull moose nomination for the senate.

February Conference Secret. Then came the February "conference which was not general, but was secret and not public and only such information got out as was given to the bull moose organ here by authority. It was in fact a meeting of an eastern co tee of the party. One O. K. Davis came direct from New York City to handle the meeting. He as "secretary of the national progressive committee" and Wal ter Brown, advertised as a "national or-But the first announcement which came

was heraided as a decision, was this: "The candidate to be brought out by that purpose and executed, pursuant to to happen in case investigation proves the progressives against Senator Cummins was discussed yesterday to some "The United States has not only the extent, but the choice of the man will be Then there was another day of conferences, so they announced, though they were held in a law office and in secret and they announced through their chose

avenue of publicity as follows: The conference over the selection of candidates for the chief places on the progressive ticket, it was rumored, falled of definite results. National leaders were encerned, according to the report, in seuring if possible a strong former progressive republican to enter the race for the progressive nomination for senator. With such a man nominated the hope of beating Senator Cummins would be much more concrete than it now appears that it will be."

Then the conferees packed their grips and went back to New York City to report. It was following this just a few it declares that Villa killed Benton in ond district, since which nothing has

Why Fight Cummins Only? But accepting the record as they themselves were making it, or at least, as to be treated for the grip. On the way they were announcing it, some pointed erystpelas developed.
