WILL DISCUSS THE TAX REPORT

Printing of Envelopes by Government in Competition with Local Offices is Condemned—Women Abduct Scoop.

(From a Staff Correspondent.)

LINCOLN, June 25.—(Special.)—President Brainerd of the Nebraska Editorial Association has announced the following committee:

Executive—C. W. Pool, Tecumseh; George S. Foxworthy, Lincoln; Arthur V. Shaffer, Republican City; Henry C. Richmond, Omaha; E. R. Purcell, Broken Bow; John M. Tanner, South Omaha; Memorial—Celine Voline, Auburn; Elizabeth Hackley, Pierce; Media McNeil, Beaver Crossing; Legislative—John M. Tanner, South Omaha; N. J. Ludi, Wahoo; D. Van Dusen, Blair; C. K. Bassett, Hyattsville; E. R. Purcell, Broken Bow; Resolutions—A. B. Wood, Gering; Cyrus Black, Hickman; A. S. Pettit, Brining; Mary E. Hitchcock, Lincoln; Will C. Israel, Havelock.

Resolutions Adopted.

The resolution committee reported a set of resolutions which recommended that the editors give the report of the tax commission a liberal discussion in their papers. The committee believed that the custom of the government in entering into competition with the print shops of the country in the printing of envelopes was an improper invasion of the field of business opportunity and being done at a loss to the government, was not legitimate business. The committee believed that the state should advertise Nebraska by a proper celebration of the fiftieth anniversary of the state and closed by recommending the adoption of the appreciation of the efforts of different people for the success of the meeting as follows: The officers of the association, the local committee and citizens of Lincoln; George E. Tobey for yeoman contribution; Prof. Condra, Reg. H. H. Harmon, Dr. Fletcher L. Wharton, Bishop Then, the editorial band, Frank A. Harrison, Warden Fenton of the penitentiary, Superintendent Williams of the asylum, Manager Jones of the Tigers, Sheriff Myers, the South Omaha stock yards, the women of the Grace Methodist church and all who helped in making the convention a success.

Women Abduct Scoop.

The secret of the abduction of "Scoop," the editorial cow on Monday night leaked out when it was discovered that certain women members of the association of officers of the petticoat city administration of the camp, with the assistance of Dr. Williams of the state asylum, had spirited away the cow and taken her to the asylum.

Just to show what the people may expect in the way of honest government if the women get to holding office was shown when the officers of the camp city arrested a lot of the men and brought them before Police Judge Crow and had them fined for stealing the cow. The atrocious deeds in connection with Russian justice were completely put in the shade by the heinous act chamber proceedings of the petticoat court.

Everybody feels good over the success of the forty-second session and the editors have gained much by the opportunity to become better acquainted.

Howard Refuses to Approve Charge for Cashing Warrants

(From a Staff Correspondent.)

LINCOLN, June 25.—(Special.)—Auditor W. B. Howard is opposing an attempt on the part of the steward of the Hastings asylum to be reimbursed for the discount charged against a warrant cashed by a Hastings bank.

Before the State Board of Control took charge of the institutions of the state M. O'Mara, steward of the Hastings asylum, cashed the warrant issued by the state for the payment of salaries at that institution, accepting the discount on the same of 1 per cent. The first warrant cashed in this manner was for \$4,474 and the discount was \$44.74. This was for April salaries. The May salaries warrant for \$4,472 was discounted for 1/2 of 1 per cent, or \$22.36. In order to be reimbursed for the discount, Mr. O'Mara drew on the cash account of the institution for the amount of the two discounts and the auditor refused to allow the same and required the amount to be returned.

In June of this year, while the auditor was absent a voucher was drawn by Mr. O'Mara for an amount covering the two discounts and O. K.'d by the board of control and presented at the auditor's office. A warrant was drawn for the amount and sent to the office of the board of control. Upon the return of the auditor he discovered that the warrant had been drawn and demanded that it be returned. Upon a personal visit to the board and a talk with Chairman Holcomb, the warrant was returned to the auditor and the same has been cancelled.

President of Lincoln Democratic Club Gives Notice He Would Like to Be Lieutenant Governor.

(From a Staff Correspondent.)

Opposition is made by the independent company that this will take from it the prestige of being connected up with the toll lines and interfere with contracts already made.
