POLICE CLAIM ON NCONFESS

Assert that Watchman Jauch Placed
the Four Sticks of Dynamite and
Then Found It to Get a
Promotion.

WASHINGTON, June 2.—Four sticks of
dynamite with burning fuses attached
were found late today in the Depart-
ment of Agriculture under the office of
Secretary Houston. The fuses were ex-
tinguished before damage was done.

An employe of the department found
the dynamite by accident and extin-
guished the fuses. The sticks were taken
to police headquarters for examination.
Some dispatches employe is suspected.

The watchman who claimed to have
discovered the dynamite was held pending
investigation. Officers went in
search of another employe recently dis-
charged, who had been making threats.

The police took Daniel H. Jauch, the
watchman who found the dynamite, to
headquarters and expressed some doubts
of his mental responsibility. The four
sticks of dynamite were taken away in
a bucket of water.

Later at police headquarters it was said
Jauch had confessed placing the dynamite
hoping that by discovering it he would
win a promotion. His home is in Spring-
field, O.

Jauch, who formerly was a private in
the army, is said to have been under
treatment for nervous trouble recently
at the National Soldiers Home hospital.

Assistant Secretary B. T. Galloway was
in his office adjoining that of the secre-
tary at the time the explosive was
found. Secretary Houston is in Missouri
attending the commencement of the
University of Missouri.

T. C. Byrne Elected Director of Big Bank

Thomas C. Byrne, president of the
Byrne & Hammer Dry Goods company
and one of the most prominent business
men in Omaha, was elected a member of
the board of directors of the new federal
reserve bank for the local district at a
meeting of delegates held in Kansas City
yesterday. The news first came to
Omaha through a telegram to Victor E.
Caldwell, vice president of the United
States National bank.

Mr. Byrne was a dark horse in the race,
having made no effort to advance his can-
didacy prior to the meeting. Another of
the six directors elected whose home is in
Nebraska is C. E. Burnham of Norfolk.

KENNEDY OUT FOR CONGRESS

Former Congressman Decides to En-
ter the Primary Race.

A. W. JEFFERIS IS NOT

Kennedy Announces His Decision
Upon Which He Proposes to Pre-
sent His Name for the
August Primaries.

A. W. Jefferis, prominent Omaha at-
torney, has decided not to be a candidate
for congress on the republican ticket and
at the same time John L. Kennedy, at-
torney and former congressman, has de-
cided to make the race for the republi-
can nomination at the primaries in August.

Mr. Jefferis declined in the following
letter to John L. Kennedy, dated May 29:
I am indeed most grateful to some 2,000
republican friends who have so kindly
signed petitions requesting me to be a
candidate at the primary election in Au-
gust for the republican nomination for
congress, and I appreciate your personal
interest for me in this matter most
highly.

It is with reluctance that I decline the
"call" of the petitioners and your urgent
demands that I become a candidate.
However, I was taught in my early life
to say "no" on some occasions, and I
feel that this is one of them. I have
given the matter much earnest thought,
considered conditions and my relations
thereto, and have decided that under the
circumstances I cannot be a candidate.

Having come to this conclusion I feel
that I should advise you and my friends
who have urged me to enter the race of
my decision.

No, John L., I want to say to you that
many persons mentioned your name for
the republican nomination for congress
to me, and they are asking the question
if you would again become a candidate.
Your record as congressman during the
Roosevelt administration, your activities
as chairman of the republican state com-
mittee in 1912 and your qualifications as
a lawyer and business man mark you as
a man admirably qualified and able to
represent this district in congress.

I know of no one better qualified than
yourself for the position, then why not
enter the race yourself? It is said that
one good turn deserves another. You
have kindly insisted that I enter the
race, and I have concluded that I cannot
do so. Now in turn I urge you to become
a candidate for congress on the republi-
can ticket. Surely all of the good and
sufficient reasons expressed by you to
me as to why I should become a candi-
date will apply to yourself as well, and
the cause of the republican party is
growing brighter with each day. If I
am not mistaken, you will find that this
is a republican year in Nebraska and
this congressional district.

