

KEMP TO FILE FOR GOVERNOR

Fullerton Man Will Make Race, He Says in Letter to Friend.

MOOSERS ARE IN THE DUMPS

Lack of Enthusiasm for Cause Not Discouraging to Kemp.

(From a Staff Correspondent.)

LINCOLN, May 9.—(Special.)—According to information received by E. G. Magg, who formerly resided in Boone county and has been intimately acquainted with Senator J. H. Kemp for many years, that gentleman has finally concluded to make the filing for the republican nomination for governor and will probably send in the papers some time next week.

Mr. Magg received today a letter from Mr. Kemp relating to legal matters, and in it he said that he would probably file the coming week. Senator Kemp was in Lincoln last week looking up the proposition and conferring with friends over the situation. His candidacy was first sprung at the last session of the legislature when, as president of the senate, he made a strong impression among his fellow members as being gubernatorial timber, but he stood off all efforts to get him into the race until the past few weeks when the demand not only from friends north of the Platte, but in other sections, that he come out, prompted him to take the matter seriously.

MOOSERS DISAPPEARING

The announcement of Nathan Merriam of Omaha, bull moose candidate for congress in the Second district, that he is going to Europe during the campaign, is not received with favor among the bull moose herd in the capital city, where an especial effort has been made for the past two months to bolster up the evidently falling cause. In the minds of many of the bosses to counteract the report and the final announcement from somewhere by somebody that Sackett was still in the ring shows the ability of the bosses to meet the situations which may come up and that hot water bags as applications for cold feet are one of the assets of the bull moose steering committee, and Merriam's may already be on its way to Omaha.

NEWS FROM DAKOTA

Another announcement that struck considerable consternation into the hearts of the steering committee was the press report this morning showing that the bull moose committee in South Dakota had abandoned the plan of putting up a state ticket. Elections which have been held since 1911 have shown large falling off in the progressive vote, in some cases so great as to indicate almost entire annihilation. The faithful have tried to appear calm, but the tidings from South Dakota indicate a probable wholesale desertion of the cause and a abandonment of the organization.

Chief Engineer Frank P. Corrick of the bull moose steering committee was discovered today circulating among republicans with a petition asking for the filing of the name of Harry E. Sackett for the republican nomination for governor. Whether this is being done to bolster up the courage of the Beatrice statesman is not known, but it is generally understood that it is one of Corrick's tricks to deceive republicans and get Sackett into the race in the hope of defeating any republican who might file for the nomination on the republican ticket.

MINOR FILES FOR AUDITOR

Deputy State Auditor Walter Minor this afternoon filed for the republican nomination for state auditor. Mr. Minor came from Morrill in Scotts Bluff county to accept the deputyship under Mr. Howard and has made many strong friends since coming to the state house. He is full of business and always on the job.

NOTES FROM SEWARD AND SEWARD COUNTY

SEWARD, Neb., May 9.—(Special.)—Forest E. Davis, the young man who fell under a B. & M. freight Tuesday night, had one leg amputated and is in a very serious condition. He is not a tramp, but a boy who had accompanied an emigrant car from Rockport, Mo., to western Nebraska, and running out of funds on the way back, had tried unsuccessfully to secure work and then tried to catch a free ride. His father is here with him. The Seward schools will give a play festival on the playgrounds Wednesday afternoon, May 13, in which the children of all grades will participate. May poles, folk dances, drills, races, base ball and athletic events will be given on Thursday, Friday and Saturday County Treasurer Morefield received \$21,000 paid in taxes.

Police Judge Gladwin celebrated his eighty-sixth birthday yesterday by giving a dinner to old friends. He came to Seward in the '60s and helped to build the county jail and the Presbyterian church some forty-five years ago. The judge is a leading member of the Methodist choir. Mrs. R. S. Norval, with a party of friends, has sailed for Europe. She will remain until autumn.

Prof. Mohrman of Neligh, Neb., who was recently elected superintendent of the Seward city schools, has resigned.

DISTRICT SUNDAY SCHOOL CONVENTION

NEHAWKA, Neb., May 9.—(Special.)—The annual meeting of the Sunday school workers of the Second district of Cass county was held here yesterday. It was a very enthusiastic and instructive convention. The enrollment was 115. Plans were made for better and more efficient work along all lines the coming year. Mrs. Wesley Davis of Weeping Water was elected president.

BOY DRAGGED UNDER DISC

SEWARD, Neb., May 9.—(Special.)—The 13-year-old son of Thomas Severs of Bruis, Neb., was brought to the hospital here today in a serious condition. He was driving a team hitched to a disc and the team became frightened and ran away. The disc ran over the boy's head, cutting away the skull in a circle as large as a silver dollar, exposing the brain. He will recover.

FUNERAL OF JUDGE REAVIS

FALLS CITY, Neb., May 9.—(Special Telegram.)—The funeral of the late Judge Inham Reavis will be held Sunday morning, May 10, at 10:30 o'clock, instead of Tuesday, as at first announced.

Several Business Houses in Wymore Threatened by Fire

WYMORE, Neb., May 9.—(Special Telegram.)—Fire which started in the Dawson building about noon today is threatening an entire block. The First National bank and Robertson's dry goods store probably would be a total loss and other buildings are on fire. The Beatrice fire department is on its way here on a special train.

