Miscellaneous.

SOCIALISM: PROMISE OR MENACE: By Morris Hilquitt and John Augustus Ryan, D. D. The Macmillan company. Here is a contribution to the literature social and political aspects of the docare restricted to actual experience, and, possible economic conditions under a pure social democracy, can only present the the debate waxes warm, and is at ail times very interesting. Each is an earnest, ardent and able champion of his side broader and more comprehensive tight. lution of her own problem. an opportunity he improves by poking a lot of good natured fun at Dr. Ryan's conservative views, in the main, it is as Sons complete and succinct a summing up of as is likely to be found in a single volime. The standing of the debaters is such as to render their views authoritative, so far as authority may be assumed in dealing with such questions as are presented. The peculiar conditions under which the articles were written also give added in others. terest to the volume. From first to last Dr. Ryan and Mr. Hilquitt exchanged papers before publication, so that each was fully aware of what the other was going to say. This applied to all but the summing up, which each presented without revision by the other.

THE TWO AMERICAS. By General Refael Reyes. \$2.50. Frederick A. Stokes

General Reyes has recently made a journey through the more important countries of South America in preparation for writing this work. He describes in detail their economic and political sitsuch, for instance, as the recognition of Parlama by the United States, General Colombian expedition to put down the Washington. He also tells of his early

General Reyes has served his country United States and European nations.

are as varied as his wide sphere of interests. The labor unrest of the present scores numerous, "social panaceas," H masters and doctors; diagnoses the po-litical disease of our times; speculates upon the future of the American people; considers a possible attback to our civili-ration, which he finds menaged by panics and wars. But neither does England eacape his warnings. He is, he says, England's self-chosen "devil's advocate
