ALDRICH MAY ENTER RACE

Former Governor Considering Filing on Republican Ticket.

SAYS IT IS BERY LIKELY

Not Yet Entirely Decided, but Very Much Inclined to Enter Contest for the Nomination of Chief Executive.

(From a Staff Correspondent.)

LINCOLN, May 26.—(Special.)—Ex-Governor Chester H. Aldrich may enter the race for the republican nomination for governor. This is the latest turn in the field of politics and may result in another campaign between Governor Morehead and Governor Aldrich.

Persistent rumors since Governor Morehead has been considering the matter of a second term, have linked the former governor's name with the nomination and since the acceptance of the present governor of the filing made by democrats of the state, the rumor—as becomes more persistent.

Governor Aldrich today said he had been receiving many assurances of support from those who had opposed him two years ago.

"If I get into the fight," said he, "I will do so on my own initiative. Of course, I could get into communication

with my former appointees, while I was governor and in a short time I would have telegrams and letters coming in to me by the score asking me to make the race, but I do not put much stock in these manufactured demands, and if I file, and I will say right here that I may, it will be on my own responsibility and I will have some things to say relative to state affairs, which will be interesting."

Marshall Files in First.

Charles Marshall of Otoe county, has filed for the republican nomination for congress in the First congressional district, calling at the office of the secretary of state this afternoon for that purpose.

Mr. Marshall served in the lower branch of the Nebraska legislature in 1901 and in the senate in 1902. He came to the state in 1872 and drove a stage from Plattsmouth to Weeping Water. He is a farmer-banker and very popular in the county in which he lives. He is a brother of Senator Marshall of Lancaster county, who served in the last legislature.

Keester of Alma Files.

R. L. Keester of Alma has filed for the bull moose nomination for congress in the Fifth district, his filing having been received by the secretary of state this morning. Mr. Keester is an attorney and made the fight for the nomination in the primary against the present congressman, Silas R. Barton, two years ago, but was defeated. His campaign is made not with any idea of winning, but for the purpose probably of defeating his former

republican opponent of two years ago and electing a democrat, which seems to be the bull moose program this year.

Deputy Attorney General George W. Ayers filed last night for the republican nomination for attorney general.

Notes from Beatrice and Gage County

Two Boys Drowned in the Blue River

FAIRBURY, Neb., May 26.—(Special Telegram.)—Fred Messenger, 18 years of age, a junior of the high school, was drowned in the Little Blue river this afternoon, a half mile above the mill dam. He was bathing and it is said he attempted to swim across one of the deep holes in the Little Blue river. The young man evidently was seized with cramps as he sank into the deep hole. His companions were unable to save him. He was the son of Mr. and Mrs. Messenger, living several miles northwest of Fairbury and was brought up in Fairbury. He was prominent in athletic circles and a favorite with high school students and was active in commencement exercises to be held this week. A sister, Miss Zala Messenger, is a student in the University of Nebraska.

HEBRON, Neb., May 26.—(Special.)—Willard Swaney, aged 10 years, was drowned in the Blue river last night about 6 o'clock. He and his brother, Lloyd, and Louis Carter, all about the same age, were playing on the river, and the two older boys were in the boat coming across. The younger boy went out to meet them and not being able to swim very well, went down just as he reached the boat.

A marriage license was granted to Clark Mink of Soldier, Ida, and Miss Zenna Osborne of Madison.

ATTORNEY GENERAL RULES ON THE HANDLING OF FEES

(From a Staff Correspondent.)

LINCOLN, May 26.—(Special.)—Fees for examination of applicants for public accountant must be charged and collected at the time of examination according to the actual cost of examination and cost of certificates, according to an opinion by Deputy Attorney General Ayers, who also decides that the board can pay all expenses connected with the board and turn the balance, if any, over to the state treasurer.

The opinion is given in response to a request of the state auditor as the right of the examining board to retain fees and pay expenses instead of turning over the fees to the state treasurer and drawing warrants for the expenses.

RHEUMASALTS IS FINE FOR TORPID LIVER

Learn How to Secure Quick Safe Relief

The liver is the largest gland in the body, weighing nearly four pounds. Its main purpose is to aid digestion and make glycogen for the blood. So it is important to keep it working right.

If your liver is lazy and your kidneys throeb with a dull ache, you need the scientifically blended and chemically pure carbonated lithia drink called Rheumasalts.

Lame back, shooting pains, tired feeling, dizziness and nervousness simply mean that your liver and kidneys are clogged with impurities, and that poisonous uric acid is retarding their work of aiding the digestive functions and filtering the blood. Flush your liver and kidneys and set them working right by taking Rheumasalts in water for a few mornings.

Nearly all rheumatism, headaches, nervousness, constipation, dizziness, sleeplessness and bladder disorders come from torpid liver and sluggish kidneys. Take Rheumasalts. This delightful effervescent lithia drink helps the weakened kidneys and cleans out the stomach and eliminates toxins and poisons, and leaves the intestinal canal clean and sweet.

It is uric acid solvent as well as a saline laxative. Acts quickly without griping or nausea.

The next time your liver and kidneys bother you or your back aches, ask your druggist for a bottle of Rheumasalts. It comes in 25c, 50c and \$1.00 bottles. If he hasn't the genuine Rheumasalts send the price to the Rheumabath Company, Dept. 532, Minneapolis, Minn., for a bottle. For sale by all druggists in Omaha and Council Bluffs.—Advertisement.
