Rev. Dr. Brown of Lincoln Given the Position of District Superintendent of the Omaha District.

Rev. Dr. Edward Hislop, superintendent of the Omaha district of the Nebraska conference of the Methodist church, has been elected chancellor of the Methodist university of Oklahoma, located at Guthrie, Okl.

DR. EDWARD HISLOP.

The name of Dr. Hislop had been presented to the trustees of the Oklahoma school next to the doctor had been called to Guthrie, where he met them. However, his election came as somewhat of a surprise to him.

Dr. Hislop is about 40 years old. He came to Omaha four years ago to accept the position of superintendent of the Omaha district of the Nebraska Methodist church. Prior to that and for several years he had filled pastorates in Massachusetts, his last being in Lawrence. He was graduated from the Baker university of Baldwin, Kan., and subsequently from the Boston School of Theology. He is married, but has no children.

As to Oklahoma School. The University of Oklahoma has an enrollment of between 250 and 300 and is one of the oldest colleges in the state. It stands high as an educational institution and has a large endowment fund.

Immediately following the announcement of the appointment of Rev. Dr. Hislop and the receipt of information of his acceptance, Bishop Frank M. Bristol of the Methodist church appointed Rev. U. G. Brown of Lincoln, superintendent of the Nebr. Methodist conference district as his successor. It is understood that Rev. Mr. Brown will accept and will move his family to Omaha within a short time. He will take up his duties here early in July.

Last night Bishop Bristol stated that the appointment of a successor to Rev. Mr. Brown had not been made. It is understood that the probabilities are that there will be none, but that instead the Nebr. district will be absorbed and will be discontinued so far as its standing alone is concerned. Rev. Mr. Brown is married and is about 40 years of age. Before being appointed superintendent of the Nebr. conference district for several years he was pastor of the Methodist church at Beatrice.

Henry Snyder, a brakeman, pursued Stout, who ran south until he reached a lumber yard, where he turned and fired twice at Snyder, with no effect. Then he turned the revolver on the crowd which had gathered and snapped the pistol. He then pulled a pen knife from
