

NORRIS SCORES BIG TACTICAL POINT IN TOLLS REPEAL BILL

Nebraska Senator's Resolution Re-affirming Sovereignty Over Canal Zone Has Right-of-Way.

RULING BY MARSHALL AIDS
Some Senators Say Vice President Made Parliamentary Error.

LEADERS CANVASS SITUATION
Resolution Has Enough Support to Make it Dangerous.

MAY PROPOSE A SUBSTITUTE
Democrats Drafting Resolution of Their Own, Which Nebraska Senator Has Practically Agreed to Accept.

WASHINGTON, June 6.—Democratic senate leaders found themselves confronted with a parliamentary situation today which may force them to accept an amendment to the Panama tolls exemption repeal, reaffirming the sovereignty and rights of the United States over the canal zone.

It was discovered that Senator Norris, republican, by parliamentary maneuvering and aided by a ruling of Vice President Marshall, which some senators say of vintage his resolution providing that nothing in the repeal shall be construed as a surrender by the United States of its rights to exempt coastwise vessels from tolls.

Democratic leaders, after canvassing the situation, are said to have found that the Norris resolution, now in a strategic position where it commands a vote before the repeal bill itself, or other resolutions pertaining to it, has enough votes in its support to make it a dangerous quantity to their program.

Confronted with such a situation, republican supporters of the Norris resolution say the democrats are preparing to offer a resolution of their own, substantially the same, and that Mr. Norris has practically agreed to accept.

RAPP'S LETTERS TO NONNIE

Divas Presents Endearing Missives in Her Divorce Case.

CALLED HER THE "ONE WOMAN"
Numerous Bits of Testimony of Spicy Character Introduced and Crowd is Deeply Interested in the Same.

CHICAGO, June 6.—Letters teeming with words of affection and testimony concerning association between William Rapp, Jr., and Mrs. Catherine E. Dean in her New York home were presented today in the hearing of the divorce suit of Madame Schumann-Heink against her husband, William Rapp, Jr. Miss Frances J. Ashton, an auburn-haired nurse, who for five months lived in Mrs. Dean's apartments, was questioned, and her close acquaintance with the doings of Mrs. Dean and Rapp kept the attention of the crowded court room and apparently were of intense interest to the diva, who listened intently. A letter, identified by Miss Ashton as having been sent by Mr. Rapp to Mrs. Dean, was introduced in evidence.

Some of its sentences were:
"Dear Nonnie: This morning brought me a windfall—three letters from you and a postal from my sister.
You are just simply "Nonnie." God watch over you and keep you. I do not pray, but that wish is as near a prayer as I can come.
I am falling in love with you all over again and long to have you at the head of my modest little home, where your little heart and hands would control everything."
Another letter said:
"Dearest Nonnie: Please sign "Nonnie" any not "Katie." Anyone may use the name Katie, but Nonnie is to be secret and sacred. I look up to you and worship you and am entirely, your Billy."

The One Woman.
The closing words of another letter read by the attorneys were:
"You are the one woman who can give me happiness, one my soul is at peace with itself. Your darling, Billy."

Over the objection of the counsel for the defendant, a letter was introduced in which Rapp asked Mrs. Dean to write a forcible letter to Madame Schumann-Heink and to threaten her with a suit for damages if the diva coupled Mrs. Dean's name with that of Mr. Rapp. In the letter Rapp gave an outline of the letter which he wished to have written to Madame Schumann-Heink in Chicago. A letter, couched in similar language and received by the singer from Mrs. Dean, was later introduced.

Miss Ashton told of having seen Mrs. Dean kiss letters which she said were from "her Billy."

"What did you see Mrs. Dean and Mr. Rapp do?" she was asked.
"I saw them hold hands; they kissed each other and sat in each other's laps," was the reply.

Rapp Wore Apron.
In her written testimony one witness, Mrs. Elizabeth Hauk, who said she had often seen Mr. Rapp at the Dean apartments, replied to a question, "Is Mr. Rapp fat or thin?" by saying "not so thin—just nice."

She also said she had frequently seen him "out walking with Pluto, Mrs. Dean's dog."

Pluto, the dog, also appeared in the deposition of Lillian Schmidt, daughter of the Dean apartment owner, who told of being hired by Mark Harrison, the actor, who was said to have also been a frequent visitor there, to take the dog out for exercise.

The girl testified she saw Rapp at the Dean apartment wearing an apron and fixing the stove. She declared that Mrs. Dean asked him to buy some meat and called him "honey."
"Once," said the girl, "Mrs. Dean showed me a letter from Mr. Rapp. She kissed the letter and I pretended I did not see it. She let me read the letter. I don't remember what it said but it ended 'your faithful Billy.'"

Industrial Army Avoids Tarrytown; Cases Continued

TARRYTOWN, N. Y., June 6.—Twelve prominent members of the Industrial Workers of the World, arrested here a week ago while proclaiming their rights of free speech, were brought here today temporarily disposed of without a sign of disturbance, for which the anxious village fathers had carefully prepared.

The local police magistrate denied the plea of those arrested that they be allowed to appear before a grand jury, but to give them time for further legal maneuvers he postponed their cases until next week, Friday. Bail for each of the twelve was set at \$200.

Alexander Berkman, who had promised to bring hundreds of sympathizers from New York, Paterson and Passaic, arrived in town with Upton Sinclair and half a dozen others. Berkman explained the absence of a large band of Industrial Workers of the World followers, saying he "expected them later."

PROPOSED CABINET FAILS

Members Selected by Rene Viviani Get Into Row Over Problem and He Gives Up Attempt to Form Ministry.

PARIS, June 6.—Rene Viviani, who yesterday was said to have accepted the premiership and to have virtually selected all the members of the new cabinet, today informed President Poincare that he was unable to form a ministry and declined to make any further efforts to do so.

There was heated discussion, when the statement chosen by M. Viviani met informally today to prepare his declaration of policy to be laid before parliament. The question whether the new combination should unreservedly support the three years military service law or modify it, found, a hopeless division of opinion. As a consequence of this discussion, M. Viviani at once proceeded to the Palace of the Elysee.

It was said Maurice Paleologue, French ambassador, who arrived here last night, had informed the president it was the earnest hope of the emperor of Russia that France would not modify the three years army service and that he had indicated that any such step would tend to weaken the alliance between France and Russia.

M. Paleologue is reported as having said he would be obliged to resign his post at St. Petersburg if the law were changed.

A presidential decree had been already drafted and was ready to be issued today announcing the composition of the cabinet previously formed by M. Viviani, when the fresh ministerial crisis arose.

Decision Against Clabby Causes Riot

ST. LOUIS, N. S. W., June 6.—Jimmy Clabby, the Indiana middleweight, lost by an unpopular decision here tonight in a twenty-round boxing match with Jeff Smith, a Philadelphia fighter who has been appearing in Australia several years. So little did the crowd like the referee's judgment that the decision brought on a riot. The police had difficulty in controlling the audience and the referee was hissed and booed. This was Clabby's first fight since coming here from San Francisco, and he made a favorable impression. The opinion generally expressed by sport writers and experts at boxing who attended the fight was that Clabby had been treated unfairly.

AUTOISTS FIND ROADS GOOD AFTER BIG RAIN

Good Fellowship Tourists Note Ability of Dragged Highways on Their Return to Omaha.

VILLAGE OFFICER DOES PART

University Place Constable Exhibits Big Star as in the Burlesque Show and Leads Omaha Boosters to Jail.

Tanned and sunburned, the occupants of seventeen automobiles, remaining out of the twenty odd that started from Omaha Thursday evening for the two days' good fellowship run, straggled into Omaha between 5:30 and 6 o'clock last night, after driving nearly all day in the trip from Beatrice to Omaha, by way of Lincoln.

