WASHINGTON, June 3.—The killing of Weston Burwell of this city and a companion, supposed to have also been an American, by Mexicans in the Tampico district about two weeks ago, was confirmed today in dispatches to the State department. Search now is being made for the bodies.

Reports that Burwell was executed as a spy are being investigated by the governor of Tamaulipas.

Senor Riano, the Spanish ambassador, asked Secretary Bryan today to appeal for the protection of Spanish citizens in Tampico. According to the ambassador's advice another forced loan of 15,000 pesos has been demanded by constitutionalists.

Consul Canada, at Vera Cruz, reported constitutionalists insist that clearance papers for ships from the United States bound for Tampico, hitherto signed by Huerta's consular officers, must be signed by the constitutionalist officer in the future.

Secretary Bryan made this statement on the new constitutionalist policy:

"Vessels clearing from ports where there are no constitutionalist agents may have their papers signed by the postmaster at those points. Notice to this effect was issued to all foreign consuls at Tampico June 2."

Federal Force Bottled Up

DURANGO, Mexico, June 3.—(Via El Paso, Tex.)—The federal force which evacuated Saltillo and fled southward is bottled up at Vanegas, about 100 miles south of Saltillo, according to advices received today by General Carranza.

General Eulalio Luis Gutierrez, who, with his brigade was ordered to cut off the federal retreat, checked the movement towards San Luis Potosi, and forced General Mass and his men to take refuge in Vanegas, Gutierrez, whose home is near Vanegas, through his knowledge of the country was enabled completely to outwit the federals.

Word was received that a large force of federal soldiers, including many federal officers, had deserted from the San Luis Potosi garrison and had joined General Torres. General Carranza appointed General Panfilo Natera, now before Zacatecas, commander-in-chief of the first division of the army of the center. An enthusiastic supporter of the federal cause, Calderon, leader of the liberal party, who was in a long conference today with General Carranza. Arrivals from Mexico City continue to bring news of discontent with the Huerta government at the capital and of disorganization in federal forces.

Hundreds living near Mexico City who joined the federal army on announcement by Huerta that the constitutionalists and federals had joined to fight the American invaders have deserted the federal ranks since they have discovered this untrue and have joined the constitutionalists.

In response to a request for information from the United States Department of State General Rafael Bucina has reported from Tepic that Theodore W. Jones, the American who was imprisoned in that city by federals, had been liberated by the constitutionalists and was now safe. Jones was charged with having shot a Mexican over a private difficulty.

Harris Advocates Federal Charters for Interstate Lines

Harris, general counsel of the New York Central lines, today before the senate interstate commerce committee. Mr. Harris appeared to criticize proposed anti-trust legislation, much of which would affect railroads. REBELS RAISE MORE MONEY

Insist that the Clearance Papers for Ships Now Be Signed by Constitutionalists Instead of Huerta's Officers.

WASHINGTON, June 3.—James S. Elton of Waterbury, Conn., and William Skinner of Holyoke, Mass., directors of the New York, New Haven & Hartford railroad, testifying today before the Interstate Commerce commission at its investigation into the affairs of the road, said the acquisition of trolleys in sections of New England, steamship lines and other properties at a cost of many millions, constituted a part of the New Haven's comprehensive plan to increase its facilities.

Many of the properties thus acquired, it was stated, had only a prospective value, the natural growth of New England being taken into consideration by the directors.

Elton, questioned on this point by William Nelson Cromwell, counsel for several of the directors, said that the purchase for \$11,000,000 of the New York, West Chester & Boston road, the stock of which former President Mellen of the New Haven testified was worth "10 cents a pound," was for the purpose of obtaining a foothold in the metropolitan district and obtaining greater and better terminal facilities in New York.

Elton testified the directors of the New Haven had changed their methods and now were not influenced so much by one or two men, like J. Pierpont Morgan and Mr. Mellen, as they formerly were. He said the "directors now direct and have learned a great many things." He added that President Elliott was more deliberate than Mr. Mellen and did not "rush them off their feet."

Skinner said it was his belief that "if things had been allowed to go on and the New Haven and its officials had not been subjected to inimitable inquiries and legislation the property would have pulled out all right, perhaps in five years." He asserted that Mellen could have retained the presidency of the road had he so desired, as he had a majority of the directors with him.

Skinner will resume his testimony when the inquiry is continued tomorrow. He will be followed by Laurence Minot of Boston, who was a director of the New Haven during a part of Mellen's administration.

Attorneys for Daily News Secure Release of Burns Detective.

MAGNEY SAYS FACTS WRONG

County Attorney says Daily News Lawyers Did Not Correctly State the Facts in Presenting the Habeas Corpus Petition.

Frank Neff, Burns detective, convicted of vagrancy in police court, was released by Acting Police Judge Hascall yesterday afternoon after attorneys representing the Daily News and the detective provided a \$500 personal bond in his behalf.

A habeas corpus suit brought by the Daily News lawyers was dismissed by their following Neff's release from custody. The furnishing of the bond followed a ruling by District Judge English that a period of ten days is allowed for the filing of an appeal bond under the Omaha charter. Judge Hascall, acting under a general statute, refused to accept an appeal bond after the expiration of twenty-four hours. A cash bond was offered during that period but was refused in accordance with a statute on that subject.

HOTEL MEN ENTERTAINED

Not a Minute's Rest for the Bunch During Entire Day.

MET AT DEPOT WITH TRUCKS

Dahlman and Chief Dunn Extend Greetings—See Devil's Hotel as Operated by Gus Rense at the Dea.

Almost 100 hotel clerks from the north, east and south, on their way to the national convention of the Greater of America at Los Angeles, June 8, 9 and 10, were guests in Omaha yesterday of the local clerks. Nine solid hours of fun and entertainment marked their stay here before they started to Denver in a special train on the next lap of their journey.

Their two cars from Chicago and one car from St. Louis were met at the Union station after 7 o'clock by a score or more of the local "front office" men, who had sent E. M. Sharp, Paul Stanton and Roy Wagner to Plattsmouth, and Joseph McCaffrey and Charles W. Miller to Council Bluffs as advance reception committees.

Big auto trucks carried the eighty-five visitors to the Henshaw, where a complimentary breakfast was served them by T. J. O'Brien. Mayor James C. Dahlman, Chief of Police Henry W. Dunn and the local hotel clerks extended their formal welcomes. A brief speech was made by Colonel William Anderson, chief clerk of Hotel Rome, who is president of the local greeters and a prominent candidate for national president.

At Speakers Table. Others at the head table were Earl Clevinger of Milwaukee, first vice president of the national association; R. H. Hawks of Chicago, secretary; W. Louis Kleiberger of Kansas City, another candidate for national president; Irvin A. Medlar of the Mid-West Hotel Reporter, and these local hotel promoters: P. H. Philbin, Paul Rouch, Rome Miller, F. J. Taggart and P. W. Mikesell.

Helen Kroner and Harry Walker, the 15-year-old dancers who won the local Castle contest, pleased the greeters with their up-to-date dancing. A number of the visitors are accompanied by their wives. Following the breakfast the entire party of over 100 local and visiting clerks and other visitors started in twenty automobiles for a tour of Greater Omaha, after F. G. Hartmann, a "movie" operator, had made a film record of them as they boarded the cars.

See Devil's Hotel. The Ak-Sar-Ben den was the first stop on the auto tour. Gus Rense admitted all the visitors and those of the local clerks who are members of the order, and put them through a fifteen-minute scream of excitement at the Devil's Hotel. Then going to Fort Omaha, the party made a loop of the city, through the residence district, parks and boulevards, inspected the South Omaha stock yards, and then were "help up" in Riverview park on the return trip.