Now, John, I have decided not to be a
candidate. I stick up to you to get it

French Ministers Hand In Resignations

PARIS, June 2.—Premier Gaston Dou-
mergue and his colleagues of the French
cabinet, went to the Palace of the Elisees
today and resigned collectively to Presi-
dent Poincare. It was understood that a
prominent politician would be needed
in the course of the day to undertake the
formation of a new cabinet. The view was
general in the lobbies of the chamber that
René Viviani, now minister of public in-
struction, would be one of the first ap-
proached.

PICKARD IS TO TELL IT ALL

Burns Detective Says He Will Tell
Truth Concerning Operations.

NEWS' ATTORNEY WITHDRAWS

Bucholz Takes Name Off Bond—At-
torney Madden Announces that
Pickard Has Cut Loose
from Former Influence.

Frank M. Pickard, Burns detective,
charged with attempted bribery Tuesday,
declared he would tell the whole truth
concerning his operations in Omaha. He
said:

"I am here charged with a felony and
no man has a better right than I to say
what shall be my defense and who shall
conduct it. This is without any reflection
on any counsel who have so far assisted
me.

"I have asked those who should have
assisted me for money with which to
conduct my defense in my own way. It
has been refused.

"I propose to handle my defense solely
upon truth and facts, without reference
to any conflicting interests. I shall
stand upon the record that I have. I
am absolutely innocent of the charge
made against me or any other criminal
charge.

"My defense will be privately conducted
and upon my own resources entirely."

Woodrough Withdraws.

This statement, dictated by Pickard, fol-
lowing postponement of his preliminary
hearing in justice court, together with
the withdrawal from his case of Attorney
Woodrough, who is also local attorney
for the Daily News.

Following withdrawal of W. H. Bucholz
from Pickard's \$5,000 bond, Attorney Mad-
den of Kansas City, who represents Pick-
ard's interests alone, announced that
Pickard had cut loose from the "Influ-
ence" which caused him to fight ex-
tradition in Kansas City. He asked that
Pickard's bond be reduced to \$2,000 and
that a postponement of his preliminary
hearing be taken until June 23 in order
to allow time to secure means and make
preparation for his defense.

These requests were granted by Justice
Britt, who refused to accept Attorney J.
B. Kellenney, offered by Pickard as
bondsmen, but accepted Ed Peterson, rail-
road attorney.

WASHINGTON, June 2.—Close restric-
tions on the use of injunctions in labor
disputes are the feature of the section
of the Clayton anti-trust bill, reached
today in the house.

It also provides that no injunction shall
prohibit strikes, peaceful picketing, peace-
ful persuading of persons to work or
quit work, primary boycotts, the payment
of strike benefits, or peaceful ensem-
blage. An amendment proposed by the judi-
ciary committee and agreed upon by repre-
sentatives of organized labor and adminis-
tration leaders, proposed:

"Nor shall any acts specified in this
paragraph be construed or held to be un-
lawful."

With this amendment, Representative
Henry of Texas declared that the pro-
vision became "the bill of rights of Ameri-
can organized labor."

Mann and Murdock got into a wordy
exchange over talk of amalgamation of
their parties.

"Do you think," asked Mr. Murdock,
"there is any chance of amalgamation
between a set of men who want to go
forward and a set of men who want to
step back and dodge everything?" He said
Mr. Mann had not consulted Teddy
Roosevelt enough and that the colonel
could not justly be accused of dodging
anything. He asserted "the gentleman
from Yale," as he referred to Mr. Taft,
and the republican leader of the house
and the "reactionaries at the other end
of the capitol," had blocked anti-trust
legislation.

"There has been talk of amalgamation,"
replied Mr. Mann, "but the so-called pro-
gressive are coming back into the re-
publican party. It is not amalgamation,
but whatever the outcome, Mr. Murdock
will be left out in the cold for repudiating
the republican party which elected him to
congress."

The house adopted without a record
vote the Webb amendment declaring that
none of the acts specified peacefully
strikes, boycotts and picketing shall be
construed to be illegal. All other amend-
ments were rejected and the whole section
covering the injunction questions was
adopted.

New Haven Falls to New Low Record

NEW YORK, June 2.—Directors of the

road company gathered here today for a
special meeting—presumably in connec-
tion with a message of Governor Walsh
to the Massachusetts legislature, in which
he urged the divorce of the Boston &
Maine railroad from the New Haven.
New Haven shares fell to 66, a new low
record, during the forenoon.

MEDIATORS ARE IN DEADLOCK

Status of Constitutionalists is the
Stumbling Block.

