HOGS-Receipts were very moderate for a Friday, only about ninety-one cars, or 0,400 head, being received. For the five days supplies total #1,606, being nearly 5,000 abort of last week, but a trifle larger With moderate receipts, and advices from other points indicating higher prices,

the local market opens in fair shape this morning, and shipper and speculator buyers picked up quite a number of loads of good light and tutcher weight loads of good light and butcher wright hogs at prices that were quoted as birloc higher. Packers, however, stuck to their bear tactics, and their early bids were no better than steady. Killers falled to get much of anything at the figures of-fered early, so that as far as packers were concerned, the market was very little different from the earlier days of the week.

the week. As the morning advanced it became ap-As the morning advanced it became ap-parent that packers would have to raise their bids if they expected to fill their orders, and as shippers stayed in the game throughout the morning, some of the killers finally came to time and bought a few bunches at the nickel ad-

bought a few bunches at the nickel ad-vance. Movement was extremely slow through-out, and it looked for a while as though valkas would be weaker on the close, but shippers continued buying until prac-tically everything had been cleaned up, and while the late market was very draggy, early prices were fairly well sus-tained.

aragy, carly prices were fairly well sus-tained. Bulk of the sales was made at \$5.2969 5.35 and tops reached \$5.46, several loads selling at this latter price. Representative sales.

can always find quickly trustworthy information by experts on any subject-about Steamship A Few of the Five Lines or Printing: Textiles or Thousand Lawyers, Railways; Insurance or Enamels; Judges, Courts, Cold Storage or Vaccination: what etc., that use the is the difference between human and animal blood; what are the symptoms of shock; or why it is harder to estimate the width of Britannica Supreme Courts of 30 states U. S. Supreme Court U. S. Court of Claims a river than that of a field as wide,-say in testing a witness; U. S. Commerce Court U. S. Ct. of Customs Appeals how milk is adulterated; or why the shadow cast by an electric light is sharper-edged than that U. S. Adjutant General Charles J. Bousparte cast by the sun; or the answer to Paul D. Cravath any one of thousands of pressing questions of fact, impossible to John W. Gaff Martin W. Littleton Frank Moos foresee or for even the wisest of Francis Lynde Statuon men to prepare for. Wayne BineVengh

The New Encyclopaedia Britannica

is a Work of Proved Utility in Every Walk of Life

Experts use the Britannica to increase their knowledge of their own subjects. And they use it to obtain the help of experts on subjects outside their specialty. It increases their effi-ciency. It can increase yours. The Britannica is "the contribution of expert men to inexpert men," says Dr. Lyman Abbott.

Knowledge is the key to success. Ownership of the Britannica means admission to the ranks of those that know. The reasonable price of the book and the convenient plan of paying for it in small monthly payments have placed this great efficiency library in the hands of thousands of subscribers with incomes of the most modest size.

The Cambridge University Press has announced the DRIT Note Manufa State and and root une termination of the direct sale to the public, at a special low price and with the privilege of partial payments. Save money by acting now.