Spirit was lent to the last twenty-five miles of the run by some fast driving as the roads were excellent when the sun and wind got at them. A. L. Shantz, who had made it a point to pass everybody during the tour, no matter how fast they were going, met his match between Millard and Omaha when he shot past John Lionberger while the latter was going about twenty-five miles an hour. Lionberger was bound there was to be one man in the party not to be passed by Schantz. And there was one. For when Lionberger had let out his fifty-horse power six cylinder Mitchell for a period of some forty pitebeats, the Schantz car was again left far behind, although both cars kicked gravel half way to the Platte river.

Village Constable Appears.
Good old College View could not stand the fast driving of the Omaha bunch. The University club car was the unfortunate car to get pinched by the village constable at College View. Carroll Belden and Frank Selby were joining along at a nice pace through the streets of the saintly village. They drew up at the garage for oil.

Along came Mr. Village Constable of University Place rubbing his thumb over a star as big as a pie tin.

"Hey, there, youse fellers," he shouted, and jumped into the machine. "You drive right up to the station with me. I'm the chief of police here."

Admiral Mayo Decides He Has No Authority to Interfere with Captain Brown in Putting Munitions Ashore.

MEXICO CITY, June 6.—A presidential decree declaring the port of Tampico under blockade is to be published this afternoon in the Diario Oficial.

TAMPICO, June 5.—An official notification was sent today to Consul Clarence A. Miller by Governor Luis Caballero that he had received information of the location of the federal war vessels, Zarogua and Bravo, to come to Tampico for the purpose of bombarding or blockading the port.

For this reason Governor Caballero thought it proper to notify the American consul so American war vessels lying off the port might keep out of the line of fire.

It is not yet known what steps are to be taken to drive off the gunboats should they make any effort to blockade the port.

Three Million Cartridges Landed.
TAMPICO, Mex., June 6.—On the arrival here of the American schooner Sunshine from Galveston with 3,000,000 cartridges for the constitutionalist authorities, Admiral Mayo sent Flag Lieutenant Arthur B. Cook to learn the character of the cargo.

Captain Brown of the Sunshine had made his vessel fast to the custom's house wharf and had begun to discharge the cargo. After the flag lieutenant made his report to the admiral, the latter decided he had no authority to interfere and the unloading of the ammunition continued until the entire consignment was deposited in the customs house.

Bryan is Non-Committal.
WASHINGTON, June 6.—Secretary Daniels said today that no orders had gone forth to Rear Admiral William D. Mayo as to the landing of the war cargo of the steamer Antilla for the constitutionalists at Tampico.

Secretary Bryan declared the situation at Tampico was unchanged today.

"You notice," the secretary cautioned his questioners, "that I am careful to speak of the present day."

Mr. Bryan declined to be questioned further. So far as can be learned Tampico still is an open port.

NIAGARA FALLS, Ont., June 6.—For the first time in four days the American delegates conferred today with the board of mediators. The general peace plan was under discussion, as it had been decided as much progress as possible should be made while word was being awaited from General Carranza on the subject of constitutionalist representation. After the conference, Justice Lemar said:

"The discussion today was on the same points which we had before us last Tuesday and before the Carranza incident arose."

"The justice added that there was substantial agreement on the points discussed today. He said he had no word from Washington about the attitude of the constitutionalists."

It was generally understood some phases of the land question and method of treatment in the protocol were considered today.

Hurricane Along West Coast.
MAZATLAN, Mexico, June 6.—By Wireless to San Diego, Cal., June 6.—The heavy storm that has been sweeping the western coast of the United States struck the Mexican coast today. From Acapulco to Cape Corinto the wind is blowing at hurricane velocity and fear is felt for shipping.

The British steamer Catrina, returning from San Francisco, where it landed refugees from various Mexican ports, narrowly escaped foundering in the storm and arrived today at Mazatlan with a bad list as a result of a started cargo.

It is officially reported that constitutionalist and telegraphic communication between Colima and Mexico City.

Several hundred federal cavalrymen have arrived at Lower California from Guaymas.
