*the body-waste producing uric acid must be gradually arrested and the blood purified.*

Correct diet is essential. Abstain from tea and anything containing alcohol; eat meat only once a day and take SCOTT'S EMULSION after every meal.

SCOTT'S EMULSION makes new blood free from the poisonous products which irritate the joints and muscles; its medicinal force relieves the enlarged, stiffened joints; and more, SCOTT'S EMULSION stimulates the forces to expel the poisonous acids by its concentrated nourishing properties.

Physicians everywhere prescribe Scott's Emulsion for rheumatism.

EVERY DRUGGIST HAS IT.

#### TAXABLE NUMBER INCREASES

Under New Income Law Corporation Total is 300 Per Cent Greater.

#### MANY OBLIGED TO PAY THE LEVY

Eighteen Hundred and Thirty-Two Nebraska Companies Affected by Rulings of the Statute that is Now Effective.

Under the new income tax law, the number of corporations in the state of Nebraska which will be compelled to pay a tax to the government on their earnings has been increased more than 300 per cent, according to figures given out at the office of Rosa L. Hammond, collector of internal revenue for the state of Nebraska.

The corporation tax law effective prior to the passage of the income tax law provided that corporations showing a net earning of more than \$5,000 a year should pay a tax on their net earnings to the government.

Under the income tax law, a number of smaller Nebraska corporations, which were exempt under the former law, are compelled to make the return and pay a tax regardless of the amount of their net earnings.

**Number is Increased.**

In January of 1913 there were 178 taxable corporations in Nebraska, and 523 were listed in February of last year. Under the new income tax law 627 Nebraska corporations were listed at the office of collector of internal revenue in 1914, and 1,822 during February of this year, an increase of more than 300 per cent in the number of corporations which will be compelled to pay a federal tax under the new income tax law.

Corporations under the old law were warned of the time of payment of their tax to the government, but under the new statute there was no such notice given, and as a result a number of Nebraska corporations failed to file their income returns before March 2, and as a result may be compelled to pay a fine or penalty.

#### Retailers to Work for Bonds to Buy the Auditorium

The Associated Retailers of Omaha, have not only endorsed the passage of the Auditorium bonds, but they have launched an active campaign for the support of the bond proposition, which will be voted upon at the special election on Tuesday, March 10.

Foot cards have been mailed to every member of the association, reminding him to vote for the bonds, and to do everything possible to support the Auditorium

#### MANY SORE AT STEPHENS

Editor Donovan Says Demo Congressman Will Never Go Back.

#### QUEERED WITH DEMOCRATS

They Feel His Party Primary System Has Not Been Fair to Party Workers Who Have Told Long in the Ranks.

(From a Staff Correspondent.)

LINCOLN, March 6.—(Special.)—“Most any republican will be able to defeat Congressman Dan Stephens if he gets the nomination in our district,” said A. K. Donovan, editor of the Madison Star-Mail, at the state house this morning.

Mr. Donovan is emphatic in his declaration that Mr. Stephens has queered himself with the democrats in the Third congressional district and will not be able to pull another nomination across, and if he does, it will be practically easy for a republican to defeat him.

His action in dodging the proposition of appointing postmasters in the good old fashioned way in the cause of the discontent, according to Mr. Donovan, and the result of the postoffice primary in Madison, where party workers were turned down and a man selected by republican voters for the position has left sore spots which cannot be healed.

“Nobody would have kicked very much,” if any of our democratic workers had been selected for the place, but when you take into consideration that a republican called the primary and the republicans voted at that primary and were responsible for the choice of the men selected it is not a fair shake and Mr. Stephens will find it out if he persists in going after another nomination.”

#### Barnard Submits His Name for Place Now Held by Wait

(From a Staff Correspondent.)

LINCOLN, March 6.—(Special.)—Clyde Barnard today made the long-looked-for filing for the nomination for secretary of state on the republican ticket.

Mr. Barnard has been long identified with state affairs, though never before a candidate for a political office at the hands of the people. He was several times first assistant clerk of the lower branch of the legislature and later chief clerk of the same body. At the last session he was secretary of the senate.