REBELS ARE STANDING PAT

Zubaran Says Carranzistas Will
Meet Huerta Only at Point of
the Sword—Huerta's Or-
gan is Confident.

NIAGARA FALLS, Ont., June 2.—Still
deadlocked over constitutionalist repre-
sentation the Mexican and American
mediation delegates were waiting for
more information today about the char-
acter and ability of certain persons who
had been suggested to compose the new
provisional government.

The Mexican delegates are reporting to
their government the developments with
reference to constitutionalists participating,
but have as yet no official knowledge on
the subject from the mediators.

The American delegates have not fin-
ished their discussion with the mediators
about the constitutionalists and are await-
ing more advice from Washington. In-
dications today were that nothing defi-
nite would be resolved on constitutionalist
representation, though the mediators were
reported to be framing a reply to the
last Carranza note.

The statement from Durango, giving the
constitutionalist view of the mediation
conference was regarded here as likely
to delay rather than hurry the negotia-
tions. While no comment was obtainable
those of the conference who did express
themselves pointed to the statement as
concrete evidence of the constitutional-
ists' misunderstanding of the character
of the negotiations.

The statement, it was said, served to
show a lack of information on some of
the important points being treated here,
especially as to just what representation
in the new provisional government the
conference had intended for the Carranza-
istas. There is some reason to believe
that the conference has planned from the
first to give the constitutionalists a
large share in the provisional government,
but definite information along this line
had necessarily been withheld until the
viewpoints of Huerta and Washington
could be obtained.

DURANGO, Mexico, June 1.—Three de-

between Zapatistas and San Luis Potosi
were won by the constitutionalists May
30 and May 31, according to reports re-
ceived today by General Carranza. Col-
onel Reyes with 600 men of the command
of General Carranza Torres, who is in-
vestigating San Luis Potosi administered
a decisive defeat to a large federal
force at Salinas, and later also defeated
a force sent from San Luis to reinforce
the Salinas garrison.

The fighting at Salinas lasted twenty-
eight hours, the federal loss in the battle
being forty-six privates and four of-
ficers. Fourteen federal officers who
were captured were executed and thirty-
seven privates captured were liberated.

The federalists telegraphed San Luis Potosi
for reinforcements, which did not arrive
until after the first battle. They were
met outside the town and driven back.

Among the officers executed was Col-
onel Carlos Chavez, two lieutenant col-
onels, one major, four captains and six
lieutenants. Colonel Reyes, captured two
machine guns, 2,000 cartridges, 300 rifles,
123 horses and other munitions. Colonel
Catoa, of the command under General
Pascual Natera, invading Zacatecas,
captured a federal troop train at Pines
on May 31, killing sixty of the federalists,
capturing a considerable supply of am-
munition and provisions. The escaping
federalists fled to Zacatecas.

Western Senators Threaten Filibuster for Reclamation Act

WASHINGTON, June 2.—Senator
Borah made a plea today for public land
legislation for the west before the ad-
journment of congress.

The senator said the west needed a
grazing land law and a power law, but
he conceded they would require much
time. Only a few hours was needed, he
urged, to pass a bill to provide for the
retention by settlers of the early pay-
ments on reclamation projects.

"Four or five years may be a short
time for us to pass legislation, but it is
a long time to the settler who is being
closed out," he said. "If this session
closes without the passage of this law it
will be an act of injustice and inhumanity
to thousands on the projects."

Senator Jones proposed a filibuster to
get the reclamation legislation. To that
Senator Borah added three probable
would be no river and harbor bill unless
the reclamation bill was added to it.

Leper Shows Up at Swell Capital Hotel

WASHINGTON, June 2.—John R.
Early, who for the last five years has
made many enforced journeys about the
country in box cars and been held under
quarantine in many cities, while medical
experts have disagreed on whether he is
a leper, turned up in Washington again
today, and before his identity was discov-
ered took quarters at a fashionable up-
town hotel, the home of Vice President
Marshall and others prominent in capital
life.

Early was not discovered until after he
had telephoned to a newspaper asking
for a reporter to interview "Mr. West-
wood." The newspaper man at once
recognized the noted patient and in-
formed the authorities, who took Early
back to his old place of isolation in the
city limits. The fashionable hotel and
its guests were thrown into a state of
commotion.

The alleged leper escaped May 18 from
