THE famous Castles are coming to Omaha! Omaha people are soon to have the opportunity of seeing "The Castles" give their original "Castle Walk" and other dances...

Almost every week during the last two seasons returning eastern travelers have made their friends envious with thrilling tales of the new dances as they saw them at Castle House in New York...

Castle House has been quite the smart place to go to tea, and incidentally to learn the newest steps.

Mrs. Castle is unusually pretty and was a society belle before she met Mr. Castle, and with him became the leading exponent of the modern dance.

Among their greatest admirers in Omaha are Mr. David J. O'Brien, Mr. R. L. Huntley, Mr. Walter T. Page, Mr. and Mrs. C. T. Kountze, Mr. and Mrs. W. A. C. Johnson, Miss Claire Helene Woodard, Misses Beatrice and Irene Coad, Miss Louise Dinning and many others who have spent considerable time in New York during the last two seasons.

Why Travelers Like Tourist Sleepers. An increasing number of travelers to California each year make this journey in tourist sleepers. This increased patronage is quite natural, as there is a material saving between the cost of transportation good in standard sleepers and that good in tourist sleepers, while the latter are steadily improving in the important features of car building, interior design and comfort. Those in Burlington service have gas and electric light fixtures, carpeted aisles, lunch tables, lavatories, smoking compartments, and are carried in the Burlington's high class, electric lighted trains. Several tourist sleepers leave Omaha each week for California, under the escort of special Burlington conductors, whose sole duty is the care of our patrons. Now add these features of the journey—Denver, Colorado's scenic panorama, Salt Lake, the Burlington's well operated trains, the interesting cities along the way—and you have a combination of travel attractions that explains the success of these Burlington Personally Conducted Parties. \$30 OMAHA TO CALIFORNIA, OREGON AND WASHINGTON. \$25 OMAHA TO UTAH, SOUTHERN IDAHO, CENTRAL MONTANA.
