

RICH LADS ON VACATIONS

Ervine Brandeis Shows Eastern Lads Sights of Omaha.

HAVE SWIM AT CARTER LAKE

Are Given Auto Ride Around City and a Dinner of Fish Just Caught from Carter Lake.

Sixteen millionaire kids from New York, Boston, Washington, Fall River and Philadelphia, were in Omaha yesterday, escorted by Ervine Brandeis.

Some of the scenes of eastern money had read stories of Indians doing the scalp dance in the vicinity of Omaha, but Ervine Brandeis quieted their minds and told them these were simply tales told to frighten bad boys and their fears were allayed.

As soon as the boys reached Omaha, they boarded automobiles sent to the Union station by Mr. Brandeis and were given a whirl about the city, ending up at Carter lake, where they had a swim, being looked after by John Mellen of the Northwestern, the road over which they are traveling west of Chicago.

After the swim the eastern lads played a little tennis and then sat down to a real fish dinner, the fish having been caught out of the lake. There was another auto spin about town, and then the western journey was continued.

Those in the party were: H. M. Barba, Germantown, Pa.; Charles Beck, Philadelphia; Ervine Brandeis, New York; Frederick Bronson, Ridgefield, Conn.; John Dalton, Schenectady; Frank Fremont-Smith, Jr., and Maurice Fremont-Smith, Washington, D. C.; Roland Hockett, Detroit; Hitchcock, Milwaukee; Henry Jackson, Jr., Boston; Byron Weston, Dalton, Mass.; Henry Williams, Rochester; Dr. Kinlock, Philadelphia.

Foreign Railroaders Making Inspection of Systems in America

H. L. Cole, secretary of the English committee on that has charge of the government railroads in India, and Dr. Nieschke, assistant to the president of the Prussian railroads of Germany, who have been in Omaha a few days, have gone to Denver, continuing their inspection and investigation of American railroads.

Both Mr. Cole and Dr. Nieschke are employees of the government in the countries from which they come and are sent here to ascertain if there are any features in connection with the American roads that can be adopted for the betterment of the lines which they represent.

While in Omaha the two foreign railroads men spent considerable of their time with D. C. Buell, head of the Union Pacific education bureau, and were deeply interested in the work carried on, having decided upon their return to recommend the adoption of many of the ideas.

Wood River Farmers Making Tramps Work

According to a story that drifted into the Union Pacific offices from Wood River the farmers of Hall county are pressing the tramps into service and making them work, at the same time paying them from \$1 to \$1.50 per day.

A letter received at the office of General Freight Agent Lane states that farmers are watching the arrival of all freight trains, and if a man or any number of men are found riding the rods they are pulled off and an effort made to induce them to go into the harvest fields. If they so willingly they are taken along without more ado, but if they refuse they are bound, thrown into the wagons and made prisoners. They are driven to the farms, where they are well fed, given good beds and required to work, but in every instance being paid high wages.

THREE MORE FINED FOR HAVING "CUT OUTS" OPEN

Three more noise fiends who insist upon driving past hospitals in autos with the "cutout" wide open were given the second installment of Magistrate Foster's crusade.

Keith Cavers, a son of the elevator and grain man, and living at 531 South Thirty-sixth street; J. H. Schriever, 2717 Douglas street, and M. D. Braunton, of the Central Taxi livery, were all fined \$5 and costs for running their cars improperly.

The muffler ordinance provides that the "cutout" may be used only within half a block of the garage in which the car is kept. Use of the "cutout" elsewhere will bring a \$5 fine, or more.

TIME EXTENDED TO PAY INCOME TAX ASSESSMENT

Many Nebraska individuals and corporations are taking advantage of the ten days of grace granted by the department in the collection of the income tax. It is said that approximately \$20,000 of the tax is due and unpaid. The last date for payment of the tax was set for June 30, but an extension of ten days was granted because of the fact that this is the first year of the operation of the law.

Seymour Lake Club Has an Extensive Card for the Fourth

An extensive program has been arranged for the Seymour Lake club for July 4. The schedule of events starts at 8:30 in the morning with the play in the qualifying round of the golf match for the club championship and concludes at 6 o'clock in the evening with a putting contest for women golfers.

There will be two flights in the match play for the club championship. Eighteen qualify for the first flight and eight for the second. The prizes for the winner and runner-up in the first flight are silver cups and the prizes for the second flight are a silk shirt, a pair of golf shoes and a golf cup. For the lowest qualifying score a thermos bottle will be presented and for golfers making any hole on the course in the least number of strokes will be given a scarf pin and a pair of cuff buttons.

In addition to the big match a nine-hole match for the ladies will be held. Two prizes are to be given for this event. The schedule of the other events is as follows: Free for all race for girls under 14 years of age. Swimming contest, fifty yards, for boys under 12 years. Ladies' fifty-yard running race. Golf putting contest for ladies.

Tekamah Prepares for a Big Fourth

Tekamah has arranged for a picnic for visitors who go there Friday and Saturday for the big race meet which is held at Tekamah the last three days of this week. Special preparations have been made for picnickers. An aeroplane flight is part of the entertainment furnished by the town. Bud Latta, secretary of the Speed association, says that Tekamah will have the best card of races it has had since it has been giving race meets. Several hundred automobiles have arranged to stop at Tekamah Friday on their way to the Sioux City races, and in addition to these many will go to Tekamah for the horse races on the Fourth. The train service from Omaha is such as will accommodate those who wish to go and return on the same day.

Building Permits Show Increase

Building operations for the first six months of 1914 show an increase of over \$800,000 compared with the record of the first six months of 1913, according to the city building inspector's statistics. In 1913, to July 1, \$2,886,000 was expended for buildings; in 1914 during the same period the expenditure was \$2,665,000. June of this year shows an expenditure of \$464,625 as against \$200,620 for the same month in 1913.

LOCAL AMHERST MEN REMEMBER D. W. MORROW

That Dwight W. Morrow was Tuesday made a member of the firm of J. P. Morgan & Co., in New York, has greatly pleased many in Omaha who knew him well. Many of the alumni of Amherst college remember Mr. Morrow. He was an attorney in New York. He was also an alumnus of Amherst college. So he used to run down from New York for the week end to see his nephew, Dick Scandrett, who was attending college. Among those who recall Morrow, are Robert Stout, Reed Peters and C. H. Heiden.

COUNTRY CLUB WOMEN TO HAVE TENNIS TOURNEY

A tennis tournament for the women members of the Country club will be started at the Country club July 4. Due to the enthusiasm manifested by the women to take up the game of tennis since the installation of the new courts, it was decided to give them a chance to test their prowess in a regular tourney. The tourney is closed to outsiders, only members being permitted to participate. Frank Judson has offered two mirrors in gold frames as prizes. Miss Japanese Peters is in charge of the affair.

FISHERMAN IS FOUND UNCONSCIOUS AT LAKE

Edward Thomas, known to fishermen and frequenters of Carter lake as "Dynamite," was found at Carter lake in an unconscious condition and the coroner was called as it was thought the man was dead. It seems that a couple of days ago Thomas ran a nail in his foot and it was from the effect of this that he was overcome. He was taken to the hospital where his condition is said to be serious.
