

ECHOES OF THE ANTE-ROOM

State Lodge of Odd Fellows Celebrates Forty-Ninth Anniversary.

MOOSE LODGES KEEPING BUSY

Supreme Guardian Emma B. Manchester of Woodmen Circle Resumes Duties After Prolonged Sick Spell.

State lodge No. 10 celebrated the forty-ninth anniversary of its institution last Monday evening by giving an entertainment and dance for its members and friends. There were over 300 people in the hall when the program began. C. M. Coffin read a history of State lodge, recounting the activities of the lodge during the last forty-nine years and told why it has become the wealthiest Odd Fellows lodge in the state of Nebraska. Several musical numbers were given and the floor was cleared and dancing indulged in until midnight. Supper was served in the banquet room during the evening.

Omaha lodge No. 2 will have work in the first degree next Friday evening. Beacon lodge No. 20 will put on the Initiatory degree next Tuesday evening.

A special grand lodge session was held at Hastings last Wednesday afternoon and evening. Seventeen Odd Fellows lodges in and adjacent to Hastings took part in the session, which was attended by 300 members. Grand Secretary Gage and Grand Warden Greenleaf were present and addressed the session. The business meeting was held in the afternoon when the grand lodge and past grand degrees were conferred upon a class of fifty-three candidates. In the evening the second and third degrees were exemplified by degree teams from Grand Island and Hastings.

Danabrog lodge No. 216 will have work in the first degree next Friday evening. Benson's Odd Fellows lodge held its tri-monthly social at its hall last Monday evening, when the families of the members were the guests. A program, mock initiations and refreshments were given during the evening. Those taking part in the program were Harold Chadwell, Miss Merle Longacre, Miss Chadwell, Miss Wyant, Messrs. McClung and McCray.

South Omaha lodge No. 14 will have work in the Initiatory degree tomorrow night. Wana lodge will have three candidates for the first degree next Wednesday evening.

Loyal Order of Moose.

S. S. (Dad) Turner of Missouri Valley lodge No. 144 visited with Omaha lodge No. 90 Friday. Dad Turner was a star pitcher for the Omaha team in the Western league in 1888.

District Director F. M. King reports splendid results in Omaha. He was accompanied by Hon. Arthur H. Jones, past supreme dictator of the Loyal Order of Moose, who will lecture on Moosehood at the American theater Thursday.

Omaha lodge No. 90 will install officers Wednesday evening at the Moose club, 416 South Seventeenth street.

Magic City lodge No. 298, Loyal Order of Moose, will install officers Thursday at Moose home, Twenty-fifth and M streets, South Omaha.

Council Bluffs lodge will install officers Friday evening.

Omaha lodge No. 90, initiated another large class of candidates last Wednesday evening.

The Moose bass ball team will visit and play Moose and other teams within a distance of 100 miles of Omaha. For dates write Max Kepfl, care of Moose club, Omaha.

C. H. Likins, national director, Loyal Order of Moose, returned from a visit to the Moose lodges on the Mississippi river and reports great interest among the members.

Hon. A. L. Sutton is now past dictator of the Omaha Moose lodge, an honor deserved, giving strength and stability to the Moose order.

Theatrical Mechanical Association.

The recent resignation of one of the members of the Theatrical Mechanical association, No. 28, as an officer of the organization, was not as rumored, on account of any change in policy engendered by ill feeling within the organization.

The resigning member, who has been an active worker since the original organization in 1906, declared he was not in favor of increasing the dues and death benefits at this time, owing to the heavy expense incurred in furnishing the new quarters and the falling off of receipts of the restaurant feature of the lodge, due to the excessive fear of the members to patronize the restaurant owing to the recent actions taken by the authorities.

Questions of the legality of this organization, and the right to operate as a subordinate lodge of an international organization is in controversy at this time, over a misunderstanding, and the lodge will no doubt be given an opportunity to prove to the contrary any allegations that the Theatrical Mechanical Association No. 28 is not an organization founded upon the principles of charity, benevolence and fidelity.

Woodmen Circle.

Mrs. Emma B. Manchester, supreme guardian of the Woodmen Circle, has resumed all of the duties of her office, and is now able to pay official visits to organized groves in process of installation. Mrs. Manchester attended the installation of a new grove at Blair Friday evening, at which time a class was introduced, through the efforts of Deputies Edward J. and Inez M. DeVills.

The supreme guardian reports an interesting meeting and is looking forward to some splendid work in the future by the new grove, as well as the one already organized in Blair.

Ancient Order United Workmen.