Another man who desires to try for a state office is Representative James Pearson of Moorfield. Mr. Pearson filed this morning for the nomination for lieutenant governor on the people's independent and democratic tickets and makes affidavit that he affiliates with both parties. While making a personal finding in both cases his democratic filing is backed up by a petition signed by several democrats. It is noted that in his letter accompanying the filing he uses the name of the “people's independent” party first, though Mr. Pearson has always been a democrat.

#### Masonic Banquet at Madison

MADISON, Neb., March 6.—(Special.)—The annual Masonic banquet for the members, their wives and friends occurred last evening at the parlors of the Methodist Episcopal church. Covers were spread for sixty-five guests. The banquet consisted of three courses and was served by the ladies of the Methodist Episcopal Aid society. W. H. Field was toastmaster. Toasts were responded to as follows: “History of Masonry,” by W. L. Dowling; “Harmony,” by R. G. Mossman; “Fraternity,” by Henry Aitschuler; “Why Masonry Has Endured,” by M. S. McDuffee. E. Z. Hornberger favored the company with vocal solos.

### Saturday is going to be a busy day in our girl's and junior's departments

We've been busy, all hands around, for the past ten days, marking and putting in stock the daintiest, prettiest, moderate priced apparel for young people ever seen in Omaha. The unanimous opinion of those who have seen these wearables is that no store in town will be able to hold a candle to us for young folks' garments of real worth. Lots of people have bought and lots more will buy on Saturday. Better bring your girls in for an early season outfitting.

#### Graff May Get Job of Superintendent at Minneapolis

Superintendent E. U. Graff of the Omaha public schools is one of five men being considered as superintendent of the Minneapolis schools. The Minneapolis position carries a considerably higher salary than the Omaha superintendency. A short time ago President Ellwell and other members of the Board of Education visited with Superintendent Graff.

#### PRACHT LOSES HIS HEEL IN TRYING TO RUN ELEVATOR

Richard C. Pracht, 712 North Twentieth street, suffered a painful injury Thursday afternoon when the heel of his right foot was caught in the elevator at the McCord-Brady warehouse, where he was employed. The entire fleshy part of the heel was torn loose from the bone. He is now at St. Joseph's hospital and physicians attending him are not certain whether they can stitch the flesh back into place in such a way that it will heal properly, or whether this will have to be removed so as to leave the bone exposed.

Young Pracht has been employed at the McCord-Brady wholesale house for some time, but was not engaged as an elevator conductor originally. During the last few days, in the absence of the regular conductor, Pracht was ordered to run the elevator. He has had no experience in this kind of work previous to this time, and knew very little about elevators.

#### PROTEST IS FILED AGAINST CELEBRATING THE TORNADO

An anonymous communication protesting with great fervor against the proposed “celebration” of the anniversary of the death-dealing tornado which visited Omaha last March has been received by city clerk Thomas J. Flynn. The writer, signing himself “a citizen,” suggests that if Omaha is in need of some event to celebrate a “Founders” day be observed annually.

#### Girl Has Vision of House in Which Meeker is Held

GRAND ISLAND, Neb., March 6.—(Special Telegram.)—Search for Howard L. Meeker was resumed here today. Chief Arbergast, two assistants and a young woman from Lowell taking an automobile trip into the country as a result of a “vision” by the young woman, of the house in which Meeker is supposed to be held for ransom. Meeker's father is also here, financially backing the search. The young woman in question does not claim to be a seeress, but in a trance claims clearly to have had the way pointed to the young man's place of bondage, out of Grand Island.

#### Attorney General Gives Rap at Auditor

(From a Staff Correspondent.)

LINCOLN, March 6.—(Special.)—Briefs of the defendants, Lawson G. Brian, secretary of the insurance board and Governor Morehead and Attorney General Martin were filed with the supreme court in the case wherein Auditor Morehead seeks to regain control of the insurance department.

Mr. Martin sets out that the auditor is wounded because he failed in his fight before the legislature and if he could again secure possession of the insurance department it would be a pleasing triumph. With the auditor the wishes of that body (the legislature) so far as this law is concerned count for nothing when in conflict with his ambition to be not one-third but three-thirds.

No attempt is made by the attorney general to answer that portion of the case in which the auditor asked for notice of the proceedings, claiming they were illegal without such notice.

