Mayor Hoctor Issues Proclamation Urging Church Attendance.

ASKS EVERYBODY TO TAKE PART Dedication of New Methodist Church

Will Take Place in Week, Committee Being at Work Now Arranging Pregram.

Mayor Thomas Hoctor has placed his approval upon the "go-to-church" move for next Sunday. Not that the mayor has even intimated there is need of such a thing in the Magic City, but merely to be in tune with the progress of events. A number of the clergymen of the city, including Dr. R. L. Wheeler, pastor of the First Presbyterian church, have announced special services for the occasion.

Mayor Hoctor yesterday issued a proclamation calling on the people to attend

lamation calling on the people to attend church next Sunday. Follows the text of the mayor's proclamation:

To the People of South Omaha, Neb. Greeting—The idea seems to prevail throughout the United States at this time that too few of our people observe the hird commandment by attending religious services on the Sabbath day and hear the word of God, and, as there is a general movement throughout the country that the people more fully observathis law by goins to church on Sunday, and our city being one to lead, rather than follow in all good things, and as "It is a holy and wholesome thought to pray for the dead," so is it soothing to our conscience and balm to our soul to observe the law of God.

Therefore, I. Thomas Hoctor, mayor of the city of South Omaha, most earnestly request the people of this great city, whether Jew or Christian, to lead in this movement and observe it. Yourselves, your neighbors and our city will be the better for it.

Doc Keeps is Limelight.

It may be that Seuth Omaha will be lost to the Bryan wing or the Gemocratic party because of the slieged slight done to South Omaha Gemocrats when the name of none of their valiant orators or colonels appeared among the list of speakers at the Bryan birthday banquet Thursday. "Doc" Tanner, who is always on hand with the words of quer Thursday. "Doc" Tanner, who is always on hand with the words of quet Thursday. "Doc" Tanner, who is always on hand with the words of weighty wisdom and rally round the party of Jefferson and Bryan stuff, was at the banquet, but somehow "Doc" was not called upon to unbosom himself of a message that might have added to the message that might have added to the new freedom. Doc says nothing, of course, but his friends want to know why and wherefore South Omaha was not recognised, if not in "Doc," then in some other stalwart candidate for the
