"MET" FINDS NO REAL CALL
Does Not Appear to See General Demand for His Services.
HIS GOOD JOB YET APPEALS
Finds Little Clamor for His Services as Candidate for Governor—
Oil Company Denied Right to Sell Stock.

(From a Staff Correspondent.)
LINCOLN, June 2.—(Special.)—Richard L. Metcalf seems to be one democrat who can distinguish between a real call to office and one that is not, at least, he was reported as saying yesterday while in Lincoln for a short time that if he thought the call was for him to lead the democratic party this year he would resign his job on the Panama exposition committee and stay in Nebraska and take a chance, but it did not look much like a real call now.

However, Mr. Metcalf will draw \$10,000 this year as a member of that committee and that ought to look good to most anybody beside the empty honor of leading the democratic party to defeat this fall in this state.
Mr. Metcalf said he was sorry that there was not more harmony among democrats in Nebraska and hoped that their differences would be buried before the polls opened in November, but he did not seem to be very favorably impressed with the prospects for peace.

Money for Treasurers.
The state treasury was helped considerably yesterday when seven counties sent in remittances aggregating \$190,000. The remittances were as follows:

Table with 2 columns: County Name, Amount. Includes Douglas (\$89,584), Merrick (\$2,350), Buffalo (\$4,239), Cass (\$4,598), Dodge (\$11,517), Colfax (\$11,132), Valley (\$7,721).

This morning another reinforcement to the money department came in, amounting to \$63,067, from the following counties:

Table with 2 columns: County Name, Amount. Includes Custer (\$28,400), Seward (\$15,887), Gage (\$12,000).

Auditor Likes Knights.
State Auditor W. B. Howard spent yesterday in Omaha and arrived home this morning. He reports that he was initiated into the Ak-Sar-Ben last night and that their ceremony this year puts in the shade all other attempts of the past.

Somebody has the wires crossed in the bull moose steering committee, two men having filed for the office of state auditor on that ticket. This morning the secretary of state's office received the filing of E. Edwin C. Hopkins of Dundee, who gives his residence as 5110 Cass street, Omaha. He wants the nomination for auditor on the bull moose ticket. J. P. Hanson of Fremont filed a few weeks ago. There are still some vacant places in the state ticket and the steering com-

Oil Company Denied.
The blue sky department of the State Railway commission has turned down the application of a Texas oil company which wants to sell tracts of oil lands in this state. The proposition covers tracts of 600 square feet, which are sold at \$60. The total acreage of the tract is forty-five acres. The scheme is to develop these tracts by boring for oil after all have been sold and if oil is found on any the whole tract will jointly receive the benefits.

Marriage License Granted.
License to marry was given yesterday to Leon E. McBride of Lincoln, age 30, and Miss Jennie L. Miller of Diagonal, la., age 25, by the Lancaster county license clerk.

Officers in School Given Field Service

(From a Staff Correspondent.)
LINCOLN, June 2.—(Special.)—Officers attending the military school of instruction at the state fair grounds are confining their studies to those which can be taken on the inside today where the heavy rain which has been falling all day will not interfere with their duties. Yesterday afternoon they took a five-mile hike out in the country. The hike was more in the nature of maneuvers, however, as the men were divided up into two groups, one representing the "reds" and the others the "blues." They were in command of Colonel Edmund Baehr and Major Sterficker.

The "blues" were sent out into the hills north of the fair grounds where they were supposed to entrench themselves while the "reds" were sent out to discover how well the former were entrenched. The movements were in charge of Colonel Muir.

One feature of the school is that all rank is concerned and all might properly be privates as far as any prestige might be gained from the shoulder straps. Colonel George A. Eberly, of the Fourth regiment, has been made commander of the camp; Captain John P. Poucher, adjutant; Major J. M. Birkiner, quartermaster, and Major J. F. Spellman, surgeon.
