VACANT FARNAM LOT IS SOLD

Creighton Estate Sells Property at Twentieth and Farnam.

SYNDICATE PAYS A LARGE SUM

Two Hundred and Seven Feet on Thoroughfare Bought by Company at Thousand Dollars Per Front Foot.

The sale of the vacant property at Twentieth and Farnam streets by the John A. Creighton estate Wednesday practically closes out all the important downtown holdings of the old Creighton estate. The estate still holds some minor tracts in the residence districts, numerous lots in the various Creighton additions of the city, and several farms.

The names of those purchasing the property are not yet made public. The deal for the purchaser was handled by Harrison & Morton. The purchasers have combined into a syndicate to purchase the property. The members are made up of persons holding adjacent property and their purpose in getting hold of this tract is to assure themselves that when it is improved it will be a substantial building that will be erected, so that the value of their surrounding holdings will be enhanced.

The 109 feet adjoining this tract belonged to Leonard Everett of Council Bluffs. He has also sold this for a figure said to be between \$700 and \$800 a front foot. It is interesting to note that Everett bought this same piece of ground from John A. Creighton some years ago at \$25 a front foot.
