

Nebraska UNIVERSITY INTO POLITICS

Anti-Removal Committee Calling on Candidates to Say Word. USING LETTER WRITTEN BY ONE Much Regret Expressed by Friends of Institution that Subject is Not Allowed to Be Settled on Its Merits.

(From a Staff Correspondent.) LINCOLN, Neb., July 6.—(Special.)—When the state legislature took the action it did on the proposition of university extension, voting a levy each year for six years to be used in extension of the university either on ground contiguous to the present location or at the state farm, the levy was voted with the proviso that the people of the state should settle the matter of location.

Calling on Candidates. But it is this same anti-removal committee which is seeking to make political foot ball out of university removal by calling upon candidates to express their views on the proposition and after doing so use the communication in their arguments in favor of their proposition to keep the university on the down town location.

HARMAN MAKES RULING IN BAKING POWDER CASE

(From a Staff Correspondent.) LINCOLN, July 6.—(Special.)—Food Commissioner Harman has decided the case involving the use of egg albumen in baking powder as the result of an exhaustive hearing held last April in which one baking powder company made complaint against another which it alleged was using egg albumen in its tests as showing the relative worth of their own production over that of any other make.

DAHLMAN AND SPILLMAN SPEAK AT NIOBRARA

NIOBRARA, Neb., July 6.—(Special.)—The annual Indian pow-wow and Fourth of July celebration was held in Niobrara Thursday, Friday and Saturday. On Friday O. S. Spillman of Pierce, candidate for the republican nomination for congress in the Third district, addressed a street full of people from a raised platform. He avoided politics, but appealed to the voters to consider the ballot a priceless heritage and advocated each man being his own boss when he casts it.

DROPS GIRL FRO MWINDOW IN ORDOR TO ESCAPE FIRE

YORK, Neb., July 6.—(Special Telegram.)—Mrs. John Petker, who lives near Charleston, dropped her 5-year-old daughter from the second story of her residence yesterday evening and then jumped after her. Two ribs were broken and Mrs. Petker was badly burned. The fire was caused by the explosion of a lamp which Mrs. Petker was carrying down stairs. Mr. Petker extinguished the flames before they reached outside the house.

York County Pioneer is Dead.

BRADSHAW, Neb., July 6.—(Special.)—The funeral of Mr. Jasper N. Hampton, who died at the home of his daughter, Mrs. A. L. Johnson, of Omaha, early Wednesday morning, took place from the Methodist Episcopal church Sunday afternoon. The deceased was one of the early settlers of York county, coming to this country in 1871, and taking a homestead in Lockridge township where he continued to reside until death took from him the partner of his life. Since that time he has made his home with his children. He leaves one son, Mr. James T. Hampton, of Bradshaw, and three daughters, Mrs. Oata, of Oklaheema, Mrs. H. F. Neal, of California, and Mrs. Johnson, of Omaha.

Nebraska Boy Whose Body is Found Near Blair is from Sioux City

BLAIR, Neb., July 6.—(Special.)—The name of the boy whose body was taken from the Missouri river a mile below the Northwestern railroad bridge last evening was James Bush Jr., aged 1 year. He was drowned by his tricycle sliding into the river at Sioux City on Sunday, June 8. His father, James Bush, arrived this morning and the body was finally identified and will be buried in the Blair cemetery. The boy was heir to a small lease on land near Blair and was born in Omaha, December 5, 1906.

BULL MOOSE PARTY IS AFTER PLACE ON BOARDS

(From a Staff Correspondent.) LINCOLN, July 6.—(Special Telegram.)—Indications point to an effort on the part of the bull moose party to secure representation on the election boards at the coming primary. Chairman Crooks of that party in Lancaster county asked for an opinion today from County Attorney Strode as to the rights of the party to representation. It is understood the Moozers say that inasmuch as the Roosevelt electors stood second in the number of votes cast that the progressive party is entitled to one of the judges and one of the clerks of election, the other two judges and one clerk going to the democrats, who cast the highest number of votes.

It would indicate according to the above that the vote on the state ticket and not the national ticket would determine the appointment of election boards and that in the case in this state the clerk of the court could determine what the board should consist of.

COUNTY TREASURERS PAY AND WARRANTS ARE CASHED

(From a Staff Correspondent.) LINCOLN, Neb., July 6.—(Special.)—State Treasurer George is preparing to take up all outstanding warrants up to July 1, which amounts to \$314,910. Receipts from county treasurers have been coming in quite rapidly within the past few days which enables the treasurer with the receipts from other sources to make the call. There is on hand about \$90,000, while fees paid in from all sources make another \$18,000. Counties reporting show Douglas with a remittance of \$77,462, and Lancaster with another of \$101,833. The counties reporting are as follows:

Table with 3 columns: County, General Fund, Total. Lists counties including Antelope, Buffalo, Cass, Colfax, Custer, Deuel, Dixon, Douglas, Holt, Kearney, Lancaster, Lincoln, Logan, Rock, Sarpy, Seward, Sherman, Sioux, Thayer, Washington, York.

VALUATION LOSS SHOWN IN FORTY-NINE COUNTIES

(From a Staff Correspondent.) LINCOLN, July 6.—(Special.)—The increase of over \$1,000,000 which was made by the first thirty-eight counties reporting to the secretary of the estate Board of Assessment has been cut down by the last eleven so that there is a loss for the forty-nine counties of \$649,761. Douglas and Lancaster counties have not yet reported and it is thought that the increase in these counties will help to bring the valuation of the state up to somewhere near what it was last year.

Table with 3 columns: County, 1914, 1913. Lists counties including Lincoln, Hayes, Saline, Brown, Pawnee, Howard, Boyd, Cedar.

TECUMSEH GIRL IS RUN OVER BY AN AUTOMOBILE

TECUMSEH, Neb., July 6.—(Special.)—Miss Louise Hall, the 12-year-old daughter of Mr. and Mrs. John Hall of Elk Creek, was run over by an automobile on a crowded street corner here Saturday evening. No blame is attached to anyone for the accident. The girl stepped backward to get out of the way of one automobile, and stepped directly in front of one coming from another direction. Both wheels of the machine passed over her body, and when she was picked up it was feared she had been killed. She was taken to the office of Drs. C. H. and D. M. Davies, where she soon regained consciousness. It was found that her greatest injury was the loosening of three ribs, no bones being broken. She has suffered well since the accident, though she suffered intensely at first, and the doctors say she will soon be completely recovered.

(From a Staff Correspondent.) LINCOLN, July 6.—(Special.)—The Board of Control has raised the salaries of three of the employees of the board. George Weidenfeldt, bookkeeper, is raised from \$100 a month to \$118. Mrs. Pearl Bennis will receive \$25 a month instead of \$20 and A. E. Howard is raised to \$1,000 a year. Nebraska RHODES FILES IN THE FOURTH

Thayer's County Treasurer to Make the Race for Democrats.

DIERS FOR LIEUTENANT GOV.

York County Man is Likely to File Early Date—Senator Bushee Send in Papers Again for the Nomination.

(From a Staff Correspondent.) LINCOLN, July 6.—(Special.)—The first filing for congress in the Fourth congressional district reached the office of the secretary of state this afternoon. County Treasurer Walter H. Rhodes of Hebron filed for the democratic nomination. Mr. Rhodes was county superintendent of Thayer county two terms. He then went into the office of the county treasurer under his father as deputy and was then elected treasurer. It is reported on pretty reliable authority that Herman Diers, who served in the legislature and was later democratic candidate for lieutenant governor on the ticket with Governor Morehead, but was defeated by R. B. McKelvie, present lieutenant governor, by 14,654 votes, will file. Mr. Diers lives at Gresham, in York county.

Files as a "Pop." W. B. Eastham, who some time ago filed for the democratic nomination for land commissioner, has concluded that he may need a few independent votes and today sent in a filing for the nomination on that ticket.

Where is 'This' District? E. B. Bonner, sheriff of Chase county, would like to serve his district in the state legislature and today sent in his filing for the democratic nomination from "this" district. As the secretary of state is not clear as to where "this" district is and as such a district is not provided in the constitution as entitled to a representative, the filing will not be made until something more specific is shown. Uncle Fritz Hoffmeister represented the district in the last session of which Chase county forms a part, and so it is possible that Mr. Hoffmeister will have some opposition if the sheriff ever discovers the number of "this" district so he can complete the filing.

Bushee Files Again.

Senator R. E. Bushee has concluded that he would like to come back to the senate again and has filed from the Twenty-seventh district. This district comprises the counties of Scott's Bluff, Banner, Kimball, Morrill, Cheyenne, Garden, Deuel, Grant, Hooker, Thomas, McPherson, Thomas and the new county of Arthur. Senator Bushee was one of the strong members of the last session, and his decision to make the race again will be hailed with delight by those who know the work he performed in the last session.

