

SENATE PASSES WAR MOTION

Resolution Justifying Action of President is Carried.

LODGE SUBSTITUTE DEFEATED

Amendment by La Follette Providing U. S. Should Withdraw from Southern Neighbor, Goes Down.

WASHINGTON, April 22.—The senate at 12:20 o'clock this morning, by a vote of 75 to 12, passed the administration resolution justifying the employment of the armed forces of the United States to enforce its demands for unequivocal amends for the affronts and indignities committed against the United States, and to it further.

Debate Bitter. The final vote came at the close of a tiring all night session, marked by bitter debate.

Gallinger Amendment Loses. An amendment proposed by Senator Gallinger "justifying the president in the use of force to protect American citizens in Mexico" as well as to demand reparation for the Tampico incident was defeated 43 to 40.

Amendment by Senator La Follette to provide that after the "subjugation of Mexico" the United States should return from that country leaving Mexico and "every portion of it to its own people" was voted down, 44 to 33.

The vote for the resolution:

- DEMOCRATS: Ashurst, Bankhead, Bryan, Chittenden, Clark (Ark.), Fletcher, Gore, Hitchcock, Hollis, Hughes, James, Johnson, Kern, Lane, Lee (Tenn.), Lee (Md.), Lewis, Martin, Martine, Newland, O'Gorman, Overman, Owen.

- PROGRESSIVES: Poindexter. Against the resolution: REPUBLICANS: Frandee, Riatow, Hittogham, Gallinger, La Follette, L. Pitt, Lodge.

Follows Party Lines. On the Lodge substitute the vote followed party lines closely, the republicans supporting the Lodge proposal and the democrats voting against it. The only departures from this rule were Senators Bristol and La Follette, who voted with the democrats against the substitute.

Major General Wood Takes Command of Army in the South

WASHINGTON, April 22.—Major General William W. Wotherspoon today assumed his duties as chief of staff of the army, succeeding Major General Leonard Wood. General Wood has been selected to be commander-in-chief of the army in the event that it is sent into Mexico. He had been formally assigned to command of the Atlantic division, with headquarters at Governor's Island, New York, but the orders to that effect were cancelled as the result of developments in Mexico.

Huron Election Not Decisive. HURON, S. D., April 22.—(Special.)—The spring election in Huron resulted in no election as far as city commissioner was concerned. D. Wagner, the high man, not receiving a majority of the votes cast at the last election.

Charges Huerta Planned Arrest. WASHINGTON, April 22.—That General Huerta deliberately planned the arrest of American bluejackets at Tampico and other offenses against the United States, with a view to bringing an armed intervention and uniting all the Mexican factions behind him, was the substance of a letter received by a high government official today from an authoritative source in Mexico City.

NEXT MOVE UP TO HUERTA

Further Military Operations Will Depend Upon His Action.

SITUATION LOOKS OMINOUS

Unofficially Reported Diplomatic Relations Severed and that Papers Have Been Asked for by Diplomatic Heads.

WASHINGTON, April 22.—American operations in Mexico at Vera Cruz took on renewed aspects of war today, when Rear Admiral Badger landed more marines from the Atlantic fleet and the United States forces proceeded to take the entire city.

For the present, it was declared on high authority, that the forces at Vera Cruz would hold the city to convince Huerta that this government means business and that no action would be taken at Tampico unless there are retaliatory actions on the part of the Huerta government.

No orders, it was stated, have been sent to the American officers with reference to landing at Tampico, the only orders being sent there referring to directions for ships sent to Vera Cruz.

No advancement further than Vera Cruz on the part of the United States forces, it was made plain, would be undertaken unless some overt act on the part of Huerta and his followers should precipitate further trouble and make more aggressive action necessary.

Despite the purpose of the administration to confine the operations at Vera Cruz the situation took on an ominous aspect which indicated that more serious consequences cannot be averted.

Three Persons Burned to Death. PHILADELPHIA, Pa., April 22.—Three persons lost their lives in a fire that destroyed their home here today. The dead are: Julius Schuler, 22 years old; his wife, August, 7, and their son, Paul, 2 years old.

diplomatic negotiations, together with the reports of aroused feeling among the Mexicans, the feeling is here that it may be necessary in the near future to resist active attacks from Mexican federal soldiers.

Hostilities End in Vera Cruz. VERA CRUZ, April 22.—Vera Cruz, after a night and day of resistance to the American forces, gradually ceased its opposition today.

The gradual cessation of hostilities was brought about through notes sent by Consul William W. Canada to the mayor, the jefe politico, or chief federal civilian official, the chief of police, and the other officials, calling on them for their cooperation.

House-to-house fighting, which has been more or less continuous since the operations began sharply this morning as soon as it became light enough to aim.

Captain William R. Rush, commander of the battleship Florida, had received orders not to effect any advance, but to hold the position he had taken yesterday.

Rear Admiral Fletcher was determined not to lose more men than was absolutely necessary and for this reason in all probability did not utilize the forces under his command ashore in charges or to advance on the positions held by the snipers.

The Mexican sharpshooters appeared not to have diminished in numbers today and with daylight their bullets appeared to take a change of direction.

The Mexican troops belonging to the regular establishment had practically all left the city and the firing was carried on by armed citizens and straggling soldiers and policemen.

What All This Talk Means To You and To Me. Everybody is talking the Six— At the Auto Show the sales manager of one of the big factories told of the overwhelming advantages of the six cylinder over the four. It was interesting. You know what this talk about sixes means, don't you? Let me tell you what I think it means— It means that six cylinders are more flexible than the four—that the six cylinder is easier riding than the four—that there is more continuous power in the six, not found in the four—now this applies to gear cars only.