NOTES FROM CENTRAL CITY AND MERRICK COUNTY

CENTRAL CITY, Neb., May 9.—(Special Telegram.)—Samuel McCormick, who Thursday evening met with most serious injuries while endeavoring to stop two mule teams hitched to a gang plow at the Ford ranch just east of this place, is still in a very low condition, but hopes are entertained for his recovery. It was found necessary for his doctors in attendance to amputate the right leg.

August 10 to 14 inclusive, has been named as the date of the Platte valley district reunion to be held in this city. Four years past the encampment has been held at this place under a five-year agreement. M. G. Merrell of this city

has during that time been commander. Already a number of speakers of prominence have signified their approval of having their names entered on the program.

To date filings for county offices in Merrick county have been extremely backward. Quite a number of our citizens have declared their intentions, but the record of the county court shows only the following entries: N. L. Squier, Silver Creek, clerk, republican; W. H. Campbell, Clark, representative, democrat; Milton R. Her, Central City, sheriff, democrat; C. R. Ford, Chapman, treasurer, republican.

YORK ORGANIZES TOWN AND COUNTRY CLUB

YORK, Neb., May 9.—(Special Telegram.)—Last evening the farmers and business men of the county and city met at the Congregational church and formed an organization to be known as the York Town and Country club. Arthur G. Wray was elected president and Richard Brooke, Jr., vice president, and a board of directors to be twelve from the country and twelve from the city. A constitution was adopted. Lieutenant Governor McKelvie and Principal Bradford of the university agricultural school gave addresses, which were interesting and instructive. They were followed by several local speakers. Nearly 300 attended the banquet, notwithstanding this is a busy time with the farmers.

NOTES FROM WEST POINT AND CUMING COUNTY

WEST POINT, Neb., May 9.—(Special Telegram.)—Judge Graves has almost completely recovered his health and has set Wednesday, June 3, as the date of an adjourned term of the Cuming county district court at West Point. Only equity matters will be considered on that day.

Mrs. Walter Mullin, wife of a farmer of this vicinity, suffered a severe accident on Thursday by being thrown from a wagon in which she was riding, sustaining a compound fracture of her leg.

The following marriage licenses have been issued for Cuming county during the week: Henry Koopman and Miss Emma Heermann; John Stigge and Miss Alma Heermann; H. R. Gentrup of Knox county and Miss Mary Schmidt of Cuming county; George W. Wetzel and Miss Amelia Ludwig; Robert White and Mrs. Marian White; John Wiencke and Mrs. Justina Grewe, and to Edward F. Pates and Miss Marie A. Throener, all of this county.

Dr. F. Gaudin, supreme president of the Catholic Knights of America, of New Orleans, La., will visit West Point in his official capacity on May 19. This is the first visit of Dr. Gaudin to this state. He will be accompanied by the state president, Rev. J. Hettwer of Stuart.

The marriage of John Stigge and Miss Alma Heermann was solemnized at the

home of the bride's parents at Aloys, in this county, on Wednesday. The groom is a farmer of the neighborhood and the bride a resident of Stanton county. They will reside on a farm west of this city. M. J. Hughes has been appointed guardian of the person and estate of Thomas Burke, a well-known and well-to-do resident of West Point. Mr. Burke has been declared incompetent.

BROKEN BOW RECONSTRUCTS FAIR GROUNDS BUILDINGS

BROKEN BOW, Neb., May 9.—(Special Telegram.)—At a meeting of the board of directors of the Custer County Fair association, the resignation of President Ias Anderson was accepted. I. A. Renuau of this city being unanimously elected to fill the vacancy. Mr. Anderson's resignation resulted from his recent appointment as water commissioner and chief of police, he stating that it was impossible for him, under the circumstances, to devote the necessary time to the association. The new executive has already taken up the work of reconstructing the buildings on the fair grounds that were destroyed by last year's tornado, and has a large force of men working there. Many changes for the better are being made and, when completed, the buildings will present a much more up-to-date appearance than the old ones.

Key to the Situation—See Advertising

Our entire staff of Clothing Salesmen, on duty between 12 and 1 o'clock to serve you during your lunch period.

The Sort of Clothes You Business Men Should Wear, Are Featured Here \$15 to \$35

Linoleum WHAT IT'S MADE OF AND HOW

We call your attention to our special educational window display of substances entering into the composition of Linoleum Floor Coverings.

Cork From the cork oak of Spain, Portugal and North Africa.	Linseed Oil Extracted from flax seed grown in the Dakotas, Canada, Argentine Republic, Siberia and India.	Kauri-Gum The fossilized sap of pine trees dug from the ground in New Zealand.	Resin From the pitch of live American pine.	Coloring Materials Gathered from the ends of the earth: Red from Persia and Germany, Umber from the island of Cyprus, Yellow from Italy and England, Yellow from Australia, Ochres from France, Browns from Holland, and zinc white from our own states and many others.	Burlap Woven in Scotland of jute fibre grown in the swamps of British India.
---	---	--	---	--	--

Ground to cork flour. Boiled and oxidized into sheets of "skin." Rolled into pulp.

Boiled and mixed together to form the binder.

Mixed and ground together.

Roller out in sheets in the calendaring machine and combined with the burlap under pressure.

Inlaid Linoleum
All 6 foot wide, ranging in price from \$5c, \$10, \$12, \$15, \$18, \$15 to \$175 per sq. yd.

Special! For this week a 12-foot printed linoleum in two patterns only, ordinarily selling at a much higher price. Special 55c per square yard.

DRIED in special stoves and printed with printing blocks; a separate block for each color in the pattern; each color applied separately in an immense press over 40 feet long.
