Rourke Aggregation Goes to Lincoin Today, Where the Men Will Meet the Antelopes in Several Games.

Before a score of fans the Rourke Regulars trounced the Yantgans yesterday afternoon at Rourke park, 9 to 8. The victory was decidedly clammy, the result of the mud in which the athletes flourdered when hiking around the bases. Regardless of conditions, the game was pleasing because it proved that some of the Rourkes could really hit the ball. The Regulars annexed 17 hits before the contest culminated.

The Yanigans were strengthened by Stevenson, Hicks and Brady, members of the regular squad, but even that could not postpone the slugging of the athletes. Wallace and Thomason were the bitting flends, although Thomas, Krug and Payne got in timely wellups. Wallace made three hits and Thomason four, Walface was played at second on the regular toam and he assisted materially in the

Young Alexander pitched for the Regwars for three innings and did himself proud. The Yans got but two runs and three hits, even though he was only using his slow ball. The youngster's slow ball is a pippin and Alexander should be a winner if he can mix up the slow one with a curve ball.

Ormsby got back into the fray after a period of incapacitation due to a sore arm and he did well, although he was a bit wild. The Yans made neither run nor hit off the Wisconsin pitcher and it looks as if he would become a steady twirler-This morning the team will depart for Lincoln to battle with Charley Mullen's proteges. Gonding is after revenge and he asserts he will get it if the boys hit

like they did yesterday. The lineup:
