### Splendid Medicine Stomach Trouble

#### I Suffered for Several Years Peruna Restored My Health

Mrs. Elizabeth Reuther, No. 508 Twelfth St., N. W. Washington, D. C., writes: 'T am pleased to endorse Peruna as a splendid medicine for catarrh and stomach trouble, from which I suffered for several years. I took it for neveral months and at the end of that time found my health was restored and have felt splendidly ever since. I now take it when I contract a cold and it soon rids the system of

any catarrhal tendencies. Over Ten Years Ago.

"I would not be without Peruna. Although it was over ten years ago that I first gave you my testimonial, I am of the same opinion as when I wrote it, and give you the privilege to use it as you see fit. I still use Peruna when I think it necessary. I am recommending it to my neighbors whenever a chance occurs."

I Still Praise Peruna.

Peruna is undoubtedly a splendid medicine for the stomach. A great many people after years of searching for a remedy finally try Peruna and are cured. This remedy is especially nelpful in cases of weakness of the stomach. Those who prefer to take tablets instead of figuid medicines can get Peruna Tablets.