Union Pacific lodge No. 17 will have an extra special meeting Friday night. The meeting will adjourn at 10:30 p. m. Big free entertainment given by North Omaha lodge No. 29 on Wednesday evening. Refreshments.

South Omaha lodge No. 90 will have No. 125 drill team put on the work, for twenty-five candidates, all workmen have been invited to be present, on Tuesday, April 7.

Brotherhood of American Yeomen.

The women of Brotherhood of American Yeomen will give their regular monthly dancing party at Baruch hall Wednesday evening, April 8. These dances are becoming more popular every month. Splendid music is furnished.

DISTRIBUTION OF BARTON ESTATE IS RATIFIED

The last move in the settlement of the \$2,000,000 estate of Guy C. Barton was made when County Judge Crawford ratified the acts of the trustees who distributed the estate among the heirs and discharged them from liability.

High School Play Meets With Success

In the contest Friday night at the Omaha High school between the juniors and seniors the latter came off victorious, winning seven points out of nine.

The two things the juniors won were the vocal solo by Arthur Renner and the piano solo by Miss Frances J. Johnson. The seniors made a clean victory over the juniors by winning the debate and the burlesque and also the recitation given by Rachel Metcalf.

The burlesque by the junior class was written by the girls of the class and acted by the boys. The play was taken from one of Shakespeare's plays, the names being changed to those of prominent senior fellows. It also was altered so that it contained stunts and jokes upon the senior class as a whole. The boys taking part in the play were Leroy Buzzard, orator; citizens and servants; Wilson Byrons, William Campen, Fridolf Engstrom, Robert Edwards, Fred Eyer, Paul Flouhou, Paul Gilmore, Edwin Gould, Victor Graham, John Jenkins, Arthur Klein, Rauben Melcher, Milton Moskowitz, R. Robert Odell, Gustav Wickstrom.

The play given by the senior class also was taken from Shakespeare and the scene from the plot upon Caesar. The girls of the senior class altered titles to define how the freshmen plot against the seniors. In the end of the play it showed how the senior, with his superior knowledge, finally manages to outwit the freshmen. Those taking part in the play were Arno Truesion as Julius Caesar; Edmond Booth and Kenneth Norton, Brutus and Marc Antony, respectively; Hayden Myers, Byron Snyder, Harold Aldrich, conspirators against Caesar; Marion Weller, Marie Rowley, Clara Lindley, Mary Dunn, Charles Weith, Clay Bisel and Harry Claiborne, retinue of Caesar; Elizabeth Carr and Elizabeth Crawford, mothers of the freshmen and sophomores.

The contest, on the whole, was a great success and the object which Miss Metcalf had in view, that of raising a fund to beautify the central court, was achieved.

Churches Plan to Continue With the Go-to-Church Move

Follow-up campaigns by the various churches are being waged to maintain the increased attendance which resulted from 'go-to-church Sunday.' The individual churches have in many instances listed the nonchurchgoers in their communities and have systematically canvassed them to secure their regular attendance. All the pastors of the city expect continued and permanent results from the recent campaign and are striving to make their sermons and services as attractive as possible to unchurched people without deviating from their regular course of religious worship and work.

Meat Injurious to the Kidneys

Take a tablespoonful of Salts if Back hurts or Bladder bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent urino-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active. Advertisement.

Omaha Artist Has Painting Accepted by the Paris Salon

Miss Ethel Evans, formerly of Omaha, and sister of Mrs. Z. T. Lindsey of this city, has had her painting "Margarite" accepted and it is now hanging in the Salon Internationale des Beaux Arts in Paris. The picture is one painted last summer in Giverny by Miss Evans, who has been in Europe for two years.

Miss Evans was formerly supervisor of drawing in the public schools in Omaha and was art critic for The Bee. She also assisted in the art exhibitions at the exposition here in 1908 and 1909.

Miss Evans was seriously injured in New York City four or five years ago by an explosion in the Pennsylvania station, which she was at the time passing in a street car. She lost the sight of

one eye and it was thought that this might impair her artistic career, but the record success proves that this was not the case.

Daily News for Sale? Talk of 'Met' as Editor

An item in the current Examiner tells of negotiations by representatives of the Bryan wing of the Nebraska democracy to acquire control of the Omaha Daily News as part of the campaign of "Brother Charley" Bryan for governor, "upon the theory that the national administration has no daily mouthpiece among the papers of the state." The plan is said to include making Richard L. Metcalf editor of the News on his return from Panama, and the Examiner explains Senator Hitchcock's prolonging his recent visit of inspection of his World-Herald because of the rumor that "Met" was to take charge of the News.

GIVES GROUNDS FOR PLAY

School Board to Grant Permission for Use of School Property.

