Second Trial of Police Lieutenant Senate Will Not Consider Question

About Relations with Villa.

Head of Foreign Affairs Committee Says Few Wish to Interfere with the Rebei War on

Huerta.

WASHINGTON, May 6 .- Vigorous criti-District Attorney Whitman intends to clam of the administration's Mexican go fully into the graft phase of the policy and a heated debate over the Vera Charles Becker case were evident today Cruz situation marked the effort of Senwhen the former police Hentenant was ator Lippitt of Rhode Island today to placed on trial for the second time for secure action in the senate on his resolution asking President Wilson if he is enthal. Four men, the gunmen, so called- supporting Pancho Villa for next ruler of have already been electrocuted for the Mexico. Chairman Stone of the foreign relations committee defended the administration.

The resolution was laid on the table without a record vote.

"The suspicion that our government is aiding, abetting or even condoning the villianous Villa is so sickening that I have long refused to believe it," said Senator Lippitt, "but the reports that the president is supporting Villa have continued so long that I have introduced my resolution.

of the terminal court building long be- declarations in his message to congress After quoting President Wilson's about observing strict neutrality between courtroom was by ticket only and hun- the factions of Mexico, Senator Lippitt said the government's actions were much in contradiction to those expressions.

Stone and Lippett Tilt. Senator Lippitt spoke of the Vera Cruz incident and the loss of Mexican sives as showing the length to which the adcending to prejudice the public" against of war to getting into Huerta's hands. Senator Stone took Senator Lippitt to task and the Rhode Island senator responded that Senator Stone was placing his words in a false light.

"Oh, I know what the senator meant." continued Senator Stone. 'He meant to charge the president with the death of

"The Rhode Island, senator seems to regard those Mexican snipers who were firing on our boys in violation of all the rules of warfare, as 'innocent Mexicans.' Why, all the country approves of what the president did at Vera Cruz with the possible exception of the senator from Rhode Island."

"I neither condone Villa's acts nor do agree with the Rhode Island senator, inated and one juror accepted by both who seems to approve the acts of Huerta. He is F. Meredith Blagden, a a man guilty of treason and whose hands are red with the blood of his chieftain. "The senator says we were hasty at Vera Cruz because a German vessel was parently in better health than when approaching laden with arms and mubrought down from the death house at nitions of war for Huerta and his army. Sing Sing after the court of appeals' de- I stand here to approve what was done cision. He seemed slightly nervous when The president was taking the only means he first took his seat, but in half an to enforce the ultimatum and make

> Calls Resolution Silly, Senator Stone Insisted the resolution was "silly" and moved to table it. Senator Clark of Wyoming declared the newspapers gave senators their only information on the subject of Villa and his reported relations with this government TIME ON CARRANZA ported relations with this government and asked if Senator Stone would tell the senate what he knew on this subject. "If Carranza and Villa care to prose-

cute the war they have declared on Huerta," said Senator Stone, "I don't believe it is the intention of the administration or of this congress and with few exceptions of the people of the United States, to force war on them.

Consul Bonney is Safe. WASHINGTON, May &-The Brazilian minister in Mexico City informed the State department today that American
