the handling of the money to the city be in the near future. treasurer. He said under the law the council must advertise for bids and deposit the money with the highest bidder. The commissioners said they were not disposed to "tangle things up by changing

the system which had been followed for many years."

GOVERNMENT OFFICIALS GO TO IRRIGATION MEETING

A party consisting of representatives of the secretary of the interior, representatives of the secretary of agricultude and a representative of the National Reservice will pass through Omaha this morning at 6.30, on its way to Denver to attend the irrigation These representatives of the various departments of the federal government will set with governors from the western states to discuss the building and management of irrigation projects in the western country, where many private irrigation projects have been unsuccessful.

The party includes the following: Representatives of the secretary of interior and assistants; Hon. Andricus A. Jones, first assistant secretary of interior; John Harvey, private secretary to Mr. Jones: Hon. Clay Taliman, commissioner, general land office; F. R. Dudley, chief of division of railroad grants and rights

of way, general land office; F. H. Newell director, reclamation service; W. A. Ryan, comptroller, reclamation service C. Mendenhall, chief of land classification board, geological survey depart ment ; E. Z. Murphy, stenographer.

Representatives of secretary of agriculture: T. N. Carver, in charge of rural organization; Charles J. Brand, in charge the sub-station library work, and the of office of markets; W. T. Swigle, in council postponed action on the request charge of crop breeding investigations. Representing National Reclamation as- just what condition the miscellaneous sociation; George H. Maxwell, executive director.

SHERMAN LOSES HIS TITLE TO THE WATER BOARD BOSS

Take a slant at that. I wonder what President Sherman of the water board will say when he sees it," exclaimed a city hall man holding out a copy of the Popular Government league's new bulletin, in which R. B. Howell is labeled as president of the Omaha Water board "Still, perhaps the mistake is a natural one. The uninitiated think Howell is the whole board, so why shouldn't he be president as well as secretary and man-ASTT

Faley Kidney Pitts Successful for Rheumatiam and Kidney Trouble. Easy to take, quick to give good results, land, the old home, where the burial of ositive in action for backache, weak Mr. Weyerhauser will take place. MARSHALL REPORTS GIFTS AND SCHOOL SCHOLARSHIP

President A. B. Marshall of the Presbyterian Theological seminary, who has been in the east for the last two weeks in the interests of the school, has returned to Omaha. He reports a scholarship and several other generous gifts for the inatitution

By the will of the late Julius Tower of Laurel, Neb., who died recently in Texas, a bequest of \$500 has been left to the minary. During his life time Mr. Tower. visited the institution several times to acquaint himself with the nature and value of its work. Altogether about \$5,000 | conference in that city on April 9 to 11. has been assured to the seminary by bequests and donations during the winter The graduating exercises of the class of 1914 will be held on the last Wednesday of this month. The address of the occasion will be delivered by the Rev. Francis W. Russell, D. D., pastor of the West Presbyterian church of St. Louis. The

graduating class will be represented on the program by Benjamin C. Battey. More than the usual number of inquiries have already been made by prospective students relative to the work of next year. The seminary feels encouraged, therefore, to anticipate a large en tering class next term.

DADS POSTPONE ACTION TO IMPROVE SUBSTATIONS

Street Commissioner J. J. Ryder, head. of the library board, asked the city commission for \$2,000 for improvements in for sixty days, when "it will be known

fund is in." Chairman Dan B. Butler of the committee of the whole suggested that the council ask for a bond issue for completion of the library and for such other things as may be necessary.

Commissioner Ryder said that \$3,759 would be necessary to fix a "stack" room, so that the sub-station could be properly handled. In addition to the sub-stations in achools, the library board has six branch offices where books may be ob tained