TRY MONMOUTH PARK FIRST

Buildings and Grounds Committee Gratifies Desire of Monmouth Park Improvement Club for Playgrounds.

Request of the Monmouth Park Improvement club for the use of the Monmouth Park school grounds for public playgrounds was granted by the buildings and grounds committee of the Board of Education at a meeting Friday afternoon and the board will be asked to ratify the committee's act.

Chairman E. J. Streitz of the buildings and grounds committee has favored more playgrounds and better recreation facilities for children.

Members of the committee said the action in regard to Monmouth Park playgrounds would not necessarily mean that all public school playgrounds would be made a playground for the public, unless the public requested the board to throw all grounds open for public play.

JURY IS TO DETERMINE AS TO BIERBACH'S DEATH

Whether Otto William Bierbach of Elkhorn took carbolic acid accidentally or whether he committed suicide will be determined by the courts as the result of a suit for \$1,000 against the Mutual Benefit Health and Accident association, filed by Mrs. Augusta Bierbach, his mother. Bierbach died January 26, 1914, from the effects of taking carbolic acid and his mother was beneficiary in an insurance policy.

To Absorb Freckles And Other Blemishes

Every spring numerous inquiries are made by girls seeking some reliable recipe for removing freckles. Last year very favorable reports were received from many who had used mercolized wax during the freckling season. The wax seems to possess unusual properties which completely absorb the freckles with no harmful effect. The complexion improves wonderfully, becoming as soft as a rose petal, and as delicately tinted. Get an ounce of mercolized wax at any drugstore, spread a thin layer of it over the entire face every night for awhile, washing this off in the morning. For rough, spotty skin, sallowness, blackheads, pimples, and all cutaneous blemishes, this treatment is superior to any other. Springtime also brings wrinkles to many sensitive skins that are much exposed to winds and changing temperatures. To a half pint which hasel add an ounce of powdered saxolite, which quickly dissolves. Bathe the face in this; the effect on a wrinkled skin is remarkable. Advertisement.

The DOCTOR'S ADVICE

by Dr. Lewis Baker

The questions answered below are general in character, the symptoms or diseases are given and the answers should apply to any case of similar nature. Those wishing further advice, free, may address Dr. Lewis Baker, College Bldg., College-Bowling Sts., Des Moines, enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials and fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

and fluffy. My hair is greasy and I can do nothing to keep the oil out of it. Answer: To take the surplus oil out of the hair and keep it soft and fluffy, get a good shampoo, wash thoroughly and use it regularly. This will stop itching scalp and dandruff and make the hair grow, and you will not be bothered with stringy, straggling locks.

"Louise" writes: "I do not weigh enough for my height. I am dull and lifeless and have frequent headaches. Please advise what will help me." Answer: Your condition is due to the lack of red blood corpuscles. I can prescribe nothing better than 3-grain hypophosphite tablets, which can be purchased at any up-to-date drug store. These tablets will cause the body to assimilate the fatty elements of food and thus give you strength and added color to the skin. Your weight will increase and you will not be troubled with headaches. These are recommended by physicians and if taken according to directions you will surely gain flesh.

"Troubled Miss G." writes: "Every winter I am troubled with severe attacks of rheumatism which sometimes keeps me in bed for weeks. Please advise something for me." Answer: My favorite prescription for rheumatism, and one that I know has relieved thousands of people, is made by mixing: Iodide of potassium, 2 drams; sodium salicylate, 4 drams; wine of colchicum, 1/2 oz.; comp. essence carbol, 1 oz.; comp. fluid balsam, 1 oz.; syrup sarsaparilla, 5 oz. Take one teaspoonful at meal time and at bed time and you will soon be well.

"Annette" writes: "I have been greatly annoyed lately by coughing and a choking sensation in the throat and hoarseness after singing. My bronchial tubes are affected also." Answer: You can be very easily relieved of this bronchial trouble by using mentho-laxene. This relieves quickly and certainly brings about a cure by its tonic and laxative action and therefore is superior to ordinary preparations, which only relieve. You can feel the mentho-laxene working on the throat, lungs and bronchial tubes, giving a feeling of freshness and strength to the entire system. Purchase a 24-oz. package of essence mentho-laxene and make according to the directions on bottle and take stick to ten doses daily and you will soon be cured of your trouble.

"Mrs. B. T." writes: "I suffer much with indigestion, heavy feeling in stomach, bloating, belching, etc." Answer: For indigestion, dyspepsia and such symptoms as you mention, I advise the use of tablets triopropine, packed in sealed cartons with full directions. They prove very effective. Advertisement.