#### Landlord Johnston Surprised by Friends

(From a Staff Correspondent.)

LINCOLN, March 6.—(Special.)—The New Landel hotel was the scene of a delightful banquet last night when about fifty close friends of the proprietor, H. W. Johnston, gathered to celebrate his birthday. A feature of the evening was that Mr. Johnston, who came here from Waterloo, Ia., a little over a year ago, did not know that the event was in honor of his birthday until he was seated at the table.

The event was engineered by Senator Crawford, Kennedy and Food Commissioner Clarence Harman. Among the guests were Senator Bartling, Nebraska City; ex-Senator Banning, Union; ex-Representative Dan Killen, Beatrice; Governor Morehead, Bishop Tihen, Supreme Court Judge Hamer, Clerk of the Supreme Court, Harry Lindsey, Private Secretary Morrissey, Treasurer W. A. George and Auditor W. B. Howard.

Short addresses were made by all of the above, representatives of Omaha and Lincoln papers and several others. Telegrams of congratulations and regrets at not being able to be present were read from Senator Cummings and the mayor of Waterloo and one of two other old friends of Mr. Johnston in Iowa, and from Colonel John Maher in Mexico, who said that the situation was such there that he could not complicate matters by leaving.

#### Man Suffocated in Dry Kiln

MASON CITY, Ia., March 6.—(Special.)—Frank Sennitt was found dead this morning in one of the dry kilns of the Mason City Brick and Tile plant. He had been in this city off and on for some time and was known as a wanderer. Yesterday he said he was going to Duluth. Last night he sought shelter in the warm kiln and the supposition is that he inhaled too much gas and died as a result. He was about 50 years of age.

#### Plans for Missionary Convention

AURORA, Neb., March 6.—(Special.)—The executive committee of the Woman's Home Missionary society of Hastings district met at the home of Mrs. M. F. Stanley Thursday to plan for the annual convention, which will be held in Gresham May 6 and 7. It is expected that Dr. Howard of the Sibley hospital at Washington will be at the convention.

#### Ice in Platte River Begins Going Out

LINCOLN, Neb., March 6.—Ice in the Platte river began going out today and the river is on its annual rampage from Columbus to Plattsmouth, but the damage thus far has not been great, and watchers believe the loss this year will be less than usual. At Fremont dikes are protecting the town, but low lying land west of there is under water. Near North Bend a huge gorge threw the main channel of the river to the south in the vicinity of Morse bluff, leaving the usual river bed practically dry. At Ashland a squad of men is patrolling the river, ready to use dynamite on any gorges that form and threaten the bridges at that place or Louisville. The ice is moving into the Missouri at Plattsmouth and the water is not appreciably higher. On the Iowa side of the Missouri from Plattsmouth considerable land is under water.

#### STATE TAX COMMISSION SOUGHT BY INVESTIGATORS

(From a Staff Correspondent.)

LINCOLN, March 6.—(Special.)—Four members of the state tax commission, Chairman J. H. Grosvener of Aurora, C. W. Sears of Omaha, C. A. Schappel of Pawnee City and Prof. G. O. Virtue of this city left last night for Topeka, where they will sit two days at the permanent tax commission of that state. Secretary E. B. Gaddis, who remained here, is working spare time in the preparation of a part of the report which the commission will make in July.

According to Chairman Grosvener, it is believed that many tax officials of this state may be solved on substantially the same basis utilized by the Kansas authorities in solving the tax problems of that state.

The centralization of tax authority in a state tax commission operating in direct contact with the individual taxpayers of the state is a change which the Nebraska commission is quite likely to recommend. We want to see such a body in actual operation so that we may judge of its merit and may make our own deduction as to any possible drawbacks that may exist,” he said.

**Special Health Warning for March**

March is a trying month for the very young, and for elderly people. Croup, bronchial colds, lagrippe and pneumonia are to be feared and avoided. Foley's Honey and Tar is a great family medicine that will quickly stop a cough, check the progress of a cold, and relieve inflamed and congested air passages. E. C. Rhodes, Middleton, Ga., says: “La grippe gave me a hacking cough for which I got no relief until I took Foley's Honey and Tar Compound, and was soon well of both cough and cold.” For sale by all dealers everywhere.—Advertisement.
