**SAYS SOLD GOODS TO STATE**  
 List of Vouchers Set Out Wherein  
 Hoffman & Viede of Norfolk  
 Sold Supplies to Wayne  
 Normal.

(From a Staff Correspondent.)  
 LINCOLN, March 12.—(Special.)—Governor Morehead is in receipt of charges today made by George Bichel of Kearney asking for the removal of A. H. Viede of Norfolk from the state normal board.

The charge is made that contrary to law the firm of Hoffman & Viede of Norfolk has sold to the state normal board, of which Viede is president, a large amount of goods under contract and that in substance Viede has been reaping a financial benefit from goods sold by himself to the board for the use of the Wayne Normal school.

The charges of sale, with the dates, are made as follows:  
 October 2, 1911—\$385.54 for mattresses, etc.  
 November 1, 1911—\$172.00 for armchairs, etc.  
 November 17, 1911—\$37.51 for electric fixtures.  
 December 16, 1911—\$11.50 for book case.  
 March 7, 1912—\$49.50 for linoleum.  
 June 14, 1912—\$80 for coats, etc.  
 June 14, 1912—\$642.50 for chairs, etc.  
 June 14, 1912—\$42.70 for shades, etc.  
 October 7, 1912—\$210.20 for beds and stoves.  
 May 25, 1913—\$738 for furniture.

The statutes of the state prohibit any member of the state board from being interested in any contracts for the sale of material to the state.

Governor Morehead says that the matter will be probed to the bottom. Viede was appointed by Governor Aldrich.

**Heirs Appeal Jones Will sue.**

YORK, Neb., March 12.—(Special.)—Heirs of the late A. H. Jones appealed to the district court from the decision of County Judge A. G. Wray, in which the widow was given a share of the estate as provided by law. Mrs. Jones was the second wife of the deceased and she was not satisfied with the will. The heirs of Mr. Jones by a former marriage maintained that there had been a verbal pre-nuptial agreement, which was carried out in the will, which the widow denied. Judge Wray held that the agreement was void for the reason that it was not in writing. The estate is valued at \$50,000.

From 5 until 7:30 was devoted to sociality and the serving of supper in the church. In the evening Dr. Embree preached a sermon on "Militant Methodism." **DR MMERS HAVE FRIENDS ENOUGH TO SAVE THEM**

(From a Staff Correspondent.)  
 LINCOLN, March 12.—(Special.)—A resolution calling upon wholesale houses in Nebraska to cut down their forces of traveling men at least to one-half of the number and put the amount saved into a lower price on the material sold to the retailers failed to get sufficient votes this morning at the Nebraska Mercantile association meeting, notwithstanding many speeches were made favorable to the resolution. The resolution also set forth that much valuable time was wasted by merchants talking to traveling men who swarmed their stores and tried to sell them goods.

A resolution passed instructing the executive committee to see what can be done in the way of co-operative buying and to put in practice the result of their investigation.

An address by W. G. Elliott was very bitter against the commercial travelers and it was evident that he had little use for the good-natured drummer. He could hardly find language strong enough to cover his case, but could not drum up enough support to adopt the resolution against them.

The meeting closed today with reports of officers and a few minor resolutions.

**BUFFALO COUNTY FAIR WILL MAKE IMPROVEMENTS**

KEARNEY, Neb., March 12.—(Special.)—At the election of officers for the Buffalo County Fair association for the coming year F. P. Roby was elected president, O. G. Smith secretary, C. C. Carrig treasurer and a good live board of directors will manage the affairs of the association this year. It is planned by the association to build more horse barns this season and a large pavilion in which the farmers can sell their live stock in the ring during the three days of the fair, one being devoted to horses, one to cattle and one to hogs.

Superintendent Elliott has informed the association that the schools of Buffalo county would build a large building for the exclusive purpose of displaying the work done in the schools of the county, each school child giving 10 cents toward the fund.

The spring race meet will take place on July 2, 3 and 4.

**Burglary at Holbrook.**

HOLBROOK, Neb., March 12.—(Special Telegram.)—Last night, about 8 o'clock, the residence of Guy Butler was entered while the family was at church and two gold watches and \$5 or \$6 in money taken. Harvey Butler, Guy's father, had just returned from town and heard a noise in the room. The culprit had one of the lamps lighted, and when he heard Mr. Butler approaching he blew out the light. Butler grabbed the thief, but could not hold him and he made his getaway.

**TECUMSEH COMMERCIAL CLUB IS REORGANIZED**

TECUMSEH, Neb., March 12.—(Special.)—Tecumseh again has an active Commercial club, reorganization of the body, which had been inactive for some time, having been perfected last evening at a well attended meeting at the club rooms. The committee on collections and membership had been at work over the city previous to the meeting, and the report showed that the membership of the club is sixty, and that a sufficient sum of money had been collected to take care of all indebtedness and to keep things running for some little time.

The following officers were elected: President, Frank Dufoc; vice president, G. W. Willis; secretary, Oscar Douglas; corresponding secretary, Harry Viliary; treasurer, C. E. Stewart; members of the board of directors, Harry Phelps, P. A. Brundage and E. G. Howard.

**SEND IN RESERVATIONS FOR LEGISLATIVE BANQUET**

(From a Staff Correspondent.)  
 LINCOLN, March 12.—(Special.)—Members and ex-members of the legislature who expect to attend the banquet of the Legislative league which meets in Lincoln March 20 are asked to send in their reservations for a seat at the table to Henry C. Richmond, care of the secretary of state, Lincoln.

Reservations are being made from the secretary's office and indications point to a bumper crowd, as old members of the legislature who helped to make the laws of the state back so far that the mind of man can hardly remember have signified their intention to be present and rub up against others who have seen service in later years.

Additions to the already fine toast list have been made and among them are ex-Governor Holcomb, John C. Watson, Allen W. Field and C. D. Casper.

**NEW KIND OF SERVICES FOR METHODIST CHURCHES**