Rome Miller at Hotel Rome entertained them at luncheon at 2 o'clock, and they took their special train for the west by way of Denver shortly after 4 o'clock. The delegates who will represent the Nebraska-Iowa association at the convention are William Anderson, Rome; Charles W. Miller, Loyal; James H. Keenan, Henshaw; Joseph McCaffrey, Schiltz; Ed M. Sharp, Rex; Charles S. Bierenski, Mid-West Hotel Reporter; Omaha; Jay MacLarty, West Sioux City; William A. Wolf, Martin, Sioux City; George E. Cromley, Randolph, Des Moines; George W. Dauchy, Holst, Boone, Ia.; Sam E. Foster, Cerro Gordo, Mason City, Ia.

SENATE COMMITTEE FAVORS ARBITRATION FOR FREE TOLL ISSUE

It Votes to Report Sunderland Resolution Directing President to Open Negotiations.

SENATOR HITCHCOCK IS FOR IT

Final Vote on Proposition Stands Eight to Seven.

WARDAMAN ATTACKS WILSON

Mississippi Senator Astounded by Stand Taken by President.

QUOTES FROM BRYAN SPEECH

Nebraska Declared Violator of the Party Platform More Criminal Than Embassador—Red Flag of Party Infidelity.

WASHINGTON, June 3.—By a vote of 8 to 6, the senate foreign relations committee today adopted the Sutherland resolution directing President Wilson to open negotiations with Great Britain for special arbitration of the Panama tolls dispute. The resolution now goes to the senate.

Senator Borah, republican, was not present when the vote was taken, but later notified Chairman Stone he wished to vote against reporting the resolution, making the vote 8 to 7.

Hitchcock Votes for It.

Senators Stone, O'Gorman, Pomeroy, Swanson and Smith of Arizona, democrats, and Smith of Michigan, republican, were the others voting against it. Senators Hitchcock, Williams and Salisbury, democrats, and Lodge, Root, McCumber, Sutherland and Burton voted for it. Three were not present.

Senator O'Gorman declared the action would not affect the fight against passage of the repeal bill.

"I don't know what the vote indicates," was Chairman Stone's only comment. "It is well understood in the senate, however, that many senators who favor arbitration believe that before it should be chosen as a method of settlement the repeal bill should be enacted."

Wardaman Assails Wilson.

Senator Wardaman, democrat, assailed President Wilson in the senate today for asking the repeal of the Panama tolls exemption.

"When I heard him address congress urging the repeal I was dumfounded," he said. "I would not believe my ears that one who had approved the plank and held up to scorn those who violate their party pledges would take such a course. He gave no reason for repeal. He made no argument for repeal, but with an assurance and I say this with all deference—with an assurance unbefitting one so learned, he asked us to yield, right or wrong."

Another source of administration forces in the arguments marshaled against repeal was made by Senator Simmons. He argued the exemption of American coastwise vessels would be a discrimination forbidden by the treaty between the United States and Great Britain and unwise as a domestic policy.

Senator Wardaman declared the democratic party would not now be threatened with disruption, had it not been for the speech of Senator Root in January, 1913. "The leadership of democracy becomes pathetic," said Senator Wardaman. "When we must rely upon the keen, astute senator who won his laurels as counsel for predatory wealth, to become the keeper of the conscience of the democratic party—the followers of Jackson and Jefferson. Think of Bryan and Root pulling together for the moral uplift of the people. Is the city logic of our great senator from New York sufficient to justify the repudiation of our party pledges?"

Quotes Bryan's speech. Senator Wardaman quoted at length Secretary Bryan's address to the Pennsylvania legislature to the effect that the conscience of a candidate should begin to work before election and not hibernate until after he was out of office, and declaring that a violator of a party platform was a worse criminal than an embassador.

In conclusion, Senator Wardaman predicted that if the repeal was not the death warrant of the democratic party, it would be the warrant that would remove it from power and disrupt the good feeling of Americans for Great Britain. Finally he said he would not follow the man who bore the red flag of party infidelity.