Barr is Bound Over Upon Murder Charge

PLATTSMOUTH, Neb., July 6.—(Special Telegram.)—In county court today was the preliminary hearing in the case of the state against George Barr, charged with murder in the first degree in killing Manna Abraham Bunker, stepson of J. O'Brien of South Bend, on June 30. Dr. Livingston testified that he and Dr. Cook made the autopsy. Chief of Police Rainey testified that he and George Hooker got into a mixup and Barr got the officer's gun and accidentally killed Bunker. Policeman Newman's evidence corroborated Rainey's testimony. Matthew Gering asked that the prisoner be released as the killing of Bunker was an unfortunate accident and that no officer had a legal right to arrest any man unless a complaint had been filed and a warrant issued. Unless the officer had witnessed a violation of the law. County Attorney Taylor and Wm. R. Patrick, of South Omaha, agreed with Gering but insisted that Barr be bound over to the district court which was done by Judge Beeson. Bond was fixed at \$5,000.

LUMBER BUSINESS IS EXPECTED TO PICK UP

The lumber business out of Omaha is still a trifle duller than usual at this time of the year, although it is better than in most cities. Lumbermen all winter expected that by this time there would be greater activity in the lumber trade. Much building is going on in Omaha, of course, and in the cities and towns out in the state. This calls for a steady supply of lumber, but the usual spring volume of business is late in starting. Dealers are optimistic, however, that the lumber business will pick up with a spurt later in the summer, especially after some of the early crops of small grain are marketed. Salesmen say that general conditions in the state are so favorable that larger sales of lumber could ordinarily be looked for under the conditions.

PROFESSOR STEDINGER HONORED AT CHICAGO

Prof. Fred Stedinger, head of the German instruction of the Omaha High school was elected chairman of the executive committee of the National German-American Teachers' association, which met in a three days' session at the La Salle hotel in Chicago last week. Mr. Stedinger reports that the convention was by far the largest and most successful ever held. Many of the prominent educators of the country were present. Next year's meeting will be held in Milwaukee and will be of extraordinary interest because several hundred teachers from Germany will attend that convention. These educators will attend an extended trip through the United States to study our educational system.

One of Depew's Anecdotes. On his eightieth birthday Chauncey M. Depew said: "You ask for the secret of success. Well, one secret, in executive work, is putting the right man in the right place. Like Lord Claud Hamilton, you know. Lord Claud was travelling over his line when a brakeman or guard, as they say in the old country,—shouted at Acton station: "Hacton! Hacton!" "Lord Claud smiled. A little further on, arriving at Hanwell, another guard shouted: "Anwell! Anwell!" "Quick as a flash Lord Claud said to his companion: "You see how difficult it is, Thornton, to get the right man in the right place. We must have that Acton porter brought here, and we'll send that ill-fellow fellow to Acton."—Philadelphia Bulletin.

Mrs. Martha M. Ish, Pioneer Woman of Omaha, Meets Death

Mrs. Martha M. Ish, aged 78, one of Omaha's oldest pioneers, died at her home, 86 Georgia avenue, Sunday after an extended illness, which finally developed into acute dropsy. She is survived by one son, James C., who lives at 2124 Leavenworth street. The funeral will be held at the home Tuesday afternoon at 2:30 with burial at West Lawn cemetery. Mrs. Ish, who was the widow of Dr. James Kerr Ish, a former druggist and city councilman, came to Omaha November 28, 1862. October 23, 1867, she was married to Dr. Ish. Dr. Ish died in 1881. Mrs. Ish had been failing in health for the last five years and had not been out of the house in eighteen months prior to her death. The last time she ventured outside her home was to attend the pioneers' picnic.

EASTERN COLLEGE BOYS WILL HELP IN HARVEST

Remington, to the harvest fields near Columbus, where they intend to assimilate some real western farm experience before going back to college. They rode to Omaha in a Pullman and had plenty of money, but dressed as common farm hands before leaving, and said they would earn their way for the rest of the summer.

Your "Batting Average" can't be kept up on foods that are deficient in muscle-making material, that heavily tax the digestive organs. The effort to digest high-proteid foods in Summer uses up vitality and lays the foundation for disease. Shredded Wheat will keep the body at top-notch efficiency for work or play. It is what you digest, not what you eat, that supplies strength for body and mind. Every particle of the whole wheat grain is digested and converted into sound muscle, bone and brain. Your grocer sells it. Always heat the Biscuit in oven to restore crispness; then pour over it milk or cream, adding salt or sugar to suit the taste. Deliciously nourishing for any meal in combination with berries or other fruits of any kind. Try toasted Triscuit, the Shredded Wheat Wafer, for luncheon with butter, cheese or marmalades.
